Ultimately, anything but anything with the paws of Klaus Schwab's World Economic Forum and its strategic partner the United Nations, their sub-entities like the WHO and pro-Hamas UNRWA and intimately linked NGOs like the International Commission of Jurists (ICJ) all over it, can only embody an agenda of nefarious intent.

Page 66 of my September 2023 essay on the Catastrophic Climate Change Scam

Three-minute video of Marxist Freedom Road Socialist Organization radicals admitting to sparking the 2020 American Summer Riots. This dovetails perfectly with "No Justice, no Peace and Security" from the World Economic Forum Social Justice Agenda Map. Note as well, how the Catastrophic Climate Change Scam and COVID spawn from this Map.

Subject: My reasons for speaking out at the Sunnybank Our Lady of Lourdes Church on Sunday 22nd September 2024.

I imagine by the time you read this, you may have heard about an incident at the Sunnybank Our Lady of Lourdes Church on Sunday morning the 22nd September 2024 at about 10:15, where a gentleman sitting in one of the front pews, was ordered to leave after interrupting the beginning of the Gospel reading to the idolatrous Gaia worshipping Season of Creation service, founded upon the twin pillars of the scientifically bankrupt Catastrophic Climate Change Scam merged with agenda twisted hermeneutics of Romans 8:19-25. [More on that later.] To which, I thought I would write to you and inform you, that the interjecting gentleman concerned, was myself, and my reasons for doing so. To which, it is worth noting that back in July 2023, we had a late afternoon discussion by mobile phone, in relation to such issues.

Two years ago, after attending a Season of Creation Service at Sunnybank, where I felt like I was getting the propaganda of Klaus Schwab's Godless World Economic Forum and its strategic partner, the United Nations shoved down my throat at what was supposed to be Holy Mass, I confronted the priest at the end of it, and discussed why it appalled me so much. He listened at first, until I made a disparaging reference to the Globalist/Marxist apostate Jorge Mario Bergoglio – our so-called "Pope Francis" – who just recently proclaimed in Singapore;

[“All Religions Are A Path To God.”](#)

Hence, among numerous other reasons, including Bergoglio’s dumping of the [wonderful Texas Bishop Joseph Strickland](#) for simply disagreeing with Bergoglio on the issue of banning pro-abortion Catholic politicians from receiving communion, and over the degree to which outreach to the LGBT community is acceptable in the Catholic Church – **my non-recognition of Bergoglio as my pope**. However, as recommended by Bishop Joseph Strickland, everyday when I pray the rosary, I do include in my intentions, a prayer for the conversion of Bergoglio, and indeed, all his like-minded apostate Globalist/Marxist cronies in the Vatican. **My faith, in overriding blind obedience to a “Pope,”** [who coerced all Vatican staff](#) to take the [Dangerous, Ineffective and Expensive \(D.I.E.\)](#) [Read from the last paragraph on page 24. Key search term is “Walker”] and [Nuremberg Code violating](#) COVID jabs, and his betrayal of [Chinese Catholics in grubby secret deals](#) with the [mass-murdering and genocidal Chinese Communist Party \(CCP\)](#), **demands no less.**

No doubt, Bergoglio is a major driving force behind the agenda of the [Gaia-mother-Earth-worshipping](#) Season of Creation Pantheon cult, to destroy the Catholic Church and Christianity in general to usher in the [One World or Interfaith religion](#) [search for “Interfaith”], thus facilitating in the process, the collapse of Western civilisation. To wit, one recalls [near the conclusion of the 1848 Communist Manifesto](#):

“The Communists disdain to conceal their views and aims. They openly declare that their ends can be attained only by the forcible overthrow of all existing social conditions.”

To which, if you think I’m being hyperbolic, I suggest you watch this [three-minute video from the American 2020 Summer riots](#), where two American Marxists and Lesbian partners; Jess Sundin and Steff Yorek, proudly admit their role in sparking the riots in the wake of George Floyd’s death in late May 2020. Then read my commentary from the [bottom of page 8 to the start of page 10 of Chapter 29 of my book](#). Moreover, during an interview in 1984, [KGB informant and later defector Yuri Bezmenov](#) explained the four stages of a communist takeover of a country:

- 1) Demoralisation (10-20 years)
- 2) Destabilisation (2-5 years)
- 3) Crisis (6 weeks) [*As America heads into its 2024 “[Election](#)”, this is where I think it is.*]
- 4) Normalisation

I had studied the Season of Creation Pantheon Cult in depth two years ago after the episode at the Sunnybank church in September 2022, whereupon I wrote my [letter to Archbishop Coleridge](#) the following November, and a [follow-up letter just a week or so later](#). I received a token first reply from Deacon Andrew O’Brien to the follow-up letter, and then a second when I questioned as to whether or not he really read it. Then, until March 2023, I had sent him a number of other emails alluding to the dire threat the church faces under the subversive Bergoglio “papacy.” Moreover, just days after my recent September 22nd episode, [I emailed Deacon O’Brien what is essentially the letter I am writing to you now](#).

