[Dear Mega-corrupt Aussie Mainstream Media](#)

[I am writing to all you obsequious sycophants of the monumentally corrupt Australian GIFN — Globalist Institutionalised Fake News](#), who are going into a state of inexorable ecstasy over the [dubious and politically motivated “conviction” of Donald Trump](#) by the [corrupt and George Soros funded Manhattan District Attorney Alvin Bragg](#). An individual more concerned with dubious indictments of a former president than dealing with the [soaring crime rate that defines the Big Apple of today](#).

[After the proven Russia-gate hoax of 2017](#), among a never-ending series of legal witch hunts, which your ilk have shoved down our throats for four years, in the process making you lot look credibly bankrupt and as stupid as the Coyote from the Road Runner show, with your unlimited resources to promulgate ubiquitous lies, you have finally hit paydirt!! WOWWW!!!

Fair Dinkum, if a corrupt prosecutor like Alvin Bragg tries hard enough, for long enough with a captured corrupt and obsequious media such as yourselves behind him, he could make a case for a dog being a cat or even for a man being a woman! Or a man becoming pregnant! [Or a hawk being trapped in a human body!](#)

Being devoid of any sense of history, you would be ignorant of the 1930s Soviet Union under the leadership of the mass-murdering Marxist narcissist Josef Stalin. Fear not however, I will enlighten you by drawing you attention to the screenshot below with the relevant commentary not just pertaining to Stalin’s 1930s Soviet Union, but how it relates to yourselves, of whom Vladimir Lenin with inexorable poignancy, would have dubbed “Useful Idiots”.

https://vincebarwinski.com/wp-content/uploads/2023/04/2022-07-28_21-45-16_stalin_survivor.png

The screenshot displays eighteen members of the Bolshevik Party who seized power in the wake of the Russian October 1917 Revolution. By the end of 1938 — the year of Stalin’s Great Purge — there were only three survivors! **Here is where you sycophantic LIUs — Lenin’s Useful Idiots, need to take note!**

Six of these Bolsheviks had been shot, one died in prison, and one, namely Leon Trotsky, was assassinated on 20th August 1940, when he was killed in his study in Mexico City by Spanish-born NKVD agent Ramón Mercader, who [rammed an iceaxe into Trotsky’s Bolshevik brain](#), in dutiful servitude to his master — the aforementioned mass-murdering Marxist narcissist Josef Stalin.

Moreover, [Adolf Joffe, a supporter of Trotsky, committed suicide on November 16th, 1927.](#)

Joffe remained a friend and loyal supporter of Leon Trotsky through the 1920s, joining him in the Left Opposition. By late 1927, he was gravely ill, in extreme pain and confined to his bed. After a refusal by the Stalinist leadership of the Communist Party to send him abroad for treatment and Trotsky’s expulsion from the Communist Party on 12th November 1927, he committed suicide on 16th November. He left a farewell letter addressed to Trotsky, but the letter was seized by Soviet secret police agents and later quoted by Stalinists to discredit both Joffe and Trotsky. Trotsky’s eulogy at Joffe’s funeral was his last public speech in the Soviet Union.

Joffe’s wife [Maria Joffe](#) was arrested as a left-oppositionist Trotskyist by Stalin’s security forces, yet she survived to write her memoirs *One Long Night – A Tale of Truth*. Joffe’s daughter, [Nadezhda Joffe](#), also an active Trotskyist, survived Stalin’s prisons and labour camps and published a memoir, *Back in Time: My Life, My Fate, My Epoch*.

To which, I know what you LUI sycophantic ilk are thinking. This will never happen to us, but of course, that too for example is what Nikolai Bukharin thought until he met his end in 1938.

