Dear Ruggero

I have covered three additional points in this updated attachment in regard to your open letter:

[*Descendants: Do not distort and misuse Dietrich Bonhoeffer!*](#)

1) On Jordon Trishton Walker,¹ *Director, Worldwide R&D Strategic Operations and mRNA Scientific Planning* at Pfizer in New York City in January 2023. From the last paragraph of page 16 to page 17.

2) When Senator John Neely Kennedy, Republican of Louisiana, in February 2023, briefly but very revealingly grilled two esteemed Climate Change experts; Dr. Robert Litterman, Founding partner Kepos Capital Chair, Climate Related Market Risk Subcommittee U.S. Commodity Futures Trading Commission and Dr. Douglas Holz-Eakin, President of The American Action Forum.² Page 31 to page 33

3) The awe inspiring speech by the Jewish Holocaust survivor; Vera Sharav in Nuremberg on the 75th anniversary of the Nuremberg Code on the 20th of August 2022³ Bottom of page 22 to page 24.

How are you? My name is [Vince Barwinski](#), and I'm the author of the 2021-22 book [*The Pastor and the Matriarch of the German Underground and Their Times – A Polish Perspective*](#) and a Traditional Latin Mass Catholic of Polish descent, [who loves Israel](#) and is based in Brisbane Australia.

The central characters of my book are your Great Uncle Dietrich Bonhoeffer and the Junker matriarch Ruth von-Kleist who came to regard Dietrich like a son.

The inspiration for my book was one manifested over years but initiated on a miserable winter's afternoon on February 12th, 2005, [as shown on the front cover of my book](#). Namely the bronze cross memorial to your Great Uncle Dietrich Bonhoeffer in the modern-day Polish city of Wrocław (pronounced "Vrotswav"), but pre-WWII German Breslau and birthplace of Dietrich on February 4th, 1906. Given the centuries of bad blood between Germany and Poland, finding a monument to a German in a modern-day Polish city, was for myself, rather remarkable.

To which, it was only in the wake of the Cold War in the late 1990s, [that this monument to Dietrich was erected and unveiled](#), and it was the dual history of this city and my amateur passion for history, fostered by my autodidact Polish-born father in early December 1923, raised in Weimar Germany and Hitler's Reich, in particular, his knowledge of WWII history of Europe, that inspired me to write of Dietrich Bonhoeffer from a hitherto, unique Polish perspective, with lessons of history still relevant in today's world. Not the least of which being, the [religious oppression and subversion in Xi Jinping's China](#), and the rise of the radical left in America in 2020-21, mirroring in many respects, the [1966-76 Cultural Revolution of Mao Zedong's Communist China](#), and most eerily for me, the rise of Hitler's Reich amidst a crumbling Weimar Germany, to which I devoted my [belatedly written Chapter 29 – Dietrich and Ruth and their Times Relevance for America in 2020-21 — Lessons of History](#).

More than eleven years following my weekend visit to Wrocław, it was in August 2016, I commenced writing my book on Dietrich Bonhoeffer from a unique Polish perspective. Before long, it came to encompass the remarkable Junker matriarch Ruth von Kleist, sharing the same birthday with Dietrich in 1867, who came to regard Dietrich like a son, and her clan. To the best of my knowledge, this is only the second book in English, dealing in depth with Ruth and her brave Prussian Junker clan, and their relationship with Dietrich.

Moreover, as the Junker lands between the wars bordered Poland's Second Republic, the scope for my Polish perspective was significantly enhanced, adding to the significance of my four Polish WWII Supplemental chapters dealing with the late August 1939 Molotov-Ribbentrop Pact, then on its heels, Hitler's flimsy but still ultimately effective false flag of the Gleiwitz (Gliwice) Incident for pretext to invade Poland, followed by the [Stalinist-perpetrated April-May 1940 Katyń Wood Massacre](#) and finally; "*Polish WWII Supplement IV: AK and 1944 Warsaw General Uprising — Stalin's mass murder by German proxy*". ([See my chapter by chapter description](#). AK was the Polish *Armia Krajowa* – Home Army – the dominant resistance movement in German-occupied Poland during World War II. It was of course anti-communist and dwarfed the communist *Armia Ludowa* – "People's" Army. See page 183 of *Rising '44: The Battle for Warsaw* Reprint Edition (October 4, 2005), ISBN-10: 0143035401, ISBN-13: 9780143035404.)

In your co-signed October 2024 letter "[Descendants: Do not distort and misuse Dietrich Bonhoeffer!](#)", you raised issues with Eric Metaxas and his 2010 biography *Bonhoeffer: Pastor, Martyr, Prophet, Spy A righteous Gentile vs, the Third Reich*, such as it supposedly ignoring the historical context and misrepresenting Dietrich as a fundamentalist Evangelical. You also raised the legitimate objection of the character of Dietrich at one stage in the recently released Angel Studios movie; "[Bonhoeffer: Pastor. Spy. Assassin](#)", pointing a gun. Which I have to say, I wholeheartedly agree that such a notion is preposterous.

However, as I wrote from the beginning of [Chapter 29 of my book](#), Ferdinand Schlingensiepen, author of *Dietrich Bonhoeffer 1906-1945: Martyr, Thinker, Man of Resistance*, which is one the four premiere sources for my book, wrote an English language article in 2015 on the official Bonhoeffer website titled [Making Assumptions About Dietrich: How Bonhoeffer was Made Fit for America](#). (When I accessed this article in February 2021, it was still available. Curiously however, at the time of writing this letter to you, [I could only access it on the Web Archive](#).)

The title of Ferdinand's article can perhaps be generalised to: "Made fit for the English Speaking World." He was born in 1929 and post-war was a close friend of Eberhard Bethge — of whom I imagine, you are more than aware of, was Dietrich's closest friend. Eberhard died in 2000, [but as far as I can tell, Ferdinand is still alive at the time of writing, aged 95](#). He spent crucial years of his childhood in an illegal Confessing Church seminary that his father led until his arrest.

In Ferdinand's 2015 article, he is critical of the American conservative author and radio presenter Eric Metaxas, but as well, the liberal author Charles Marsh, a liberal theologian from Virginia and author of *Strange Glory, A Life of Dietrich Bonhoeffer* published in 2014. Metaxas' book is the most prominent source for my book, closely followed by Ferdinand's book and then Eberhard Bethge's giant biography. After I found and read Ferdinand's 2015 article in 2016, I started to thoroughly vet my citations of Eric Metaxas, and in my book, the majority of my citations of Eric Metaxas are accompanied by other sources, often those of Ferdinand or Eberhard. Charles Marsh I never used in my book, and indeed, while Ferdinand was critical of Eric Metaxas, he was even more so for Charles Marsh. To summarise, this is how Ferdinand saw Metaxas and Marsh:

"Marsh and Metaxas have dragged Bonhoeffer into cultural and political disputes that belong in a U.S. context. The issues did not present themselves in the same way in Germany in Bonhoeffer's time, and the way they are debated in Germany today differs greatly from that in the States. Metaxas has focused on the fight between right and left in the United States and has made Bonhoeffer into a likeable arch-conservative without theological insights and convictions of his own; Marsh concentrates on the conflict between the Conservatives and the gay rights' movement. Both approaches are equally misguided and are used to make Bonhoeffer interesting and relevant to American society. Bonhoeffer does not need this and it certainly distorts the facts."

and...

"Unlike Metaxas, Charles Marsh does know some German. He has read Bonhoeffer's writings in the original and has carried out research in Germany. He served briefly as a 'Bonhoeffer guest professor' at Humboldt University in Berlin. **Even so, his manuscript needed more substantial corrections than that of Metaxas before being published in Germany.**"

In essence, what I am saying, is that one could argue both liberal and conservative agenda driven American books on Dietrich Bonhoeffer, can at the very least, in the eyes of of a German author very close to Dietrich's best friend Eberhard Bethge, be equally misguided.

However, unlike 2015 when Ferdinand wrote his article, and rather than "democracies" such as the DPRK – Democratic People's Republic of Korea and the former – DDR – Deutsche Demokratische Republik, [epitomised by its Stasi secret police, surpassing in sheer size, even the Gestapo of the entire National Socialist Germany of your Great Uncle Dietrich's time](#), the American Constitutional Republic – NOT the democracy, from the summer of 2020, was itself was under dire threat. Whereupon disturbing parallels with the death throes of Weimar Germany from Dietrich and Ruth's time, can be drawn. However, as I will explain, it requires one take off their blinkers in regard to evil perpetrated by the political radical-left. In short, break free from the myopic leftist-Globalist echo chamber promulgated by corrupt agenda driven global-leftist mainstream media, characterised by its deafening silence to violence perpetrated by violent radical-left entities such as [Antifa and Freedom Road Socialist Organization \(FRSO\) during the summer of 2020](#). [Read pages 8, 9 and 10 then see [this three minute video](#). Note the names of Steff Yorek and Jess Sundin from FRSO.]

******END OF BODY OF EMAIL******

To which Lenin Useful Idiot (LUI) clowns like Tim Lester of Channel 7 Australia as its US “correspondent”, claimed such riots as being perpetrated by white supremacists to “discredit” their [WOKE Cultural neo-Marxist darlings that were Black Lives Matter](#), [read page 16] rather than All Lives Matter. Moreover, perhaps black looters and rioters [were the black face of white supremacy](#) like [Larry Elder?](#) Not to mention, how just before Joe Biden’s disastrous late-June 2024 debate with Donald Trump, this media was parroting the claim as stated by [Kamala “Laughing Hyena” Harris, that Joe Biden was lucid, sharp and alert](#) as characterised by his [consistent judgement and decision-making abilities](#) in the Situation Room and Oval Office. Yet, almost immediately following that debate, I watched the Lenin Useful Idiot (LUI) Clown Tim Lester as Channel Seven Australia’s US “Correspondent”, for the first time, report the chronic mental acuity decline of not just the most pathetic excuse ever for a US President, but as well, for any world leader in the entirety of Human civilisation.

“To which, how appropriate is it, that Joe Biden was [fraudulently elected in November 2020?](#)” [More on the November 2020 Electoral Fraud later.]

AND as such ...

“How compellingly obvious is to infer that under a presidency of Donald J. Trump, projecting strength, rather than the abject weakness projected by the most pathetic excuse of a world leader ever that was the [fraudulently elected Obama-cardboard-cut-out Joe Biden](#), that there never would have been a Russian invasion of Ukraine and never have been an October 7th? Especially given, both of which occurred under the [fraudulently elected ‘presidency’ of Joe Biden.](#)”

Just before the outbreak of COVID-19 in late 2019, I more or less trusted legacy mainstream global media, such as for example the Australian Broadcasting Corporation (ABC – Which has been dubbed the Australian Bolshevik Collective), which while being perceived as perhaps rather bland, given its role as the government funded public broadcaster, was seen as the impeccable and unquestionable source of true and unsensationalised news. As was its twin public but ethnic-based broadcaster SBS – Special Broadcasting Service, founded in the 1970s, of which I used to watch avidly, its numerous political and historical documentaries, of which ones on Hitler and his Third Reich, figured prominently.

[However, from June 2015, I became perplexed with their sudden incessant obsession with Donald Trump in the wake of his announcement to run for President in 2016.](#) Having watched some seasons his show “The Apprentice”, and as someone from outside the political establishment, my initial reaction was one of;

“Hmmm ... this will be interesting.”

However since then, the corrupt global mainstream legacy media, [with their sudden incessant obsession with Donald Trump in the wake of his announcement in June 2015 to run for President in 2016](#), flooded people with incessant negative coverage of Trump, that has manifested itself beyond obsessive. [The now discredited Russia-Gate Hoax in the wake of the 2016 election](#), invoked at the [behest of a bitter and twisted Hillary Clinton](#), being a case in point.

And as 2020 dawned with the COVID pandemic, with the [murderous Chinese Communist Party \(CCP\)](#) [See pages 2 to 3.] [and its compromised WHO at is epicentre](#), [See also [HERE](#) when the WHO ignored Taiwan’s warning on New Year’s Eve 2019] corrupt leftist global legacy media such as the Australian ABC and SBS, seemingly forbade any negative coverage on the CCP and the

WHO – the latter being headed after all by the [Ethiopian Communist Tedros Adhanom Ghebreyesus](#) [from page 20], [characteristically resplendent with his skeletons from his time as Ethiopia’s health minister from 2005 to 2012](#).

