Subject: Question on Benjamin Netanyahu and my comments on I imagine your hero; the Washington DC Episcopalian Bishop Mariann Edgar Budde.

Dear Gentleman

After watching Glen Beck's interview of Eric Metaxas on November 24, 2024 at:

<https://www.youtube.com/watch?v=hPOyq7rsPzc>

and hearing Eric Metaxas' comment on you from 55 minutes, in relation to HAMAS; I am most curious as to what your answer would be to the following question:

“If Benjamin Netanyahu landed in Germany, do you think, in line with the order from the International Criminal Court, German authorities should arrest him?”

To which, I think you will find the following on the [ICC Chief Prosecutor Karim Khan](#), most poignant:

If you do indeed support the arrest of Benjamin Netanyahu, I suggest you read the following article by Jonathan Tobin; editor-in-chief of the Jewish News Syndicate:

[Zero tolerance for empty words of Holocaust remembrance](#)

In particular, I think his following words written on January 26, 2025 – the day before the 80th anniversary of the liberation of Auschwitz, ring most poignantly true as they evoke Matthew Chapter 7 verse 3:

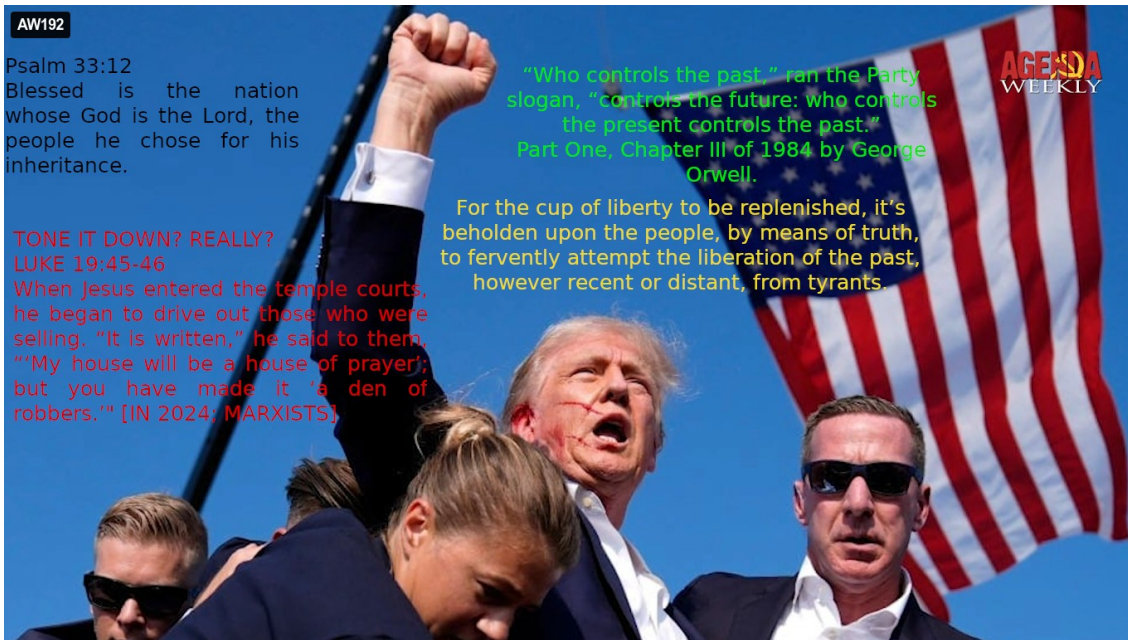

“This is just another example of how much of the world likes dead Jews but is utterly intolerant of live ones, who are prepared to fight for their rights and their existence.”

I have also attached [my January 3rd message to you all again](#), but as well, [my message to Washington DC Episcopalian Bishop Mariann Edgar Budde](#) and my comments on her [January 21, 2025 Biblically bastardized Cultural neo-Marxist WOKE sermon](#) to undermine the legitimately elected Presidency of Donald J. Trump and promote the Globalist agenda of unelected bureaucrats of the [World Economic Forum and its strategic partner the United Nations](#).

Invariably, you all get a prominent mention, so I thought you [would be most curious to read it](#).

All the best and God Bless

Vince Barwinski

I think Donald J. Trump's bravery inexorably exceeds any superficial bravery of I imagine your hero; the WOKE Cultural neo-Marxist Washington DC Episcopalian Bishop Mariann Edgar Budde!
