Subject: I reject your latest attempt and any possible further attempts at passing the Orwellian Communications Legislation Amendment (Combating Misinformation and Disinformation) Bill 2023.

Dear Mr Chalmers.

Back in August last year of 2023, I made my submission against your Orwellian Communications Legislation Amendment (Combating Misinformation and Disinformation) Bill 2023.

In my submission, with **KEY SEARCH TERMS ON page 5**, which is attached and available on my website at:

https://vincebarwinski.com/wp-content/uploads/2023/08/COMPLETE_submission_against_combatting_acma_misinformation_and_disinformation_bill_2023.pdf

I ask the key questions of how governments globally, including yourselves, have since the outbreak of the COVID pandemic, with the interminable litany of lies your ilk have propagated, in the true spirit of the Orwellian Ministry of “Truth”;

1) “Who in the Universe are you to proclaim yourselves the gaslighting ultimate arbiters of truth?”

AND:

2) “To whom are you and our so-called elected and representative federal government, truly beholden? The people of Australia or unelected bureaucratic sociopaths in Geneva Switzerland [Headquarters of the World Economic Forum and WHO] and New York [Headquarters of the UN]?”

AND to which I add now:

3) “Do you wish for a global dystopian Orwellian future for your children?”

Most poignant here is the story of **Marian Vagner, a World War II Polish Boy Scout Hero, who risked his life in supplying food to the Czestohowa (Chenstohova) Jewish Ghetto and on multiple occasions, faced the barrel of German Guns.** His story which embodies:

COURAGE, TRUTH, FREEDOM

which is documented at:

<https://vincebarwinski.com/marianvagner>

as the pure unadulterated ANTITHESIS to your:

COWARDICE and LIES in obsequious servitude to TYRANNY.

To which I might add, after recently scanning the Freedom of Information Document detailing Marian's medical history at Melbourne's Alfred Hospital, I noticed that days before his ignominious and humiliating death, he was given the [dangerous drug Molnupiravir](#) – [as attested to by multiple world-renowned and brave dissident doctors](#) at a hearing chaired by US Republican Senator Ron Johnson of Wisconsin in Washington DC on Monday January 24th 2022.

Of which I give my commentary on my BLOG at:

Remember, according to our great CONSTITUTION, which is the foundation of our CONSTITUTIONAL MONARCHY, you were elected to serve the people of Australia, NOT:

“Unelected bureaucratic sociopaths in Geneva Switzerland [Headquarters of the World Economic Forum and WHO] and New York [Headquarters of the UN].”

Thus, as you read and have the wisdom of Matthew Chapter 7 verse 3:

[“And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye?”](#)

... hopefully imprinted ON your conscience;

I wish you God's Blessings to endow you with the requisite wisdom and courage to recognise truth in defiance of tyranny.

Yours Sincerely

[Vince Barwinski](#)
