Letter from Andrzej Vagner of Melbourne Australia to awake the masses. His father Marian, as a boy, confronted Nazi tyranny in occupied Poland in World War II. Thursday 13<sup>th</sup> July 2023

## The hell my father (Marian) and I went through especially last year.

My father had me with his second and much younger wife, so because of his age, what he had lived through and because of what he knew, MARIAN was like a father, a grandfather and a best friend rolled into one person for me. My mother died aged 65 in 2008 after a long terminal illness. My father MARIAN lived with me for the last three-and-half-years of his life. We gave each other COURAGE during the lockdowns here in Melbourne etc.

My father MARIAN died 15/07/2022 aged 91 at Melbourne's Alfred Hospital. I <u>NEVER</u> planned nor ever wanted to write about the horror we went through. What <u>FORCED</u> me to write the following pages was speaking in May 2023 with someone who currently works at the Alfred Hospital and <u>FINDING OUT NOTHING HAS CHANGED</u>. Our hospitals here in Australia are still like prison-concentration camps. <u>TYRANNICAL</u> rules under <u>COVER</u> of COVID jab mandates.

Since my father's death I have spoken with <u>NUMEROUS</u> doctors and nurses who can confirm what I am saying. On average in our public hospitals around thirty percent of doctors and nurses got sacked (<u>lost their jobs</u>) because they were <u>NOT</u> jabbed. The remaining medical staff are <u>EXTREMELY OVERWORKED, BURNT-OUT AND JAB INJURED</u>, so a lot are on sick leave. The result is <u>LACK OF CARE</u> .... so that patients who cannot feed themselves are often <u>STARVING AND DYING</u>. Unjabbed patients <u>CAN'T</u> get organ transplants. The <u>MENTAL AND</u> <u>PHYSICAL ABUSE</u> because of silly rules etc. The situation is so BAD that <u>IF</u> for example I was so unwell, as to need to go to <u>EMERGENCY</u> I would rather just <u>DIE</u> and stay at home.

Back in November 2021 here in Melbourne we had huge <u>FREEDOM PROTESTS</u> of around 450,000 plus people. Most of those people have gone back to their lives. They can see their family, return to work, go to shops without using QR codes or masks. And they think life is more or less normal now. Most of these people unless they have visited a hospital have <u>NO</u> idea how <u>BAD</u> the situation is. The so-called mainstream media <u>HIDES</u> the truth. Politicians here are criminals. There is <u>NOWHERE</u> to go for help. Unjabbed doctors still <u>CAN'T</u> get their jobs back.

What is happening is <u>PURE EVIL</u>. In Australia, if roughly 15% of the population had the same approach as my father MARIAN, there would have been <u>NO</u> lockdowns, <u>NO</u> curfews, <u>NO</u> jab mandates, <u>NO</u> jab injuries, <u>NO</u> jab deaths, <u>NO</u> suicides and <u>NO</u> business losses etc. Just a tiny bit of COURAGE would have made all the difference. Which you can then email to all people you know, Christians, non-Christians, you like and don't like, FOR WHAT IS HAPPENING IN THE WORLD AFFECTS EVERYONE. Some people might regard me as being naive or foolish ... BUT I REALLY BELIEVE, THAT MY FATHER'S [MARIAN'S] EXAMPLE <u>TOGETHER WITH ALL</u> <u>OF US</u>, TOGETHER WITH FAITH IN GOD THAT WE WILL BE SURPRISED WITH WHAT WE CAN ACHIEVE.

I also believe that my father's story needs to reach as many people as possible. AND FOR THIS I REALLY NEED YOUR HELP AND THE HELP OF EVERYONE YOU KNOW.

I wrote my father's story to <u>EXPOSE THE TRUTH</u>. To inspire people to use <u>MARIAN</u> as an example to gain <u>COURAGE</u> to stand up for <u>TRUTH</u> and <u>FREEDOM</u>. Please help <u>SHARE</u> my father's story so that <u>TOGETHER</u> we can improve the world we live in. Also, I want my father's example to help give people <u>COURAGE</u> to deal with any future <u>TYRANNY</u> that we might face.

.... Thank you.

Andrew Vagner