However, as I started to explore alternative media such as [The Epoch Times](#), founded by Falun Gong practitioners who fled Communist China in July 1999, and as such, outside of the Global legacy media echo chamber, it was in the wake of George Floyd’s death in late May 2020, “resplendent” in its violent summer leftist riots, that my “Never Again” vow against Global mainstream legacy media had its real genesis, exemplifying in crystal clarity, the inexorable hypocrisy of such media, as they blame an American public, including minority Black and Latino males of perceived misogyny, for the Democrat 2024 election loss – now itself in disarray, giving the flat-lining American Constitutional Republic – NOT Democracy – some chance of survival.

To begin with, it was in Portland Oregon, before, during and after Seattle Democrat Mayor Durkan’s proclaimed “summer of love,” [Antifa rioted for 120 consecutive days](#), with the tacit approval of the Democrat mayor, Ted Wheeler. In Minneapolis, in the wake of George Floyd’s death, burning, looting and pillaging was sparked by the radical left Freedom Road Socialist Organization (FRSO), as [joyously proclaimed by its leading members and partners Steff Yorek and Jess Sundin](#) [**Must see three minute video**]. Curiously, this was during the Minnesota governorship of Tim “[Tampon Beijing](#)” Walz.ⁱ

Moreover, the FRSO website leaves no doubt as to their Marxist agenda, as they view the [Tiananmen Square massacre in June 1989 as the defeat of counter-revolution in China!](#) Nevertheless, many such radicals in the [summer of 2020 were bailed out of gaol by Biden-Harris staff](#). In March 2021, FRSO launched its Spring Fund raising drive of \$100,000-plus required for its “great leap forward” with the following violent pitch:

[“Over the past year, Freedom Road Socialist Organization has undergone a period of dramatic growth, and we have emerged as one of the largest revolutionary organizations in the United States...”](#)

... To continue this pace of development we need your help. We are going to establish a national office and we are going to have some full-time staff who are devoted to building FRSO. We will increase our capacity to build a revolutionary movement that is capable of engaging the class enemy and waging a serious fight for working class political power: socialism.

To do this takes money and everyone can play a role in this. Urge your comrades and friends to give all that they can to the FRSO Spring Fundraising drive. Congress and the president just approved stimulus checks for most of us. Please consider contributing your stimulus check to FRSO...

... Some people say real change is impossible. **Burning police stations and millions of people in the streets this past year suggest otherwise.** We want to abolish capitalism and replace it with socialism. This is not some dream; it can be a reality if we work – and fight – for it.

ⁱ Like Tim “[Tampon Beijing](#)” Walz, do you think boys can menstruate? Or is it now academically enlightening to deny biological reality? For example, does modern WOKE academic protocol compel me to take the following “peer-reviewed” paper seriously at <https://www.thelancet.com/action/showPdf?pii=S2772-3682%2823%2900037-9?> See my thoughts given on page 24 at https://vincebarwinski.com/wp-content/uploads/2023/08/COMPLETE_submission_against_combatting_acma_misinformation_and_disinformation_bill_2023.pdf.

To do that we need to expand the fighting capacity of FRSO. Your the contributions, the bigger the better, will help us do exactly that. Go to donate at <https://frso.org/>.

Great [burning] things are ahead!
The future is [burning] bright!
Contribute to the FRSO Spring Fundraising campaign!”

Hence, one could sum up Antifa, Freedom Road and the Capitol Hill Organised Protest (CHOP) Zone of Seattle – with one of the [final lines of the 1848 Communist Manifesto](#):

“[The Communists disdain to conceal their views and aims](#). They openly declare that their ends can be attained only by the *forcible overthrow of all existing social conditions*.”

Such are adults, indoctrinated as kids to hate their country in order to comply with a distorted “WOKE” version of American history, embodied by the toxic *1619 Project*, subservient to the ideological Marxist agenda.⁴ But they are not just rioting on the streets. They also dominate the global corrupt mainstream legacy media, as implied by retired police Sergeant Betsy Smith, a 29-year veteran of a large metropolitan police department in Chicago, who now represents the National Police Association in the US. She talked of how the media in the summer of 2020 spent a great deal of time talking about the U.S. January 6th Capitol breach but not enough on violent riots perpetrated by Antifa and others.

“[Right now, their current obsession is, you know, white supremacy, white supremacists, and the Capitol riot](#). They don’t want to talk about the other 99 percent of violent riots that American law enforcement has been dealing with for the past year.”

To which I ask you;

“Does the one day of so-called MAGA perpetrated violence of January 6th 2021 (J6), in spite of the fact the only deaths from J6, where those of MAGA protesters, override the 120 consecutive days of rioting by Antifa in Portland Oregon?”

Curiously, Antifa-Black Lives Matter-(BLM)-[Insurgence USA activist John Earle Sullivan, who in a video he himself shot while inside the Capitol Building on January 6th](#), with the moniker JAYDEN X, [[No longer accessible on YouTube](#). Why? [But accessible on the WayBack Machine](#).] could be heard saying “[let’s burn this \[expletive\] down](#).” [*From 04:25 – 04:35. Watch also from 08:30 – 08:45 when Sullivan says “I’m just recording events.”*]. Later, Sullivan was respectively paid \$35,000 by CNN and NBC, and \$2,375 by the Australian Broadcasting Corporation (ABC – in reality the Australian Bolshevik Collective) for video footage of the breach, [according to invoices that were filed with the U.S. District Court for the District of Columbia](#). As an Aussie tax payer, in paying Sullivan the prodigious discount rate, I’m thrilled tens of thousands of our tax payer dollars have been saved by our public broadcaster. It seems, they have read Trump’s book [The Art of the Deal](#), but CNN and NBC have not.

Of which Ruggero, I would be fascinated to read your thoughts!

Nevertheless, I imagine, when viewed with the myopic leftist “progressive” mindset, J6 overrides all violence perpetrated by the radical-left, including FRSO Jess Sundin and Stef Yorek proudly proclaiming their sparking of leftist-riots in Minneapolis and nationally, in the wake of George Floyd’s death. Perhaps compelling one to recall the wisdom of [Matthew Chapter 7 verse 3](#):

“And why beholdest thou the mote that is in thy brother’s eye, but considerest not the beam that is in thine own eye?”

To which, as documented in the Preface of my book, it is worth recalling Bonhoeffer family recollections, including your still pre-teen Great Uncle Dietrich from the post-Great War chaos plaguing Berlin in January 1919:

“The political party that Dietrich’s father Karl supported was the moderate, left-leaning Social Democrats, who had come to power following the November 1918 revolution in the death throes of the Great War.⁵ **Neither the violent, extreme left-wing Spartacists, nor the radical right wing, would gain the support of Karl or any of his family.** The following letter, written by Dietrich to his Oma (Grandmother) in Tübingen before his thirteenth birthday in January 1919, makes this clear. It describes the fighting between government troops and Spartacists, after the latter had made two night-time attacks on the Halensee station:

“Early today we heard gunfire. There are some bangs going on now. Karl-Friedrich [the eldest of the Bonhoeffer siblings — he was wounded but survived both wars] has at last been discharged from the Charité [the hospital where father Karl worked]. He would like to be part of this somehow, but Mama and Papa do not yet agree. At present, thank heaven, the government troops are getting the better of it. Our holidays have been extended to 17 January. Either because of the unrest or because of the coal shortage.”⁶”

In noting in particular ... :

“Neither the violent, extreme left-wing Spartacists, nor the radical right wing, would gain the support of Karl or any of his family.”

... dare I say, even a still pre-teen Dietrich, had a far deeper grasp and understanding of [Matthew Chapter 7 verse 3](#), in that he did not have a myopic focus on purely the extreme political-right such as yourself and fellow co-signatories to “[Descendants: Do not distort and misuse Dietrich Bonhoeffer!](#)” as indicated in your use the term “Christian Nationalism” as a pejorative. [Likewise, anti-Semites of today from both the WOKE far-left and far-right deem the term “Zionist” as such.](#)ⁱⁱ On the other hand, I passionately embrace both terms in describing my world view. For one thing, the word “[Zion](#)” is mentioned over 150 times in the Bible, and moreover, never in a pejorative sense.

Rather than being a [darkened hearted Romans Chapter 1 fool of a Christian Globalist](#), epitomised in their embrace of the [idolatrous Gaia worshipping Season of Creation scam, as theologically bankrupt as it is scientifically](#), one of the most prominent of whom being the [Marxist-Globalist Apostate pope, Jorge Mario Bergoglio](#), a Christian Nationalist, in loving and having a patriotic fervour for their country, does not automatically make them a Fascist or violent neo-National Socialist xenophobe. Nor should the [Richmond Virginia FBI, hold files on Traditional Latin Mass Catholics](#) who rightly view [Jorge Mario Bergoglio, as a Marxist-Globalist Apostate pope.](#)

To which, like Bergoglio, do you think Jesus was a Palestinian?

ii Curiously, from my research and personal experience, it seems [far-right-wing anti-Semites are more than partial to the Flat-Earth theory](#) [See page 34 around “*Fair Dinkum*” and page 37 around “*mind control energy beam!*”], while their WOKE far-left counterparts, such as [Greta “The path to climate justice travels through a free Palestine” Thunberg \[more on her later\]](#), with their characteristic WOKE deifying fervour, embrace the equally ludicrous [Catastrophic Climate Change Scam](#) as epitomised by [my personally made mobile/cell phone ringtone.](#)

I think your Great Uncle Dietrich would find Bergoglio's assertion beyond the absurd! And nor should the [FBI arrest pro-life](#) activists [who have saved the lives of unborn babies from abortion](#), at the [crack of dawn with Stasi-Gestapo-like SWAT teams](#). To which, the deafening silence of Bergoglio to what is truly relevant in his ostensible role as the [265th successor to Saint Peter](#), is beyond palatable.

To which in reiterating, the overwhelming majority of violence that has been perpetrated by Cultural neo-Marxist WOKE activists, who via their racial dialectic obsessed logic, **embodying the deification of victim-hood**, manifesting itself in ribald hatred for their country, perceive of George Washington and the Founding Fathers as proto-Fascists and white supremacists. Yes, they owned slaves, but at that time, slavery was practised throughout the world and had been for the entirety of human history. Nothing is unusual about Western Civilisation having practised slavery, but what is unique to it, is the eventual abolishment of it – which includes America fighting a bloody civil war over it.

Moreover, [Black History MYTHS Promoted by the Left](#) and [THE REAL HISTORY OF SLAVERY](#) as told by the distinguished Black American historian Thomas Sowell, further obliterates such progressive leftist myths. Moreover, the Muslim slave trade started long before the European slave trade and continued long after as told in Larry Elder's [What Most 'Experts' Aren't Telling You During Black History Month](#). [From 2 minutes and 40 seconds in.]

But adults, leftist-WOKE-indoctrinated as children to hate their country, led to America bearing the inevitable toxic fruits of the 2020 leftist perpetrated Summer riots. Moreover, [The Epoch Times](#) founded by Falun Gong practitioners who fled China for America on account of the [heinous oppression perpetrated upon them by the CCP](#) [page 3] since July 20, 1999,⁷ now ironically, in the “free” country of America, [their multi-cultural staff report the truth in the face of an ideologically driven mass-media of pack journalism](#), which mirrors in so many respects, that of Berlin and Moscow of the 1930s, and indeed, modern-day Beijing.

This global pack mainstream media inevitably use the old foil of portraying [The Epoch Times](#) as far-right, but after years of studying Communism and National Socialism, and viewing with my own eyes, almost two metric tons of human hair at the Auschwitz Concentration Camp Museum in Poland in mid-2005, I do not require an agenda driven pack global media, masquerading as diverse free media, telling me what's far-right. On the other hand, feigned incognisance of far-left accountability by global pack mainstream reporters, literally amidst the burning and devastation of the 2020 summer riots, [claiming that such “protesters” were mostly peaceful, is breathtaking. As is their synonymous and inexorable hypocrisy](#). To which, need one quote them [Matthew Chapter 7 verse 3](#)?

Likewise, three to four years later in the [wake of the Hamas perpetrated October 7th massacre](#), the [fake but still “politically correct” history of Zionist colonisation and occupation in the Holy Land being indoctrinated into children in the Western education system](#), to further facilitate the Western flagellation of cultural suicide, embodied in the **WOKE deification of victim-hood**, as it embraces from the far left and right, the scapegoating mechanism from time immemorial of societies in crisis – namely; anti-Semitism. To which one could dub October 7th, manifesting itself in the West; as the Jew-Hating derivative or parallel to the American radical-leftist perpetrated Summer Riots of 2020.