Moreover, time and time again, we hear how the western Cultural WOKE neo-Marxists EAT their own when they discover they committed some perceived blasphemy against their religion or faith of WOKE. The following from Philadelphia in August 2022, is a classic:

<https://www.dailywire.com/news/when-the-woke-eat-their-own-the-hilarious-case-of-a-trans-coffee-shop-and-its-bolshevik-baristas>

As the story says, the only sane person involved in this saga is a Korean immigrant named Eunjoo, who came to America in search of a better life. One can speculate that having grown up on a peninsula divided by socialist oppression, Eunjoo understands better than most Americans the dangers of collectivist movements. Regardless of her motives, her decision to sell the building rather than entertain the WOKE workers' ludicrous demands makes her the undisputed hero of this story.

To which in closing, I reiterate my point. That being for now, to indulge your transient exhilarating joy embodied in your irrational hatred for Donald Trump, but remember, that just like the 1917 Bolshevik revolutionaries such as Leon **“iceaxe in his Bolshevik brain”** Trotsky, Nikolai Bukharin and Grigory Zinoviev discovered to their abject horror, that if they ever perceive of you as a threat to their power, you are no less expendable! Today, in your inexorable joy of irrational hatred, they came for Donald Trump; tomorrow, they can well come for you.

In other words, [take time to realise the unbridled malevolence you have now made yourselves beholden in obsequious and sycophantic servitude](#). As the German anti-Hitler Lutheran pastor Martin Niemöller eloquently elucidated:

“First they came for the Socialists, and I did not speak out — because I was not a Socialist. Then they came for the Trade Unionists, and I did not speak out — because I was not a Trade Unionist. Then they came for the Jews, and I did not speak out — because I was not a Jew. [Then they came for Trump] And then they came for me — and there was no one left to speak for me.” [To which, consider the skyrocketing anti-Semitism globally post-October 7th 2023 that you seem wilfully ignorant of! – Yet, why were your ilk so concerned with it during the 2020 American radical-leftist perpetrated Summer Riots??? Did “fighting” anti-Semitism back then suit the agenda of your Overlords??? But not now???

To which; [Is this truly the future you wish upon for your children???](#)

[Tyranny thrives amidst Cowardice and Lies that your ilk have perpetuated!](#) However, in order to end up on the right side of history, and more importantly GOD, it is not too late for you to reject the Cowardice, Lies and Tyranny of your obsequious servitude, and subsequently embrace the [Courage, Truth and Freedom that personified the Polish Boy Scout World War II Hero Marian Vagner](#), of whom, on several occasions, in supplying food to the Częstohowa (Chenstohowa) Jewish Ghetto, survived staring down the barrel of German guns!

I will leave you with this question. [Barack Obama was the protégé of Frank Marshall Davis, himself, Communist Party USA member 47544.](#)¹ In the final days of his presidency in January

¹ Read the book *The Communist* by Paul Kengor available in paperback at <https://www.amazon.com/Communist-Paul-Kengor/dp/1451698097>. On page 306, is a scanned copy of the summary page from Frank Marshall Davis' six-hundred-

2017, Obama [commuted the sentence of the mass-murdering Puerto Rican Marxist nationalist and terrorist Oscar Lopez Rivera](#). Hence then, cannot Donald Trump, if later elected president in early November this year, pardon himself of [so-called bookkeeping violations](#), as convicted of in the trial in question, presided over by [Judge Juan Merchan; himself closely linked](#) to the [fraudulently elected-cardboard-cut-out-president Creepy Sleepy Joe Biden?](#) I would be fascinated to hear your thoughts! [Or is this question too confronting for you as you flee for the darkness like all good Marxists and obsequious servile LIUs?](#) I suspect it will be the latter – or perhaps you can prove me wrong?!

Yours faithfully

Vince Barwinski

page FBI file, documenting his Communist Party USA membership number #47544. In his memoir, Barack Obama omits the full name of his mentor, simply calling him “Frank.” Now, the truth is out: Never has a figure as deeply troubling and controversial as the **Communist Frank Marshall Davis – Communist Party USA membership number 47544**, had such an impact on the development of an American president. Indeed, I have had the privilege and fortune to read this meticulously researched work of Paul Kengor, and read the aforementioned scanned copy of the summary page from Frank Marshall Davis’ six-hundred-page FBI file, documenting his Communist Party USA membership number #47544.
