Dear People of the World,

A lot of people, know the TRUTH, but truth alone will not give you FREEDOM. You also need COURAGE. This is where my father MARIAN'S example comes in. [PLEASE look at the website sub-sections, including QUOTES, RECOLLECTIONS, ETC.](#)

I want people to realise you don't need to be a young strong man. You can be a child like MARIAN was during World War II, to an elderly person and have the courage to stand up for truth and freedom. We need UNITY to stand up to current and future tyranny. I want people to be inspired by MARIAN'S example and to actually look at ALL the sub-sections and not waste his example. [DON'T WASTE IT.](#)

Back in September 2024, upon recommendation from my mate Vince in Brisbane, Queensland, Australia, I obtained a [huge Freedom of Information document](#)¹ [Search for "[Molnupiravir](#)"² AND "[REMDESIVIR](#)"³]; which reveals it seems, a fundamental violation of the Hippocratic principle "*in doing no harm.*" In particular, the administering to Marian by Melbourne's Alfred Hospital of the [dangerous drug Molnupiravir](#).⁴ Moreover, while not appearing to be administered, another dangerous drug called [REMDESIVIR](#)⁵ (Known colloquially as "**run death is near**"), which likewise was proclaimed as dangerous by many brave dissident medical professionals who appeared at Republican Senator Ron Johnson's "[COVID A Second Opinion Conference](#)"⁶ in Washington DC on Monday the 24th January 2022, was listed as a legitimate drug on Marian's treatment schedule.

Here in the city of Melbourne, Victoria, Australia, where I live, medical staff including doctors, nurses, ambulance staff, as well as fire brigade and police, who did not get the so-called COVID vaccine, can't go back to work, even now. What about getting justice for all the people killed and injured by the jab, all the families, torn apart as well as the all the injustices over the past five years etc. Issues like this are world wide. MARIAN already knew how the world really worked, back in the 1940s. Use MARIAN'S example to help UNITE people. [SHARE HIS WEBSITE.](#) It needs to reach millions to help make our world a better place for all of us. We need your help and the help of everyone you know.

Thank you

Andrew Vagner

P.S.: WE NEED MORE THAN PRAYERS

NOTE: On Saturdays, Freedom Fighters use to walk around the city when we had larger numbers.

So NOW, we got to BURKE ST MALL at the corner of Elizabeth (near large purse sculpture) and watch most people numbering in thousands, going to shops, cafes, on/off trams – most ignore us. We are in the mall for their benefit and your benefit. We are here for everyone's benefit. Some of the people walking past us, verbally abuse us. Too many people are apathetic, lack courage, don't care, are in self-denial, and are lost. I believe if large numbers of people looked beyond MARIAN'S newsletter, and bothered to look at the sub-sections-quotes, recollections, etc, links to other sites, would press on the truth grenade.

TOGETHER, WE CAN IMPROVE THE WORLD!

WE NEED PEOPLE POWER!