As to how fake the history of Zionist colonisation is, one need look no further than Zuheir Mohsen; the Military Department head of the PLO⁸ from [1971 to 1979](#), in an interview with [the Dutch newspaper Trouw, on March 31st, 1977](#), stating:

“There are no differences between Jordanians, Palestinians, Syrians, and Lebanese. We are all part of one nation. It is only for political reasons that we carefully underline our Palestinian identity.... yes, the existence of a separate Palestinian identity serves only tactical purposes. The founding of a Palestinian state is a new tool in the continuing battle against Israel.”⁹

When Israel was invaded upon its founding in May 1948, subsequent to which being its remarkable Biblical-like miraculous survival, the Western attitude was of much bigger Arab states ganging up on tiny Israel. Hence, in the early 1960s, Yassar Arafat was tasked by the Soviet KGB disinformation department to create and head a terrorist group named Fatah.¹⁰ Subsequent to which, in the aftermath of the 1967 Six Day Arab-Israeli War, when Israel annexed the Gaza strip from Egypt [no talk then of a Palestinian state from 1948-67], the KGB manoeuvred to catapult him as chairman of the PLO.¹¹ Now the Arab anti-Israel cause had the perceived underdog of a fake Palestinian nation to undermine the biblical nation of Israel.

To which is further confirmed by the [late Jordanian King Hussein bin Talal from 1952 until his death in 1999](#), as he proclaimed at the Arab League summit in 1987 in the Jordanian capital of Amman:

“The appearance of the Palestinian national personality comes as an answer to Israel’s claim that Palestine is Jewish.”¹²

Moreover, it is worth noting, that what today we would refer to as Palestinians in the Gaza Strip and West Bank – in ancient historical reality, Judea and Samaria, had no objection back in 1948-67 being considered part of Egypt and Jordan respectively. In other words, no bellowing then of occupation in the “Palestinian” territories when they were under Arab rule. Furthermore, archaeology time and time again, confirms the Jewish claim to the Holy Land of Israel.

Nevertheless, more than ever, in the wake of October 7th, the KGB contrived fake Palestinian state or nation, in truth, more of an anti-nation, serves the agenda for the obliteration of Israel – the bastion of Western civilisation in the Middle East, and ultimately, the extinction of Western civilisation itself. In short, as [Joshua Philipp](#) from the *The Epoch Times* brilliantly elucidated, Cultural neo-Marxist progressive agendas are never about the “issue”, but rather, the revolution.

Back in September 2023, I attended a brilliant and witty presentation by the renowned [Australian geologist Ian Plimer](#),¹³ promoting in part one of his great books “*Green Murder – A Life Sentence of Net Zero with no parole*”, which I had the privilege to read. In it, with his indelible caustic wit, he documented the dubious science behind your seemingly **deified** Globalist engineered [Catastrophic Climate Change Scam \(CCCS\)](#).

For example, he ripped apart the doomsday narrative of the rabid climate alarmist fraud by the name of Al Gore, Democrat US presidential candidate in 2000, vice president in the Clinton administration from 1993-2001 and member of the [World Economic Forum’s board of trustees](#). In Gore’s 2006 documentary *An Inconvenient Truth*¹⁴, Gore made the climate alarmist friendly but erroneous assertion that rising CO2 levels cause rising temperatures – in spite of the Vostok ice core and Milankovitch cycle data clearly indicating the exact opposite.¹⁵ [Nevertheless, and in spite of numerous other documented inaccuracies](#), in 2007, Al Gore was awarded the Nobel Peace Prize, along with the UN’s Intergovernmental Panel on Climate Change, for “informing the world of the dangers posed by climate change”.

In my earlier letter to your cousin Professor Tobias Bonhoeffer, I stated to him my [realisation that his position](#) on the [board of the Globalist entity the Wellcome Trust](#), which in turn is intimately

linked to the [Bill and Melinda Gates Foundation and The World Economic Forum](#), as they push the [CCCS narrative and COVID-Nuremberg-Code-Violating-jab scam](#), [Key search terms on page 5] would make such revelations of damning facts about the Globalist fraud that is Al Gore, not so palatable for him to digest. Hence, given how the CCCS is right inside your wheel house so to speak, I imagine this would be multiple times over for yourself.

Al Gore's dubious 2006 *An Inconvenient Truth*¹⁶ narrative I also documented in detail in [my essay on the CCCS and much more](#), where I made prodigious use of the WayBack Machine, including at the top of page 29, [where figure 15 shows the U.S. Annual Heat Wave Index, 1895–2015](#) with the stark heatwave index spike of the 1930s with its synonymous drought, [as still documented on the American EPA website on May 10th, 2021, but removed within two days later](#).

As Julius Sumner Miller, the American Physicist and TV personality use to say:

[“Why is this so??”](#)

Perhaps the true science does not fit the Globalist agenda driven narrative to obliterate our fundamental rights and liberties? Moreover, as I documented in [my essay on the CCCS](#) from page 47, the simplest argument for the nefarious agenda underpinning it, was that while Western Europe and the west in general are stupidly shutting down cheap, efficient and reliable coal-fired power stations for a fake crisis of “toxic CO2”, the [mass-murdering and genocidal Chinese Communist Party \(CCP\)](#) [See pages 2 to 3], as a so-called developing economy, are given a free pass, which they use to build coal-fired power stations at lightning speed!

From the pro-CCCS Carbon Brief website, with its interactive [Global Coal Fired power map](#), which presently defaults to 2019, if one zooms into Germany and Poland, essentially the defining historic frontier between Western and Eastern Europe, what is striking, is that all coal-fired power stations in Germany, and for that matter, the rest of Western Europe as well, coloured in grey, were closing, while immediately over the frontier into Poland, while a handful were being closed, one in Opole is being built and the vast majority being retained.

When I visited relatives in western Germany for two weeks in 2004, before travelling to Poland to teach English for ten months, even though they were of Polish descent, Polish people were the butt of their jokes. But right now, as I see a Germany commit itself to a fake-crisis driven power grid suicide of chronically unreliable solar and wind turbine monstrosities, and open borders facilitating its [Islamisation](#) and [growing terrorist threats](#),ⁱⁱⁱ while Poland sticks to the proven, cheap and reliable power of coal, and secures its border in line with Biblical laws [more on that later], then between the two, the land of my paternal ancestors to Germany's east, now unequivocally has the monopoly on common sense!

And moreover, unlike way back in 2004, when Germany was clearly much more affluent, modern and safe, I have to say, considering the cultural and power-infrastructure suicide Germany has embarked upon since then, which Poland has rejected with just plain common sense measures and

iii I imagine right now you are labelling me an Islamophobe. But here is the thing. Back in March 2024, I read Hitler's *Mein Kampf*, and yes indeed, a disturbing and turgid but necessary read it certainly was. Necessary, in the sense of the years of research I have devoted to Hitler and his National Socialist Third Reich. However, since then, I have started to slowly progress through reading the Quran, and at about one-sixth of the way through, I can unequivocally state, with its interminable verses of Jew and Christian hatred, it is as such, a natural and logical follow-up to reading Hitler's *Mein Kampf*. [Moreover, many Islamic terrorists seem to think so as well](#). To which I ask you – have you read the Quran – at least in some part? Or the Hamas Charter from the Hadith stating: “*The Prophet, Allah's prayer and peace be upon him, says: ‘The hour of judgment shall not come until the Muslims fight the Jews and kill them, so that the Jews hide behind trees and stones, and each tree and stone will say: ‘Oh Muslim, oh servant of Allah, there is a Jew behind me, come and kill him, ‘except for the Gharqad tree, for it is the tree of the Jews.’*” ([Recorded in the Hadith collections of Bukhari and Muslim](#).)” See also <https://sunnah.com/bukhari:2926>.

choices, I would now feel much safer in Poland. Furthermore, I would bet that Xi Jinping would see Germany and the rest of your Western European neighbours as naive WOKE indoctrinated dumbed-down “sheeple” fools, of whom, **Greta** “[The path to climate justice travels through a free Palestine](#)” **Thunberg**, is the epitomising essence. [More on her later.]

What I find as disturbing as it is fascinating, is how these all these nefarious agendas are linked at the root to essentially the same nefarious players and entities. That being ultimately, anything but anything with the paws of Klaus Schwab’s World Economic Forum (WEF) and its [strategic partner the United Nations](#), their sub-entities like the WHO and [pro-Hamas UNRWA](#) and intimately linked NGOs like the [International Commission of Jurists \(ICJ\)](#) all over it, the latter [virtually condoning paedophilia in its March 2023 document](#), [See PRINCIPLE 16 – CONSENSUAL SEXUAL CONDUCT from the bottom of page 22] can only embody an [agenda of nefarious intent](#).

Moreover, my research has uncovered that your cousin and neuro-scientist Tobias Bonhoeffer and likewise Great Nephew of Dietrich, of whom I have just written to, is on the [board of the Globalist entity the Wellcome Trust](#), which in turn is intimately linked to the [nefarious Globalist entities](#) [Key Search Terms on page 5] of the [Bill and Melinda Gates Foundation \(BMGF\)](#) and [The World Economic Forum \(WEF\)](#). The discovery of this fact was as fascinating as it was disturbing for me, because, by natural logical progression, all [three of these entities](#) are intimately linked in perpetuating the scams of [Catastrophic Climate Change \(CCC\) and the Dangerous, Ineffective and Expensive \(D.I.E.\) COVID-Nuremberg-Code-Violating-jabs](#). [Key Search Terms on page 5]. The consequences of the latter including [the rise in global excess deaths](#) as documented by [Dr. Robert Malone on his Substack](#), disturbingly [corresponding with the release of the COVID-jabs from late 2020](#).

As for yourself, [I discovered your career](#) as a writer, political advisor, entrepreneur, and theorist in the fields of [energy, transport, sustainability, climate, and regional development](#). The word “climate” of course referring to the [fake crisis of Catastrophic Climate Change \(CCC\)](#), that I imagine, has been a most lucrative cash cow that has never ceased giving for you.

Moreover, when I looked for keynote “speakers” on the [Speaker Associate website](#), I found you listed with illustrious figures such as former New Zealand (Kiwi) Prime Minister and [Young Global Leader of the World Economic Forum Jacinda Adern](#) [now only available on the WayBack machine, like so many other pieces of evidence], of whom I remember in 2022, being the one in implementing the [tax on the farts and burps of cows and livestock in general!!](#)

To which, in the Aussie parlance in part, I have to say:

“Fair Dinkum!! Only **selbst-wichtige Idioten** politicians and “intellectuals” could conceive of such conceptual verbal diarrhoea!”

Moreover, does not Jacinta’s tax on flatulent cows, give new meaning to your [fake crisis of Catastrophic Climate Change \(CCC\) Cash Cow?](#)

I would love to hear your thoughts! Certainly my dear late father Stanisław/Stanislaus, having been born into a poor post-Great War Polish family, raised in Weimer and Hitler’s National Socialist Third Reich, having through exercising his right to Free Enterprise, NOT Crony Stakeholder Capitalism, in a wonderful free and open post-World War II Australia to build a successful 120 hectare dairy farm, and thus his independence from big government and business, as such, an anathema to the agenda of Klaus Schwab and indeed it seems of yourselves, would certainly see the mocking humour to your Crony-Capitalist-Marxist-Fascist hybrid that embodies the nefarious agenda of the [fake crisis of your Catastrophic Climate Change \(CCC\) flatulent Cash Cow!](#)

To which, would not a more plausible and logical explanation of climate and temperature changes throughout Earth's natural history, be that from Patrick Moore in his book [*Fake Invisible Catastrophes and Threats of Doom*](#) as follows:

“However, changes in orbit that alter the distance from the Sun along with changes of tilt [[Milankovitch 100,000 year Cycles](#) Figure 7 pages 12 to 13] could quite conceivably cause changes to the Earth's temperature regime. [Rather than former NZ PM Jacinda Adern's aforementioned farting and burping cows!] And a change in temperature in the atmosphere also means a change in temperature of the world's oceans causing them to absorb more CO2 when they cool and to emit more CO2 when they warm. Moreover, given that the oceans contain almost 50 times as much CO2 as the atmosphere, just a one percent change in oceanic CO2 results in a 50 percent change in atmospheric CO2.”¹⁷

And who would have thought – temperature driving CO2, not CO2 driving temperature.? Hmmm Ruggero, such science would not be good for your [flatulent cash cow of CCCS scientism!](#) [[My personalised mobile-cell phone ringtone.](#)]

“To which, would you be game to debate Professor Ian Plimer in a fair and open debate?”