However, it was on Saturday September 21st, the day before I proclaimed the scientific and theological bankruptcy of the Idolatrous Season of Creation Pantheon Cult at the Sunnybank church, that I decided to research it a little further. Whereupon, in the [official 2024 Season of Creation document](#), I discovered that at its [corrupted Gaia-worshipping](#) theological core, was the twisting of Romans 8:19-25.

The great apostle Paul, the first century author of the book of Romans, when referring to the “Creation” or the “Creature”, depending on the translation, was [NOT talking about a “Groaning](#)

[Mother Earth](#)”, but rather, as my mate Gary, an incessant researcher of scripture stated with eloquent and concise lucidity:

“The “Creature” or “Creation” is us mere mortals who carry the sin nature in our bodies; of whom long to be set free from our mortal bodies OR have a body that is not subject to the sickness and sins of the flesh.”

When I told Gary that the Idolatrous Season of Creation Pantheon Cult apostates look at the “Creature” or “Creation” as “Mother Earth” screaming out, he just stated; “That is a falsehood”. To which I enquired of Gary, the profound question:

“Do you think the great apostle Paul was concerned with the cry of “Mother Earth” heralding in Apocalyptic Climate Change???”

To which Gary, in what I am sure was an implied reference to former [Commo Kiwi Prime Minister](#) and rabid Climate Catastrophist Jacinta Ardern, replied with witty moderate sarcasm:

“I’m sure [cow flatulence](#) and coal mining were his [Paul’s] concern!”

Indeed, did not Paul constantly warn us of false teachers?? To which, perhaps the most poignant passage is the following from [Romans Chapter 1, verses 21 to its conclusion in verse 32](#).

21) Because that, when they knew God, they have not glorified him as God, or given thanks; but became vain in their thoughts, and their foolish heart was darkened. 22) **For professing themselves to be wise, they became fools.** 23) **And they changed the glory of the incorruptible God into the likeness of the image of a corruptible man, and of birds, and of fourfooted beasts, and of creeping things.** 24) Wherefore God gave them up to the desires of their heart, unto uncleanness, to dishonour their own bodies among themselves. 25) **Who changed the truth of God into a lie; and worshipped and served the creature rather than the Creator,** who is blessed for ever. Amen.

26) For this cause God delivered them up to shameful affections. For their **women have changed the natural use into that use which is against nature.** 27) And, **in like manner, the men also, leaving the natural use of the women, have burned in their lusts one towards another,** men with men working that which is **FILTHY**, and receiving in themselves the recompense which was due to their error. 28) And as they liked not to have God in their knowledge, God delivered them up to a reprobate sense, to do those things which are not convenient; 29) Being filled with all iniquity, malice, fornication, avarice, wickedness, full of envy, murder, contention, deceit, malignity, whisperers, 30) Detractors, hateful to God, contumelious, proud, haughty, inventors of evil things, disobedient to parents,

31) Foolish, dissolute, without affection, without fidelity, without mercy. 32) Who, having known the justice of God, did not understand that they who do such things, are worthy of death; **and not only they that do them, but they also that consent to them that do them.**

Being aware of the dystopia, chaos and moral decay the world in general today is descending into, of which the [rising anti-Semitism globally post-October-7th again epitomises societies in crisis](#), I have sometimes thought that it would be much easier to just shut-up and look after myself. But having read what the famous anti-Nazi German Lutheran Pastor Dietrich Bonhoeffer said;

“Silence in the face of evil is evil.”

which to reiterate, is so eerily embodied by Paul in Romans 1:32;

“and not only they that do them, but they also that consent to them that do them.”

... it was after months of consideration, that I resolved on Sunday morning the 22nd September 2024, in the Sunnybank Our Lady of Lourdes church, to rise up in the front pew directly opposite the priest about to read the Gospel, to proclaim how this cult and hence the mass, were based on a monumental and gargantuan lie embodied in the aforementioned twin pillars of corrupted science and bastardised theology made to fit the narrative and agenda of pagan Gaia Mother Earth worship.