If you were so inclined, my patriotic money would be on my fellow Aussie Professor Plimer. However, the odds as I see them, given the consistent refusal of Globalist-Scientism-Agenda driven types to avoid such open and fair debate, would be to decline such an opportunity for debate. The fake science of scientism, like all lies, finds the disinfectant of light, a repugnant anathema. As was graphically illustrated from a twin theological-scientific perspective, when I was expelled from the [Sunnybank Our Lady of Lourdes](#) Novus Mundi Ordo (New World Order) Catholic Church in the south-side Brisbane suburb of Sunnybank on Sunday 22nd September 2024 at around 10:15 a.m., for speaking out against their [idolatrous Gaia worshipping](#) Season of Creation service, founded upon the twin pillars of your [scientifically bankrupt Catastrophic Climate Change Flatulent Cash-Cow Scam](#), merged with [agenda twisted hermeneutics of Romans 8:19-25](#). [Search for my great mate “Gary” and “[cow flatulence](#)” on page 3 for UNWOKE but AWAKE theological commentary and indeed, discourse!]

Moreover, further confirming the inextricable link between the nefarious agendas of the [Catastrophic Climate Change Scam \(CCCS\) and the Dangerous, Ineffective and Expensive \(D.I.E.\) COVID-Nuremberg-Code-Violating-jabs](#), and indeed more, is graphically illustrated in the [transformation map](#) I downloaded some years ago from the [World Economic Forum website](#), with [Social Justice at its centre](#), [*This latest version from the WEF has removed “COVID”, but “Global Health” is still there. That is, the fundamental overall nefarious theme has not changed. See also [HERE](#).*] from which spawns the COVID and Catastrophic Climate Change Scam agendas, and the theme of “No Justice, No Peace and Security”, of which does it not, [embody the 2020 radical-leftist American Summer Riots?](#)

Moreover, just last October, after attending another brilliant presentation from Professor Plimer, and buying more of his books, I got to talking about his mention of Vladimir Putin in his book, and how he funded green groups in the West.

Back in May 2022, [I wrote a huge piece on my BLOG on the Russia-Ukraine war](#). [Do you like the photo preceding the summary?] My thesis was that both Zelensky and [Putin were opposite sides of the Globalist coin](#), [[See the video from 18 to 19 minutes in.](#)] devoted to perpetuating another endless war for the American Military Industrial Complex. In the process, **I discovered that Putin**

had been funding green groups in the West, who I imagine, all the while, would have been waving their Ukrainian flags. Again, the hypocrisy of leftists, in the spirit of [Matthew Chapter 7 verse 3](#), is beyond palpable!

To which, I then raised the issue of anti-Semitism rife among watermelon green environmental groups in the West, as Professor Plimer had discussed in [Green Murder](#).

Then, I raised the point how the favourite villain of unequivocal pro-Putin advocates,^{iv} namely the self-loathing Capo Jew and nefarious leftist billionaire and Globalist darling George Soros,^v is a [rabid ANTI-ZIONIST and Hamas supporter](#) (from the bottom of page 16), as numerous pieces on various web outlets of Soros testify to.

In other words, in regard to Israel and its right to exist, the nefarious agendas of the ostensible adversaries of Putin, [whose government has hosted Hamas officials in Moscow](#),¹⁸ and the leftist Globalist billionaire darling of the radical left that is George Soros, are in perfect harmony and alignment.

Thus, for raving right-wing [**but not left-wing anti-Semites such as Greta Thunberg**] anti-Semites, that I have indeed met and argued with, the vast majority of whom support Putin, and do not hold him accountable for the bombing of civilians in Ukraine, like they do for Israel as they fight Hamas in Gaza, [as the latter used civilians as human shields](#), [search for “human shields”] and perceive of Soros as a staunch pro-Zionist, purely because he is a nominal Jew, this does NOT compute!

To which Professor Ian Plimer, in spite of being a staunch atheist and evolutionist proclaimed to me:

“If Israel falls, so will Western Civilisation”

To which I say:

Amen to that Professor Plimer!!

I imagine you would be familiar with the aforementioned [Climate alarmist darling Greta Thunberg](#), indeed a favourite butt of Professor Plimer’s caustic wit in [Green Murder](#), but at the same time, he is scathing of her exploitation by WOKE indoctrinating adults, who in the process, have denied her a normal childhood. In 2018, Greta posted a dubious tweet claiming that a “climate expert” predicted that ice at the poles would disappear within five years. Hence, when this doomsday prediction of hers, like so many doomsday predictions in the past, such as Al Gore in his 2006 documentary *An Inconvenient Truth*,¹⁹ proved false, she felt compelled to [delete her June 2018 tweet almost five years later in March 2023](#).

But curiously, six to seven months later on October 7th 2023, she expanded her dubious indoctrinated Cultural neo-Marxist WOKE “expertise” into Middle East politics and history. To which for one thing, one could surmise her concurrence with Bergoglio’s “Jesus is a Palestinian” narrative. Given for one thing, the WOKE Climate Justice Alliance catch cry:

“The path to climate justice travels through a free Palestine.”

iv Sadly for myself, many people in freedom movements look at Putin as some kind of hero. Driven in no small part, by their understandable chronic mistrust of anything spewing forth from the corrupt global legacy mainstream media. As such, there predictable knee-jerk reaction is to believe the exact opposite. However, [My Polish ancestry, demands I do not](#).

v [Given the Soros engineered Ukrainian 2013-14 Euromaidan Colour Revolution](#) – search for “Maidan” and “Soros”

To which I wonder; do you agree? It certainly dovetails perfectly with a fake KGB contrived early 1960s Palestinian nation for a fake contrived crisis that is the [Catastrophic Climate Change Scam](#). Moreover, could Greta be more resplendent in her WOKE [left-wing] variant anti-Semitism than when Eden Golan, the Israeli artist participating in the Eurovision Contest in Swedish Malmo in May 2024, [could not leave her hotel room in fear for her life](#) because she is Jewish, [as keffiyeh adorned Jew hating leftist activists, including Greta herself](#), chanted their bellicose bile of leftist indoctrination. Again proving, how anti-Semitism is the symptom and scape-goating mechanism of societies in crisis. To which I ask you;

“Do you think Donald J. Trump, a second-time US President elect, rather than WOKE, but [awake to the Catastrophic Climate Change Scam](#) with a Jewish son-in-law, and the [first US president to move the US embassy in Israel from Tel Aviv to Jerusalem in 2018](#), amid bellicose self-righteous condemnation from corrupt global legacy media, a purveyor like the leftist indoctrinated Greta, of today’s rising anti-Semitism? Of which you yourself rightly for once in [your co-signed open letter](#), raised legitimate concerns.”

My answer to which being; I think NOT! Which makes the obsessive and constantly recycled pre-election narrative of corrupt global legacy media of Trump being Hitler, ludicrous to say the least. Moreover, in Israel, the majority of the country are welcoming the election of Donald J. Trump, especially given for one thing, the duplicity of the Biden regime, which in the aftermath of the election, donated a further staggering [ten billion dollars to the Iranian Islamic fundamentalist regime!](#) To which;

Do you think the jihadist Iranian mullahs will only use it for humanitarian purposes?

If you do, I imagine you would think Larry Elder is the black face of white supremacy and that just before Joe Biden’s train wreck of a debate with Trump in late June 2024, he was sharp, lucid and cognisant. And ...

“Are the majority of Israelis now violent right-wing ‘National Socialist’ extremists, xenophobes and threats to the rule of law and ‘democracy’ in celebrating an emphatic Trump election victory?”

To which is now the ideal opportunity to segue into greater detail on the litany of death and injury that has come to define the [COVID-Nuremberg-Code-Violating-jabs](#), and indeed the Globalist agenda of the UN and its [strategic partner the WEF](#), with aligned entities such as the [Wellcome Trust and the Bill and Melinda Gates Foundation](#), with the following question:

“Am I, in simply exercising my God given right not to take the [COVID-Nuremberg-Code-Violating-jabs](#), a far-right-wing Fascist National Socialist xenophobe?”

As your cousin Tobias is a member of the [Wellcome Trust board](#), intimately linked to the Bill and Melinda Gates Foundation, The World Economic Forum and the Coalition of Epidemic Preparedness Innovations (CEPI), and your clear cash-cow ideological flatulent alignment with former New Zealand (Kiwi) Prime Minister and [Young Global Leader of the World Economic Forum Jacinda Adern](#), I imagine your answer would be a resounding YES! In which case, I am sad to say, like the Trump Derangement Syndrome corrupt global legacy media, with their incessant and baseless assertions of Trump being Hitler, in all likelihood, precipitating two assassination attempts, you have lost sight of what Fascism truly is. I shall now explain how this is so.

To begin with, in defining Fascism, one can look to Benito Mussolini himself, who stated:

“Fascism should more appropriately be called Corporatism because it is a merger of state and corporate power.”

To which recalls for me, the irony of COVID-19 jab mandates. For example, to reiterate, in accordance with my divine rights bestowed upon me by God, I made the decision not to take what have since proven to be, dangerous, ineffective and expensive (D.I.E.)²⁰ Nuremberg Code violating jabs,²¹ promoted in culpable preference to decades proven safe, effective and cheap (S.E.C.) early treatments such as ivermectin and hydroxychloroquine.²² And no, ivermectin is not just a horse drug, but rather a multifaceted drug of [Nobel prize-honoured distinction with indicated efficacy against COVID-19](#). Moreover, the risk COVID-19 posed to normal healthy children was infinitesimal.²³ Yet the dangerous jabbing of our children was mandated!! Prompting the late but amazing American Orthodox Jewish [Doctor Vladimir Zelenko](#), and [proponent of early treatment](#), to pose the Biblical Old Testament question to pro-jab ilk:

“Are you into child sacrifice?” [To the Canaanite God of Child Sacrifice Molech.]

Or does the opinion of world renowned medical doctors and professionals such as Doctors Robert Malone, Peter McCullough, Paul Merrick, Harvey Risch, Pierre Kory, Richard Urso, Christina Parks, Mary Boden, Harpal Mangat, Aaron Kheriaty, David Wiseman, Jayanta Bhattacharya, Martin Kulldorff, [Peter Alexander](#), [[I make reference to Dietrich and eight false assumptions about COVID jabs](#).] Geert Vanden Bossche, Dr. Ben Marvel and the late Dr. Vladimir Zelenko count only as **mal-**information – information that is true but not complying with the nefarious mainstream or Deep State agenda.

Moreover, Wisconsin Republican Senator Ron Johnson, at his [COVID A Second Opinion Conference Washington DC Monday 24th January 2022](#), hosting all the above mentioned doctors except the now sadly late Dr. Zelenko, stated the following:

“From the CDC [Yes, even the corrupt American CDC admit this!!]:

Ages 0 to 17 years: 20 per million died.

Ages 65 and over: 90,000 per million died.

From John G. Niedus:

Ages 0 to 19 years: 13 per million died.

Ages 70 and over: 40,000 per million died.”²⁴

These figures make the vaccinating of children with dangerous and still chronically under-tested COVID-jabs, a reckless disregard for children’s safety upon the pillar of Big Pharma profit.

To which the Senator Johnson then alluded to a report he just received that day, of the tragic and senseless story of a Vietnamese female 9th grader from the northern province of Phu Tho, who got her first Pfizer dose on December 3rd 2021.²⁵ After which she experienced dizziness and difficulty in breathing. She was taken to a medical centre where she later recovered. Nevertheless, in accordance with the **global vaccine mass formation psychosis**, on Monday January 17, 2022, just one week before this conference, she had her second jab – despite being in the age group where about only 20 per million die of COVID. Twenty minutes later she experienced tightness in her chest, dizziness, difficulty in breathing and seizures. She received emergency medical treatment on

the spot, before being transferred to a district medical centre. On arrival she started to vomit blood, fell into a coma and her heart stopped. She died the following morning of Tuesday January 18, 2022.²⁶

All this for a 20 in a million chance of dying from COVID-19 and the profits of Pfizer. Yet, Big Pharma shills will maintain this is pure coincidence and not evidence of death by pseudo-vaccine! In the wake of Senator Johnson's talk, Dr. Merrick alluded to the fact that since kids are 1,000 times more likely to die from riding bicycles than from COVID, we should ban kids from riding bicycles!²⁷ Such is the **mass formation psychosis inanity of the jab narrative.**

Clearly, the COVID-19 jab mandates embraced what the Italian Fascist dictator Benito Mussolini dubbed "**a merger of state and corporate power.**" Yet, the corrupt and politically and historically ignorant globalist mainstream media, dub people such as myself, aware of our divine rights bestowed upon us by God, upon which our Western Civilisation has been based, as Nazis (National Socialists) or Fascists! When indeed their actions, in cahoots with Big Pharma and Big Government, epitomise them, and it seems, given your presence on the board of the Wellcome Trust, the very Fascists you accuse us of being! Or is such a fact **mal-information** – information that is true, but malicious to the overall mainstream or globalist narrative?