In the limited time I had before being approached by people to leave, I managed to explain the following points:

- 1) That in the past, going back to the Minoan era of 1300 BC, the Roman Warm period around the time of our Lord Jesus Christ, and the Medieval warm period around 1000 AD, when carbon dioxide levels were much less than today, yet conversely, temperatures were much higher than today.
- 2) How data on the hottest decade in USA history, namely the 1930s, was removed by the US Environmental Agency, but thankfully, [is still available on the good old WayBack Machine](#).
- 3) Then, as I was leaving down the aisle, I reiterated the truth of the pagan pillar of Gaia worship being promulgated by this cult, embodied in the bastardisation of scripture from Romans 8:19-25. Moreover, as a parting shot, how this cult in hindsight, is an inevitable consequence of the [nefarious Vatican II Council](#).

To wit one can state, how so many people, being overwhelmed in making ends meet in putting their children through school, paying the mortgage and sky-rocketing utility bills – the latter in no small part, at least in regard to electricity, due to obsessive propping up of the [Climate Catastrophist narrative](#), invariably gravitate to the most readily available media. That being unfortunately, the echo-chamber of a [monumentally corrupt Globalist agenda driven mainstream media](#). Fortunately for myself, I broke out of the echo-chamber in 2020, as I was trying to make sense of the [COVID pLandemic](#), the [2020 American Summer riots](#) and finally, [the fraudulent 2020 US election](#).

As some people followed me out, one gentleman shook my hand, and could tell my heart was pounding, which he said was not good for my heart. Others asked me what drove me to do it. To which I replied, that the data says the so-called Climate Crisis is a scam. To which they said, data can be manipulated to get whatever result you want. I then mentioned how scientists who do not agree with the Climate Crisis scam, are silenced. Later however, I would kick myself for not using the very simple but powerful argument how [China is pumping out coal-fired power stations](#) [page 47] at a rate of knots, while us idiots here and elsewhere in the West, are shutting them down and wait for it buying chronically unreliable “renewable energy” infrastructure from China, [ruled by a mass-murdering genocidal Marxist regime](#)! Hence, we live on Planet Clown!