Most poignant here, is my justification in not referring to the COVID-19 jabs as so-called "vaccines." This because the Big Pharma jabs, are only "vaccines" by virtue of the American CDC dramatically watering down the definition of "vaccine" still standing on September 1st 2021:

"A product that stimulates a person's immune system to produce immunity to a specific disease, protecting the person from that disease."²⁸ [Thank goodness again for the good old WayBack Machine!]

... to merely a cop-out narrative crumbling definition the following day of September 2nd 2021:

"A preparation that is used to stimulate the body's immune response against diseases."²⁹

And just nine days later, the irony of a local Detroit American Bolshevik Collective (ABC) network in a September 11, 2021 Facebook post requesting people to share their stories of beloved **unjabbed** that had died. Naturally, they wanted to make a big story of what they hoped would be a huge scoop for their pro-jab narrative. But what happened next was totally unexpected. In the following five days, over 200,000 (!) people posted comments, **but not about unjabbed beloved ones** – rather about **jabbed loved ones** that died shortly after being injected, or were permanently disabled. The 200,000 comments revealed a shocking death-wave among the population, and the heart wrenching suffering these jabs are causing.³⁰

Moreover just four months later, in early January 2022, U.S. District Judge Mark Pittman, ruled that the U.S. Food and Drug Administration (FDA) would not have 75 years [**yes I repeat; 75 years!**] to release thousands of pages of documents it relied on to license the Pfizer COVID-19 jabs. [Instead, the federal agency was given just over eight months to do so.](#)³¹ Of course, as to why in this universe the FDA claimed they required 75 years to release its documentation to license the Pfizer COVID-19 jabs, can only be reasonably inferred as nefarious. And is it also **mal-information** when I reveal to you that the documentation released by the FDA was damning for Pfizer and so by natural logical extension, the FDA?³² [Naomi Wolf, whose grandmother lost nine siblings in the Holocaust,](#) and has had her team read the reams of very reluctantly released reports, indeed, reports as such.

Moreover, incontrovertible video evidence of the malfeasance of Pfizer was furnished in late January of 2023 by James O'Keeffe of Project Veritas. It started with a Project Veritas male staff

member surreptitiously filming Jordon Trishton Walker, *Director, Worldwide R&D Strategic Operations and mRNA Scientific Planning* at Pfizer in New York City, revealing that Pfizer might consider creating mutated forms of COVID-19 to develop highly profitable vaccines, using a process Walker termed “Directed Evolution.” During this conversation, Walker stated:

“Don’t tell anyone. Promise you won’t tell anyone. The way it [the experiment] would work is that we put the virus in monkeys, and we successively cause them to keep infecting each other, and we collect serial samples from them,” he said.”³³

Later James O’Keefe himself approached Walker and revealed to Walker the video of the conversation Walker had earlier with one of the staff of Project Veritas. This sent Walker into complete meltdown.³⁴ Firstly, Walker claimed that he was a liar and was just trying to impress a [gay] date.³⁵ Then he tried to seize James O’Keefe’s iPad, which resulted in it slipping out of James O’Keefe’s hands and crashing on the floor. Walker then tried to get the café staff to lock the doors before police eventually arrived.³⁶

Dr. Robert Malone in the first video from 1 minute 24 seconds, states that:

“This gentleman [Walker] seems to have absolutely no moral compass at all.”³⁷

AND ...

“If this is the quality of individuals within Pfizer that are making these HUGE decisions that risk global public health, then it is profoundly corrupt.”³⁸

I think one can assume, that Dr. Malone characterises Walker as a sociopath – the very ilk, you yourselves in your potential future role as ultimate Orwellian arbiters of truth, would deem as compelling our unquestionable trust! To which I reply;

“Are you fair dinkum? To whom are you truly beholden?”

You may say that this individual Jordon Trishton Walker is just a nobody and was NEVER at any stage the *Director, Worldwide R&D Strategic Operations and mRNA Scientific Planning* at Pfizer in New York City, and that this entire scenario filmed, was staged by James O’Keefe and Project Veritas. Sorry ... well no ... not sorry ... there is no corrupt Globalist narrative saving joy there! In spite of Walker’s LinkedIn account almost immediately after being deleted, I was able to go to Signal Hire at <https://signalhire.com/candidates/bdc539145ace11e68155feb79ce8b6d8>, open an account with Signal Hire, and see that indeed, Jordon Trishton Walker, at least at the time, was the *Director, Worldwide R&D Strategic Operations and mRNA Scientific Planning* at Pfizer in New York City. To which, I have uploaded a screenshot of Walker’s Signal Hire résumé to my website as well as a PDF exported copy, and an informative screenshot of a Qwant search of mine of Jordon Trishton Walker made on Saturday 28th, January 2023.^{vi}

Yet, countless corrupt global mainstream media “fact” checkers, claim there was nothing to these videos. As a cheating husband would say to his faithful wife catching him in the act:

“Do you believe me or your lying eyes??”

vi https://vincebarwinski.com/wp-content/uploads/2023/04/jordon_trishton_walker_resume.jpg AND the PDF exported copy at <https://vincebarwinski.com/wp-content/uploads/2023/01/Jordon-Walker-MD.pdf>. The screenshot of my Qwant search is at https://vincebarwinski.com/wp-content/uploads/2023/07/2023-01-28_11-39-37_jordon_walker_pfizer_on_qwant.png.

I have of course, since the outbreak of COVID, learned to trust my common sense rather than nefarious Globalist-agenda-driven narratives, which already by January 2023, as the dystopia passed it seemed, the inflection point of the exponential curve,^{vii} becoming more and more brazenly obvious! To which, I will take the assessment of a world renowned dissident doctor like Robert Malone, over a corrupt mainstream global legacy media in obsequious servitude to likewise corrupt global and national government agencies, any time!

.... making a mockery of the obsequious global legacy mainstream media's sycophantic dead-horse beaten COVID-jab mantra of:

“Safe and effective! Safe and effective! Safe and Effective!”

... embodying the COWARDICE and LIES in obsequious servitude to TYRANNY that has enabled the global dystopia of the UN and Klaus “Transhumanist”^{ix} Schwab of the World Economic Forum to thrive. The classic anathema to which being, the COURAGE, TRUTH and FREEDOM that personified Marian Vagner, born in 1931, who as a young boy, became a Polish WWII freedom fighter, of whom, on several occasions, risked his life in supplying food to the Czeŝtowska (Chenstohowa) Jewish Ghetto, survived staring down the barrel of German guns! His remarkable story and ignominious death in the midst of the [Maoist Victorian state Premier Dan Andrew's](#) COVID dystopia at Melbourne's Albert Hospital, with his acutely trained sense to detect the bullshit of tyranny, [is told by his son Andrew](#).

Moreover, earlier this year of 2024, upon my recommendation, Andrew obtained a [huge Freedom of Information document \[AVAILABLE ON REQUEST\]](#); which reveals it seems, a fundamental violation of the Hippocratic principle “*in doing no harm*.” In particular, the administering to Marian by Melbourne's Alfred Hospital of the [dangerous drug Molnupiravir](#). Moreover, while not appearing to be administered, another dangerous drug called [REMDESIVIR](#) (Known colloquially as “**run death is near**”), which likewise was proclaimed as dangerous by many brave dissident medical professionals who appeared at Republican Senator Ron Johnson's “[COVID A Second Opinion Conference](#)” in Washington DC on Monday the 24th January 2022, was listed as a legitimate drug on Marian's treatment schedule!

To which, given all the above, and Marian's acute sense of COVID-jab induced bullshit;

“Would you be game to call Marian a violent right-wing extremist, National Socialist xenophobe and threat to the rule of law and ‘democracy’?”

Clearly, Fascism is certainly what the Wellcome Trust, of whom your cousin Tobias Bonhoeffer in major part serves, but more specifically, it is nothing less than the embodiment of **Medical Fascism** – as practised by the **Auschwitz Angel of Death; SS Doctor Josef Mengele**,³⁹ of whom twin children were his favourite subjects.⁴⁰ To which by natural logical extension, confirms the likes of the Bill and Melinda Gates Foundation, the Wellcome Trust, the World Economic Forum, the WHO, and the American Medical Industrial Complex, headed formerly by the mass-murdering neo-Fascist weasel that was [Anthony Fauci](#) [Search for “Fauci”], just to name a few, as the Fascists rather than unjabbed people such as myself, the now sadly late Marian and his loving son Andrew, more than aware of our immutable birth rights bestowed upon us by Almighty God himself. A right that has become all the more apparent and compelling in its application since early 2022, [with the rise in global excess deaths](#) as documented by [Dr. Robert Malone on his Substack](#), disturbingly [corresponding with the release of the COVID-jabs from late 2020](#). To which:

“Do you think [Anthony Fauci was the ‘Science’](#)?”

ix More on “transhumanism” later.

For mine, he certainly was the “scientism”! At least in regard to the American Medical Industrial Complex, as meticulously documented by Robert F. Kennedy Junior in his excellent book; [*The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health*](#). And for me, it was a very sore point with me that Trump, over the years, pushed these dangerous jabs. However, unlike the [fraudulently elected Biden-Harris junta](#), he never wanted to invoke the tyrannical Nuremberg-Code violating jab mandates as they and Weasel-Fauci indeed did. Yet, in a warped leftist logic, Trump is the Fascist!

As one who visited the Auschwitz Concentration Camp Museum in late June 2005, and witnessed almost two metric tons of human hair, I do not make this conclusion lightly – unlike raving and corrupt global legacy media like a broken record, especially in the lead-up to the 2024 election, incessantly bellowing; “Trump is Hitler”, when they themselves to reiterate, are the obsequious and sycophantic servants of an agenda of global Medical Fascism that has embodied the [COVID-Nuremberg-Code-Violating-jabs](#).

Moreover, unlike myself, they can’t give any solid and concrete arguments for their ludicrous and empty assertions of a Hitlerite Trump. Which to reiterate, have in all likelihood, thanks be to God, led to two **unsuccessful** assassination attempts on Trump at the Butler Pennsylvania Rally in July 2024 and two months later on his golf course in Florida. Not to mention, the countless strange events that the American Deep State apparatus and their obsequious toadies that are the corrupt global legacy media, refuse to explain or address. For one thing, at Butler when the alleged shooter, climbing the building, [as attendees trying to draw attention to the fact, were ignored!](#) The obvious one word question screaming out at you being simply:

WHY????

Back in March 2024, I read Hitler’s *Mein Kampf*, and yes indeed, a disturbing and turgid but necessary read it certainly was. Necessary, in the sense of the years of research I have devoted to Hitler and his National Socialist Third Reich, to which upon completion of my reading, I pondered the following question:

“Who of today is just as obsessed with race as Adolf Hitler was?”

The answer to which, almost instantaneously lit up in my mind as:

“The modern-day Western WOKE Cultural neo-Marxists!”

Like Hitler required his scapegoats of the Jews, and the Marxists of Lenin’s and Mao’s day had the scapegoats of the bourgeoisie upper-class, the modern-day Western WOKE Cultural neo-Marxists, realising that in America and Australia for example, class is not such a potent dialectical weapon, they rather focus obsessively on the dialectic of race. However, whatever their dialectical scapegoat is, this is a fundamental requirement to foster the turmoil and division to facilitate the revolution. Moreover, “truth” as all these dialectical obsessed types from whatever age see it, is whatever serves the revolution. To which:

“The issue is never the issue; but rather, the revolution.”

A case in point being brave renowned doctors such as Robert Malone, Peter McCullough, [Peter Alexander](#) and other medical professionals attending [Senator Johnson’s January 2022 conference](#), in speaking out against the COVID dystopia, being vilified as purveyors of disinformation, supposedly putting innocent lives at risk, being the so-called “issue”. However, the question I ask is this:

“Why is it that world renowned doctors, scientists and medical professionals pre-COVID, suddenly become pariahs? In particular, those attending [Senator Johnson’s conference in Washington DC on Monday January 24th 2022](#)”?

As is self-evident to me, because they have pursued the truth in the face of mass censorship and intimidation; counter to the narrative of unelected Deep State bureaucrats. In the process, they have put their careers and reputation on the line, unlike professionals such as yourself and cousin Tobias, who seem to have taken the easy path of pragmatic but NOT moral compliance to the Globalist agenda. An agenda which I have come to see as the Dystopian Trinity of Marxism, Fascism and Crony Capitalism, dedicated to the obliteration of our fundamental rights and liberties in eventual and ultimate servitude to **One World Government – the ultimate objective of the revolution to obliterate Western Civilisation.**

Klaus Schwab The Executive Chair of the WEF, since its inception in 1971 as the European Management Forum, which was renamed the WEF in 1987, was born on March 30th, 1938 in Ravensburg Germany near the Swiss border. His father Eugen was managing director of the Swiss company Escher-Wyss, which used slave labour and Allied prisoners of war, as well as producing key technologies for the production of atomic bombs for Adolf Hitler.⁴¹ [The Wikipedia article](#) states that Klaus’ birth mother was Erika Epprecht, but this is a lie. His biological mother was the Jewess Emma Kilian who abandoned Klaus on December 9th, 1938 fleeing to New York about one month following *Reichskristallnacht* – National Night of Broken Glass when Jewish businesses and establishments were vandalised all over Germany. The genealogical data for Emma Kilan proving her as the biological mother of Klaus Schwab is available on the Geni genealogy website.⁴²

Klaus Schwab, as taught by his father Eugen and step-mother Erika, embraces the concept of Stakeholder Capitalism – a euphemism for the Crony Capitalism of what he dubs the Public-Private partnerships as taught to him by his parents.⁴³ In this economic theory, the Free Enterprise of small to medium size businesses, such as the successful 120 hectare dairy farm of my father, is an anathema. Indeed, did not the COVID lockdowns see the [greatest transfer of wealth in human history](#) from the masses to the tiny minority of elites and corporate giants such as Amazon, Google and the like, as most small to medium businesses were deemed non-essential. As a result, many would go bankrupt, as the underlying agenda was to make people less independent, but more dependent on Big Government and Corporate giants. In short, the implementation towards the Globalist Dystopian Trinity of Marxism, Fascism and Crony Capitalism.

At Evian, France, May 21, 1992, [a key mentor of Klaus Schwab; Henry Kissinger](#), was [in attendance at the Globalist Bilderberger meeting](#). It has been stated that the following quote by Henry Kissinger, in the midst of the then Los Angeles riots, sparked by the police bashing of the black American Rodney King the year before, and the subsequent [trial acquitting those police officers in late April 1992](#), was transcribed from a tape recording made by one of the Swiss delegates. [Admittedly, no such recording has ever been provided](#), but the alleged quote is still chillingly reminiscent of the COVID-19 lockdowns, the Catastrophic Climate Change Scam and a window into the future implications of the Orwellian Globalist agenda, with fear as the common denominator. Moreover, I read this quote documented in an [ebook published on November 21st 2018](#).⁴⁴ Hence, whoever made this quote or wrote it, be it Kissinger or not, did so well before the outbreak of the COVID PLandemic.

“[Today American’s would be outraged if U.N. troops entered Los Angeles to restore order](#); tomorrow they will be grateful. This is especially true if they were told there was an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will plead with world leaders to deliver them from this evil. **The one thing every man fears is the unknown. When presented with this scenario,**

individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government.”

And in the following, there absolutely no doubt, when Henry Kissinger in 1974, while he was American Secretary of State, wrote his infamous “[*Implications of Worldwide Population Growth For U.S. Security and Overseas Interests*](#)” – **THE KISSINGER REPORT**. The following paragraph from **page 14** embodies its **overall agenda of population reduction and global food control**:

“There is an alternative view which holds that a growing number of experts believe that the population situation is already more serious and less amenable to solution through voluntary measures than is generally accepted. It holds that, to prevent even more widespread food shortage and other demographic catastrophes than are generally anticipated, even stronger measures are required and some fundamental, very difficult moral issues need to be addressed. **These include, for example, our own consumption patterns, mandatory programs, tight control of our food resources.** In view of the seriousness of these issues, explicit consideration of them should begin in the Executive Branch, the Congress and the U.N. soon.”

Hmmm “**mandatory programs**” and “**tight control of our food resources**”? A euphemism for Globalist sociopaths to decide who gets fed what and who lives and dies? To which, do you think your Great Uncle Dietrich would approve of sociopaths with such power?

And, do you think your Great Uncle Dietrich would approve of the slippery slope that I imagine [your Canadian and Klaus Schwab’s Cultural neo-Marxist-Medical Fascist darling of Justin Trudeau](#) [See the video from 18 to 19 minutes in.] has embarked upon with the MAID – Medical Assistance In Dying!⁴⁵ For example, Health Canada classifies MAID as “Health Benefits!”⁴⁶ Moreover, the Canadian C-7 bill to expand access to medical assistance in dying, including eventually to people suffering solely from mental illnesses!⁴⁷

Indeed, does not MAID remind you of the infamous National Socialist Third Reich *Aktion T-4* euthanasia program, which as discussed in my book, following years of preparation, commenced just before the outbreak of war in August 1939?⁴⁸ For dedicated National Socialists, it was convenient to implement this program with war imminent. As they reasoned, physically and mentally disabled patients were taking up medical facilities and beds that should be used for soldiers wounded while fighting for the Fatherland.⁴⁹ At first, lethal injection was used, but then it was carbon monoxide gas,⁵⁰ which was later utilised in the death camps. Following the victims’ cremation, a letter was sent to the families informing them of their loved one’s death by pneumonia or some fictional cause.⁵¹ Soon after, the family would receive the ashes of their murdered loved one. T-4 was another outcome of the so-called “peace” with Hitler. While some patients were “spared” from gassing, thanks to the brave protests of Bishop Frederick von Bodelschwing and others in 1940, they nearly always faced death later through execution by lethal injection or enforced starvation.⁵²

To which is most chillingly eerie and prescient, is the awe inspiring speech by the Jewish Holocaust survivor; Vera Sharav in Nuremberg on the 75th anniversary of the Nuremberg Code on the 20th of August 2022.⁵³ (Note my commentary in *italicised bold* within “[]”).

“I came to Nuremberg to provide historical context to the current global threat confronting our civilisation. These past two and a half years have been especially stressful – as painful memories were rekindled.

In 1941, I was three-and-half-years-old when my family was forced from our home in Romania and deported to Ukraine. We were herded into a concentration camp – essentially left to starve. Death was ever-present. My father died of typhus when I was five.

In 1944, as the Final Solution was being aggressively implemented, Romania retreated from its alliance with Nazi Germany. The government permitted several hundred Jewish orphans under the age of 12 to return to Romania. I was not an orphan; my mother lied to save my life.

I boarded a cattle car train – the same train that continued to transport Jews to the death camps – even as Germany was losing the war. Four years elapsed before I was reunited with my mother.

The Holocaust serves as the archetypal symbol of unmitigated evil

- Moral norms and human values were systematically obliterated. [*Today the normalisation of paedophilia and the promotion of dangerous genital mutilation surgery of children.*⁵⁴ *Moreover, the acceptance of abortion and even infanticide of babies surviving abortion.*⁵⁵]
- The Nazi system destroyed the social conscience.
- Millions of people were worked to death as Slave labourers.
- Others were abused as experimental human guinea pigs.

The Holocaust **did not begin in the gas chambers of Auschwitz and Treblinka**. The Holocaust was preceded by **9 years of incremental restrictions on personal freedom**, and the suspension of legal rights and civil rights. [*Yes of course ... we are not yet as bad as Hitler's National Socialist Germany. However, Trudeau's MAID, the lockdowns and COVID jabs are and were a huge step in that direction.*]

The stage was set by fear-mongering and hate-mongering propaganda. A series of humiliating discriminatory government edicts demonized Jews as “spreaders of disease.” We were compared to lice.”⁵⁶ [*Today, the demonisation of unjabbed people such as myself as “Nazis” (National Socialists) by the corrupt global legacy mainstream media.*⁵⁷]

The real viral disease that infected Nazi Germany is Eugenics — Eugenics is the elitist ideology at the root of all genocides.

- Eugenics is cloaked in a mantle of pseudo- science.
- It was embraced by the academic and medical establishment as well as the judiciary — in Germany and the United States.
- Eugenicists justify social and economic inequality.

They legitimise discrimination, apartheid, sterilisation, euthanasia, and genocide. The Nazis called it “ethnic cleansing” — for the protection of the gene pool.

Medicine was perverted from its healing mission and was weaponized. [*For example, your [Nuremberg Code violating jab mandates](#). (Key search terms on page 5)*]

First, it was to control reproduction through forced sterilisation; then it was to eliminate those deemed to be “sub-human” — *Untermenschen*. The first victims of medical murder were 1,000.

German disabled infants and toddlers. This murderous operation was expanded to an estimated 10,000 children up to age 17. The next victims were the mentally ill; they were followed by the elderly in nursing homes. All of these human beings were condemned as “worthless eaters”.

Under Operation T-4, [*As discussed in my book*⁵⁸] designated hospitals became killing stations where various extermination methods were tested – including Zyklon B — the gas that was used in the death camps.

The objective of the Nazi Final Solution was to annihilate the entire 11 million Jewish Population of Europe as quickly and efficiently as possible. The Nazis enacted discriminatory laws; they utilised modern technology; low-cost industrial methods; an efficient transportation system; and a highly trained bureaucracy that coordinated the industrial genocidal process. The objective was high speed, maximum efficiency at lowest cost.

The human casualties of this unprecedented genocide were 6 million Jews and 9 million other people whom the Nazis dehumanised as *Untermenschen*. (sub-humans)” [I documented the entire speech from page 37 at https://vincebarwinski.com/wp-content/uploads/2023/08/COMPLETE_submission_against_combatting_acma_misinformation_and_disinformation_bill_2023.pdf.]

To which Ruggero, as I trust you again to pause and consider [Matthew Chapter 7 verse 3](#), I pose the following to you:

“Would you dare label Vera, a Holocaust survivor, a ‘far-right xenophobic extremist’?”

Then from the transhumanist angle, there is the senior advisor to Klaus Schwab; [Yuval Noah Harari](#), certainly no stranger to the concept of “[useless eaters/people](#)”, being the chief architect of the global dystopian transhumanist agenda. He is an Israeli public intellectual, historian and a professor in the Department of History at the Hebrew University of Jerusalem. Harari claims that humans are “[hackable animals](#)” and that fundamental Christian values and doctrine of freedom, free will and the soul will become a thing of the past! As this transhumanist sociopath proclaims on the premier icon of his homepage:

[“History began when humans invented gods, and will end when humans become gods.”](#)

To which I put to you;

“Do you really think, that the great theological thinker that was your Great Uncle Dietrich, would concur with this transhumanist sociopath? And moreover, when in Davos Switzerland in a January 2016 interview in French, [Schwab stated humans will have a chip implanted in their brain or skin within 10 years.](#)”

And ...

“Do you yourself look forward to becoming one of sociopath Harari’s ‘hackable animals’, or is that just a fate for us common Plebeians?”

Hence, as it appears to me Ruggero, given the history of what seems never-ending wars throughout the entirety of human history, I suspect you embrace this Globalist Dystopian Trinity of Klaus Schwab and his chief transhumanist architect and senior advisor [Yuval Noah Harari](#), epitomised in

part by the former, with the bust of Vladimir Lenin in his private library,⁵⁹ and his embrace of the the [genocidal government of the Chinese Communist Party \(CCP\)](#) [See pages 2 to 3] as ...

“A model for many nations.”^x

[As it indeed was when the West naively and disastrously embraced [mass-wealth-transferring-lockdowns](#) in 2020-21.]

... embodying a perceived ultimate One World Government utopia of man, with the power to ostensibly ensure the end to all wars. And if this ultimate goal of the **One World Government utopia of man** ostensibly ending all wars demands the [reset of the present entire Global economy](#) in the spirit of [Klaus Schwab’s Great Reset](#), and indeed towards the end of the 1848 Communist manifesto of Karl Marx and Friedrich Engels as follows:

“The Communists disdain to conceal their views and aims. They openly declare that their ends can be attained only by the *forcible overthrow of all existing social conditions*.”⁶⁰

... [where the masses will own nothing but be happy](#), then so be it!

And if it means an open US southern border to ultimately destroy America and its Constitution, itself the ultimate impediment to One World Government from within, to facilitate your ostensible One World Government utopia of man, but in truth Globalist Dystopian Trinity, then again I imagine, you think; SO BE IT! Moreover, the open southern border “symptom” of [the child trafficking of 320,000 missing children](#) [[MUST SEE FREE 94 MINUTE DOCUMENTARY](#)] during the [four-year term of the fraudulently elected Biden-Harris junta](#) ... while perhaps unfortunate ... is worthwhile collateral damage in facilitating the collapse of America, which in turn, will enable your ostensible One World Government of the “glorious utopia of man.”