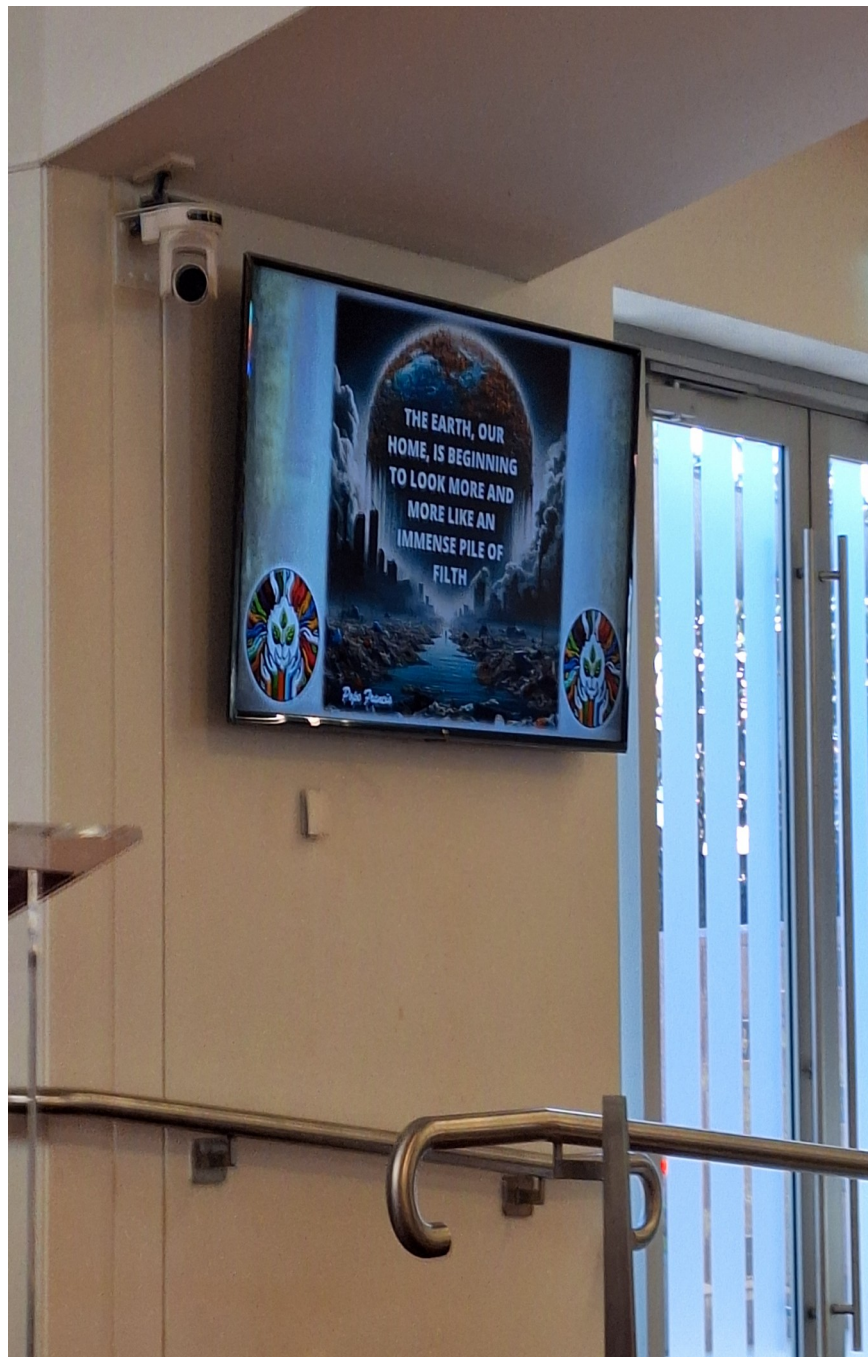

Moreover in February 2023, [the brief exchange in the US Senate between Senator John Neely Kennedy, Republican of Louisiana](#), [pages 64 to 66] when he briefly but very revealingly grilled two esteemed “Climate Change experts”; Dr. Robert Litterman, Founding partner Kepos Capital Chair, Climate Related Market Risk Subcommittee U.S. Commodity Futures Trading Commission and Dr. Douglas Holz-Eakin, President of The American Action Forum, which further exemplified, how we truly live on Planet Clown. Especially given how these two clowns were [advocating the](#)

[spending of 50 trillion dollars](#) [pages 64 to 66] for only at best, a minimal reduction in global temperature to appease the nefarious narrative of a non-existent crisis.

Before I left the church grounds, one agitated old woman came out and expressed her disapproval. She asked me what church I usually attend, to which I replied; Annerley (Our Lady of the Immaculate Heart Latin Service.) She told me to take it up with Father Sharpe. In hindsight, I should have told her how Traditional Latin Masses do not entertain this cult of Pagan Pantheon abomination, and furthermore, how I should have given her my apology for upsetting her “golden calf.”

One final point. In the eminently poignant quote of Romans Chapter 1, you will notice I highlighted the word “**FILTHY**”. This is because, as shown in my photo just below, on one of the screens, resplendent upon a background image to heighten the sense of Globalist/UN/WEF propaganda being shoved down one’s throat at what should be a Holy Mass, I noticed the following hypocritical statement of Bergoglio, quoted as follows:

“The Earth, our home, is beginning to look more and more like an immense pile of filth.”

To which I recall Matthew Chapter 7, verse 3:

3) And why seest thou the mote that is in thy brother's eye; and seest not the beam that is in thy own eye?

Bergoglio sees the “filth” of environmental problems such as pollution and cow flatulence, that he thinks can be fixed by chronically unreliable Solar and bird killing Wind Turbine monstrosities, but fails to mention the **FILTH** his ever growing concessions and embrace of the LGBTIQ agenda resplendent in its sexualisation and genital mutilation of our children, the disgusting abomination of the the Last Supper in The Paris Olympics Opening Ceremony, [*with only the most tepid protest from Bergoglio*] and the idolatrous Gaia worship propagated by this cult in worshipping the creation of the creator, rather than the creator himself, as embodied in the following photo:

To which its literal message of;

“Listen to the Voice of Creation”

can well be construed to mean:

“Listen to the Voice of Gaia.”

To which one should rather heed Revelation 18:4:

4) And I heard another voice from heaven, saying: Go out from her, my people; that you be not partakers of her sins, and that you receive not of her plagues.

As ultimately, anything but anything with the paws of Klaus Schwab’s World Economic Forum and its strategic partner the United Nations, their sub-entities like the WHO and pro-Hamas UNRWA¹ and intimately linked NGOs like the International Commission of Jurists (ICJ)² all over it, can only embody an agenda of nefarious intent.³

Yours faithfully