To which I suppose, there was nothing nefarious about Antony Blinken, the American Secretary of State of the [fraudulently elected Biden-Harris junta](#), “visiting” [Guatemala unannounced on May 7th 2024](#), just twelve days following the [raid on April 25th 2024 by Guatemalan prosecutors](#) on the offices of the NGO *Save the Children*, of which its [former Chair of the Board of directors, appointed in February 2017, was none other than Jill Biden](#) – the outgoing First Lady of the United States. To which, why is it [hard to find anything on when Jill Biden either left that position voluntarily, or was perhaps forcibly removed?](#)

Hmmmm I think the brave Guatemalan Attorney General [María Consuelo Porras Argueta](#), as she investigates the fraudulent June 2023 Guatemalan election of “President” [Bernardo Arévalo](#), in spite of her being sanctioned for “corruption” by the [fraudulently elected Biden-Harris junta](#), would beg to differ! As would [Diego Sagastume Vidaurre](#), a [Guatemalan lawyer of 15 years](#), who, out of citizen curiosity, decided to investigate data from [Guatemala’s TREP](#) [Transmisión de Resultados Electorales Preliminares – Transmission of Preliminary Election Results]. His curiosity subsequently reported more than one surprise and findings that not only point to just over a million and a half irregularities, but are part of lines of investigation already carried out by the Public Prosecutor’s Office (MP).

To which now segues conveniently into addressing the leftist-trope of “Trump election deniers”, as to [why was it OK for the corrupt global legacy media to promulgate the Trump Russia-Gate Hoax of 2016 election interference](#), but suppress [the overwhelming evidence of electoral fraud in 2020?](#) To which the [Democrat perpetrated fraud of the November 2020 Election](#), deeply pertains to the

credibility of the [fraudulently elected Biden-Harris junta](#) in their dispute and sanctioning of the brave Guatemalan Attorney General [María Consuelo Porras Argueta](#), which to reiterate, is as she investigates the fraudulent June 2023 Guatemalan election of [“President” Bernardo Arévalo](#).

While according to the Cybersecurity and Infrastructure Security Agency (CISA) in the wake of the 2020 election, it was the “most secure election in US history,”⁶¹ it was in the following month of December 2020, a nationwide hack, going back months of US computers using the Solar Winds platform, was revealed.⁶² When Trump mentioned the possibility that the Dominion voting machines may have been breached during the election, Dominion were quick to deny ever using Solar Winds.⁶³ The thing is, even though the Solar Winds logo is no longer present on the Dominion login page,⁶⁴ it was still visible from an archived copy dated December 14, 2020.⁶⁵ Hence, making a mockery of CISA’s claim back in November 2020, that they delivered the “most secure election in US history.”⁶⁶ Moreover, Dominion was then a member of CISA’s Election Infrastructure Sector Coordinating Council!⁶⁷

Moreover, on November 19, 2020, the head of Dominion John Poulos, cancelled at the last minute a planned appearance at the Pennsylvania House of Representatives hearing. The following day, Eric Coomer, the Dominion’s director of product strategy and “security”,⁶⁸ and a deep admirer of the violent anarchist and leftist Antifa⁶⁹ and Trump hater,⁷⁰ disappeared and his biography on Dominion’s website was removed. Suddenly, with world focus on Dominion and voting fraud, Dominion’s offices in Toronto and Denver closed, and over one-hundred of Dominion’s employees, one-third of their workforce, including all in Serbia, had their Linked-In accounts deleted.⁷¹

And in this light, how suspicious is UBS Securities LLC, on October 8, 2020, less than four weeks before the election, arranging a private placement of \$400 million with Staple Street Capital — the parent company of Dominion,⁷² co-run and founded by Joe Biden’s brother-in-law Stephen Owens?⁷³ According to Bloomberg, three of the four board members of UBS Securities LLC at the time (but not since mid-December 2020) were Chinese,⁷⁴ with at least one of them appearing to reside in Hong Kong.⁷⁵ This prompted Joshua Philipp in his documentary to raise the question; had the CCP, less than a month before the US election, purchased Dominion Voting? And, as raised by *The Jewish Voice*; is Dominion connected to CCP money?⁷⁶ These questions become all the more compelling, when shortly after the election, all information pertaining to Staple Street Capital’s founders and their investment portfolios, including their relationship with Dominion, was removed.⁷⁷

And in an unprecedented move, late on election night in Wisconsin, Michigan, Pennsylvania, North Carolina, Georgia and Nevada, counting stopped with Trump well ahead — only to resume hours later in the early morning, when sudden inexplicable and huge surges for Biden ensued.⁷⁸ At Farm Arena in Fulton County Georgia, the most damning and indeed direct evidence was video footage from that night, heard by a Georgia Senate Judiciary Subcommittee hearing in early December 2020.⁷⁹ At around 10:30 p.m. on election night, a woman can be seen addressing the multiple Republican election observers. Soon afterwards the Republican observers and media staffers left. About one-and-a-half hours later, as I returned home from work at 3:15 p.m. in Brisbane Australia, which was just after midnight on the US east coast, I heard on *The Epoch Times* YouTube channel, that counting at Farm Arena had ceased owing to a burst water main flooding the building. This later turned out to be just a toilet leak,⁸⁰ which was consistent with the video footage, that had not shown any evidence of flooding.

Soon after the Republican observers and media crew left, multiple large black cases were pulled from under tables. These cases were previously concealed due to large black table cloths covering the tables down to the floor. The cases were hauled several metres to desks with Dominion voting machines, whereupon, ballots from these cases were then inserted into the machines. This process

was continued until 12:55 a.m.,⁸¹ and would have continued beyond that, if not for the fact, that when Republican observers arrived at the central tabulation centre, after leaving Farm Arena, they heard from a news crew staffer, counter to what they had been told when leaving the Arena, that counting was still taking place!⁸²

In the two or so hours that this questionable counting took place, it's estimated that 18,000 ballots were processed, which alone is way above Biden's official winning margin of less than 12,000 in Georgia.⁸³ In other words, if one subtracts this questionable count of ballots, caught on video, from around 11 p.m. until 12:55 a.m. on the night of November 3-4, 2020 at Farm Arena, from Biden's official vote count for Georgia, Trump is the winner in Georgia, not Biden! Facebook "fact" checkers *Lead Stories*, funded by Chinese owned *Tik Tok*,⁸⁴ contrived the implausible story that the Republican observers and media left voluntarily, knowing that "counting" would continue after they left at 10:30 p.m.⁸⁵ Moreover, the *Lead Stories* spin-doctoring, as alluded to by *The Epoch Times* reporter Joshua Philipp,⁸⁶ focuses inordinately on Jackie Pick, the presenter of the video footage to the Georgia Senate Judiciary Subcommittee, calling the black cases "suitcases" when they are supposed to be "the standard container used for the ballot counting process."⁸⁷ Of course, such an inconsequential fact has no fundamental bearing on this issue. Curiously, in February 2021, the Fulton County Board voted to fire their elections director Richard Barron.⁸⁸

As one final point in regard to the fraudulent 2020 Election, was the suppression of the [legitimate October 2020 Hunter Biden laptop story](#) as grossly implausible [Russian disinformation](#), of which it seems, the majority of Americans voting for Joe Biden, would have with truthful coverage of the Hunter Biden laptop, flipped their votes to Trump. Moreover, "[Pravda on The Hudson](#)" – *New York Times*, [admitted the story was legitimate 17 months later!](#) And, in a July 2023 U.S. House Committee hearing, Emma-Jo Morris, former New York Post Editor, [could not help but laugh while recalling the ludicrous "Russian Disinfo"](#) reasoning behind the censorship of the bombshell [Crackhead] Hunter Laptop Story! To which it is worth noting that a FREE PDF copy of the Crackhead Hunter laptop hard drive has been made available online by a young, diligent and patriotic researcher Garrett Ziegler on his website at <https://media.marcopolousa.org/pdf/Report.pdf>.

And in further regard to [Attorney General María](#) investigating Guatemalan corruption seemingly linked to the [fraudulently elected Biden-Harris junta](#), is her ongoing investigation of [212,000 missing Guatemalan children](#), [From 01:16:30] out of a country of 18 million, that have "disappeared" in the last four years! A period coinciding with the term of the [fraudulently elected Biden-Harris junta](#)! As does indeed, [Diego Sagastume Vidaurre](#), as he stated in his [recent interview on December 23, 2024](#).

To which, let us look at the figure of 212,000 Guatemalan children missing in the last four years. Guatemala has a population of just under 18 million, of which one could reasonably assume would be made up of 6 million under 18 years of age. Dividing 212,000 by 6 million, means 3.5% of Guatemala's youth, or one in 28 children, is being trafficked. If this was happening to US youth, assuming a total population of 340 million, and an under-18 population of 110 million, this would amount to about 3.85 million children! **I repeat; 3.85 million children!**

I understand Ruggero, you and indeed your cousin Tobias Bonhoeffer, would feel compelled ideologically to put your trust in the word of the [fraudulently elected Biden-Harris junta](#), in sanctioning [Attorney General María](#), and thus, in your eyes, rendering the word of [Attorney General María](#), null and void. To which I imagine, you would perceive of [Attorney General María](#) and [Diego Sagastume Vidaurre](#) as:

“... violent right-wing extremists, xenophobes and threats to the rule of law and democracy?”

On the other hand, as is the case with the [CCCS](#) and [COVID-jab](#) scams and the [fraudulent 2020 election](#), I look at the evidence I have presented to you, and as such, my trust in the purveyor of these scams and the almost non-existent US Southern Border, facilitating massive child trafficking; namely the [fraudulently elected Biden-Harris junta](#), is non-existent.

Hence, on the evidence based credibility stakes, the word of [Attorney General María](#) and [Diego Sagastume Vidaurre](#), wins hands down.

And further to which I ask you;

Are you for or against the agenda of [Donald Trump and his appointed Border Czar Tom Homan](#) from day one of his duly landslide elected administration, to find those [missing 320,000 children](#), made so under the malevolent policies of the [fraudulently elected Biden-Harris junta](#)?

I think your Great Uncle Dietrich would agree, this is a question you must ponder and decide. Essentially, should you answer to God ... or Godless Satanic and seemingly invincible Globalist Overlords, as arrogant as they are stupid in the spirit of Romans Chapter 1 darkened hearted fools, committed to destroying Christianity and thus in turn, GOD? Think hard Ruggero, and consider whom John in Revelation Chapters 20-21 says will win!

Because, the unelected One World Government of the ostensible “glorious utopia of man”, but in truth, the ultimate manifestation of the Globalist Dystopian Trinity of Romans Chapter 1 darkened hearted fools, I can assure you, [is NOT the will of God and his sacred Trinity of the Father, Son and Holy Spirit!](#) As such, it will never come to pass. [As I quote from byfaith.org:](#)

“Yes ... [many WOKE theologians \[such as Jorge Mario Bergoglio\] claim God wants open borders](#), but they ignore biblical context and misquote Scripture, trying to make the Bible say something that makes them look [or feel] good. Moses, representing the Old Testament law and Paul, representing the New Testament, both agree that borders are ordained by God.

‘When the Most High divided their inheritance to the nations, when He separated the sons of Adam, He set the boundaries of the peoples according to the number of the children of Israel.’

– Deuteronomy 32:8

In the ancient world, sacred texts show that countries or empires had borders and recognised citizens, non-citizens, visitors and resident aliens. Each people acknowledged the importance of obtaining permission to reside in a foreign land, and understood the rights and responsibilities of living in someone else’s nation. The Bible addresses borders at least forty-three times.

‘From one man He made all the nations, that they should inhabit the whole earth; and He marked out their appointed times in history and the boundaries of their lands.’

– Acts 17:26”

Moreover, [no less poignant for you to note, is the July 10th 2024 press release](#) by [Republican Senator Ron Johnson](#) of Wisconsin:

“On Tuesday [July 9th 2024], U.S. Sen Ron Johnson (R-Wis.), member of the Senate Homeland Security and Governmental Affairs Committee, participated in a roundtable titled, [“The Exploitation Crisis: How the U.S. Government is Failing to Protect Migrant Children from Trafficking and Abuse.”](#) Sen. Johnson [called out the Biden administration](#) for failing to protect migrant children at the border who have been exploited and abused due to the inhumanity of this administration’s open border.”

I shall now conclude with the most poignant messages from two brave people now living in America, who have fled communism. Of whom, would you be inclined to label as:

“... violent right-wing extremists, xenophobes and threats to the rule of law and democracy?”

Well; perhaps they are a threat to the American “Democracy” that embodies the [fraudulently elected Biden-Harris junta](#), but [NOT to the American Constitutional Republic of Benjamin Franklin and his fellow American Founding Fathers?](#)

Firstly, **Dr. Nal Oum, the father-in-law of [Joshua Philipp](#) and a survivor of the 1970s Killing Fields of the Khmer Rouge despot and mass-murderer [of one-quarter of his people](#); Pol Pot**, who was interviewed by [The Epoch Times Senior editor Jan Jekielek in May 2022](#), the latter of whom’s [father-in-law survived the Holocaust](#). The [final thirteen minutes from Nal Oum](#) is especially chilling and a dire warning, in regard to the Marxist mindset, to someone like you seemingly oblivious to the threat to Western civilisation from the WOKE Cultural neo-Marxist radical-left.

And finally, Xi Van Fleet; a witness to Mao Zedong’s 1966-76 Cultural Revolution, who like Nal Oum, sees the same threats to America and the West in general, via the insidious and toxic WOKE Cultural neo-Marxist dialectical philosophy. In answering Jan Jekielek’s question in his October 2023 interview, in regard to commonality between Mao’s Cultural Revolution, and the WOKE indoctrination of children in America today, Xi Van Fleet, who spoke out at the WOKE Loudon County Virginia School Board in regard to its indoctrination of students with [racist Critical Race Theory in June 2021](#), put it as follows:

[“In Mao’s China, it was very simple. From a very early age and in kindergarten, we were taught that our parents are just biological parents.](#) Our real parents are the party and Chairman Mao. If there’s a conflict between choosing between your own parents or the party, you should always, but always choose the party.

That’s basically what the Red Guards did. Many of them denounced their parents. Many of them reported their parents and they ended up with their parents being executed. Here in school, especially today, you are supposed to go to trusted adults, not your parents. They did not say that in the party, but it is very similar. They want to cut the ties between the parents and the children. Why? That’s how you control the children.”

And from the [description of Dr. Ben Carson’s November 2023 interview with Xi Van Fleet](#):

“Her warning to America is clear: the encroachment of communism is real, and its consequences are dire. It is crucial to recognise the erosion of individual freedoms, the suppression of free thought, and the manipulation of education as signs of a dangerous ideology taking hold. [As she recognised for example at the [WOKE Loudoun County Virginia School Board meeting in June 2021](#) – [but you did NOT in your October 2024 co-](#)

[signed letter](#).] Only through vigilance and a commitment to preserving liberty can America avoid the fate that befell China during the Cultural Revolution.”

.... of which, in concert with the Sturmabteilung of the crumbling Weimar Germany of the early 1930s, [the American 2020 Summer Riots embodied in chillingly historic parallel!](#) As such, the testimonies of Nal Oum and Xi Van Fleet, must NOT be lightly dismissed, as one should rightly do so with dubious narratives spewed forth by our corrupt global legacy mainstream media, in concert with politicians, scientists and “experts” in general, beholden to the nefarious Marxist-Globalist agenda, dedicated in undermining the fundamental rights, freedoms and liberties of our Western Civilisation, that we have come to take, in an all too prolonged apathy and complacency, for granted.

In part, believing that as mere commoners or Plebeians, we surrender our right to think to experts; such as nefarious individuals like [Anthony Fauci](#) and [Tedros Adhanom Ghebreyesus](#) [Search for “Fauci” and “Tedros”], and likewise nefarious globalist entities like the [Intergovernmental Panel On Climate Change](#) (Search for “IPCC”), all of whom and which, with just the modicum of research outside of the mainstream globalist echo chamber, have nothing to do with serving our best interests, but rather, the objective of global tyranny to serve their collective demonic addiction for inexorable power.

Of which, the still recent [late-September 2024 disaster of Hurricane Helene which devastated Western North Carolina and Eastern Tennessee](#), **further exemplifies with the abject dereliction of duty by FEMA – Federal Emergency Management Agency**, and the pathetic but yet still conditional Federal government handouts of just \$750 for some of the victims, while still making available, bottomless “quantitative eased” funds for illegal alien immigrants – but again, not for the victims of Helene. Of which I put to you:

“Is it because that helping the victims of Helene, does not align with the [Cloward-Piven strategy](#) to sow chaos and division, for [ultimately greater dependence on government](#), while bottomless “quantitative eased” funds for illegal alien immigrants, [most certainly does](#)?

I imagine your [cow-flatulent-CCCS-driven](#) agenda would demand that this disaster is further “evidence” of anthropological Catastrophic Climate Change, driven by the demonised atmospheric trace-gas of life that is Carbon-dioxide.^{xi} However, when one considers that this disaster took place [thousands of feet above sea-level in the southern Appalachian Mountains](#), where the [vast majority of the people never even conceived of the need for flood insurance](#), does not weather manipulation deserve consideration? Especially given as is documented in:

REPORT OF THE CONFERENCE OF THE COMMITTEE ON DISARMAMENT

[VOLUME I GENERAL ASSEMBLY OFFICIAL RECORDS: THIRTY-FIRST SESSION SUPPLEMENT No. 27 \(A/31/27\) UNITED NATIONS New York, 1976](#)

As held from 17 February to 22 April and from 22 June to 3 September 1976 ...

... as follows from page 92:

“It is the understanding of the Committee that the following examples are illustrative of phenomena that could be caused by the use of environmental modification techniques as defined in article II of the Convention: earthquakes; tsunamis; an upset in the ecological balance of a region; **changes in weather patterns (clouds, precipitation, cyclones of**

xi Ruggero, are you aware of what happens if atmospheric CO2 levels drop below 150 parts-per-million?

various types and tornadic storms); changes in climate patterns; changes in ocean currents; changes in the state of the ozone layer; and changes in the state of the ionosphere.

It is further understood that all the phenomena listed above, when produced by military or any other hostile use of environmental modification techniques, would result, or could reasonably be expected to result, in widespread, long-lasting or severe destruction, damage or injury. Thus, military or any other hostile use of environmental modification techniques as defined in article II, so as to cause those phenomena as a means of destruction, damage or injury to another State Party, would be prohibited.”

Moreover, the 1971 US House of Representatives bill H.R.6893 - [An Act to provide for the reporting of weather modification activities to the Federal Government](#), which became Public Law No. 92-205 on December 18th, 1971.

Moreover, as if to further confirm the poignancy of the [title of Norman Rogers' book *Dumb Energy*](#), it was back in February of 2023, just two months before the Hunter Valley Liddell coal-fired power station, about 170 kilometres north of Sydney was closed in blind homage to the CCCS, Senator John Neely Kennedy, Republican of Louisiana, briefly but very revealingly grilled two esteemed Climate Change experts; Dr. Robert Litterman, Founding partner Kepos Capital Chair, Climate Related Market Risk Subcommittee U.S. Commodity Futures Trading Commission and Dr. Douglas Holtz-Eakin, President of The American Action Forum.⁸⁹ Here is how three-and-a-half minutes of this exchange unfolded:

Senator Kennedy: Dr. Litterman, how long have you been studying climate change and possible solutions?

Dr. Litterman: Studying? Well I was head of risk management at Goldman Sachs. I didn't worry too much about climate change at that time.

Senator Kennedy: Just give me the number of years if you would.

Dr. Litterman: How many years? Let's say fifteen.

Senator Kennedy: And how about you Dr. Holtz-Eakin?

Dr. Holtz-Eakin: About twenty-five.

Senator Kennedy: Dr. Litterman, how much would it cost to make the United States of America carbon neutral by 2050.

Dr. Litterman: I don't know sir.

Senator Kennedy: So you are advocating we do these things but you don't know the ultimate cost?

Dr. Litterman: Yes absolutely. I certainly don't know the ultimate cost. It's very uncertain. It depends on ... innovations ...

Senator Kennedy: I'm just trying to lay an foundation here to understand your expert testimony. Dr. Holtz-Eakin, do you know how much it will cost to make the US carbon neutral by 2050?

Dr. Holtz-Eakin: It depends on how you do it. If we do it on the Federal budget, it will be super expensive.

Senator Kennedy: Public and private dollars. It's ultimately private dollars anyway.

Dr. Holtz-Eakin: Yeah I agree.

Senator Kennedy: So how much?

Dr. Holtz-Eakin: You are going to look at \$50 trillion. [Yes, I repeat, 50 trillion dollars!!!]

Senator Kennedy: If we make the United States of America carbon neutral by 2050, by spending 50 trillion dollars, ... which you are advocating I gather ...

Dr. Holtz-Eakin: No.

Senator Kennedy: OK. Then strike that last part. I'm wrong. You are not advocating ... although you are advocating something. [Smiles]

Dr. Holtz-Eakin: If you are going to do something, do something smart. That is what I advocated. [Something smart, would be to admit what a [SCAM SCAM SCAM](#) the Catastrophic Climate Change SCAM is!!!]

Senator Kennedy: If we spend 50 trillion dollars to make the United States of America carbon neutral by 2050, how much would that lower world temperatures?

Dr. Holtz-Eakin: I can't answer that, because I do not know what China, India and the rest of the world has done.

Senator Kennedy: Had you heard anything from the Biden administration saying how much it would lower world temperatures?

Dr. Holtz-Eakin: No.

Senator Kennedy: Does anybody know how much it won't lower world temperatures? ... No?

Dr. Holtz-Eakin: No one can know for sure.

Senator Kennedy: Ok. Dr. Litterman ...

Dr. Litterman: Yes ...

Senator Kennedy: If we spend 50 trillion dollars or however much it takes, to make the United States carbon neutral by 2050, how much would it lower world temperatures?

Dr. Litterman: Senator, that depends on the rest of the world ... We have to work with the rest of the world. We are in this together. It's one world. We can't build a wall around the United States and say ...

Senator Kennedy: What if we spend 50 trillion dollars, Europe cooperates, most Western democracies cooperate, but India and China don't, how much would our 50 trillion dollars

lower world temperatures?

Dr. Litterman: We are in this together, Senator, we have to get the world to work together ...

Senator Kennedy: I get that. How much would it lower world temperatures?

Dr. Litterman: If China and India do not help?

Senator Kennedy: Yes.

Dr. Litterman: I don't know.

But let's still spend 50 trillion dollars anyway and [hope a mass-murdering genocidal communist regime will eventually cooperate with us on this Catastrophic Climate Change Scam \(CCCS\)!!](#) [See pages 2 to 3] Of which, there is no guarantee such bankrupting economic wrecking ball measures, would make any difference to global temperatures, and thus by the dubious demonising CO2 logic of the CCCS, not make one iota of difference in preventing catastrophic disasters like Hurricane Helen – even if India and China co-operate.

Fair dinkum!! We live on planet CLOWN!! Or, is the idea of America bankrupting its economy with a 50 trillion dollar CCCS economic wrecking ball, [a major step in implementing the aforementioned Global Great Reset?](#)^{xii}

Hence, how I now heed the words I heard some years ago from Dr. Robert Malone:

“Just because you are not an expert, does not mean you forfeit your right to think critically.”

To which, given the preponderance of nefarious “experts” beholden to the Globalist agenda of the UN, Klaus Schwab’s World Economic Forum, and the transhumanist sociopath that is Yuval Noah Harari, I concur with Dr. Robert Malone as follows:

“[So, you are an expert? So then, what is your agenda?](#)”

Yours sincerely

73 <https://money.yahoo.com/fact-check-no-joe-bidens-180145435.html>. Note; the fact-check article by the global MSM mouthpiece Yahoo, emphasises in the headline that Biden’s brother-in-law Stephen Owens does not own Dominion. However, it later admits the following: “Dominion Voting Systems is part-owned by Stephen Owens, who co-runs the private equity firm Staple Street Capital. Staple Street Capital and Dominion’s management team acquired Dominion in 2018, according to a news release.” Curiously, the beginning of this sentence contradicts the headline. 74 The company involved in the transaction was New York based UBS Securities LLC. Initially my listed source was <https://www.bloomberg.com/profile/company/5766Z:US>. At the time of transaction, three of the four board members of UBS Securities LLC were originally from China, with one still residing in Hong Kong. NOTE: Contrary to what mainland Chinese companies like Huawei assert, if the Chinese Communist Party (CCP) demanded they hand over network data, they would be compelled to do so because of espionage and national security laws in the "People's" Republic of China. See <https://www.cnbc.com/2019/03/05/huawei-would-have-to-give-data-to-china-government-if-asked-experts.html>.
