Subject: Why I question your and Dan Andrew's honouring on the recent King's Birthday Honour's List.

Dear Professor D'Onise

I am writing to you to express my objection at you being honoured in the June 2024 King's Birthday Honour's List, which is much in the vein of my objection to the likewise awarding of the former Victorian and [Maoist Premier Dan Andrews](#), in implementing his [draconian COVID lockdowns – the most oppressive and drawn out in the world](#), and likewise draconian COVID-jab mandates in their wake. Measures of course that have proven to be of no substantive value, but rather, have left death and destruction of human lives in their wake.

I noticed in your 2023 paper titled [Population health challenges and evaluative thinking: Rapid responses in the time of COVID-19](#), co-authored with Katherine Pontifex, that its core theme was the “COVID-19 Vaccine Hesitancy Project.” Given the litany of death and injury that has become synonymous with these “vaccines”, which I shall henceforth simply refer to as “jabs”, including the [growing global litany of excess deaths](#), [*this article was Ground Zero for excess deaths*] [eerily corresponding with the rollout of these jabs in December 2020](#), I find this horrifying. Likewise being your recent awarding of being among those mentioned on the recently published King's Birthday Honour's List.

The global horror story of death and maiming that has defined these jabs, I documented with more than abundant sources in my [August 2023 Submission](#) against the Marxist Federal Government's [Communications Legislation Amendment \(Combating Misinformation and Disinformation\) Bill 2023](#).

To cover all points in relation to the [Nuremberg Code violating](#) jabs that I documented in my 54 page August 2023 Submission, that is a thoroughly and meticulously researched expose of the litany of lies that defines the nefarious Globalist agenda that you have sold your soul to, would not of course, be possible in this letter. However, I will present a small subset of them here.

Firstly, there was no need to have these Dangerous, Ineffective and Expensive (DIE) and chronically under-tested jabs manufactured in the first place. There was a plethora of Safe, Effective and Cheap (SEC) early treatments available, such as the [Nobel Prize winning ivermectin](#) [**And no! Ivermectin is not just a horse drug!!**] and [hydroxychloroquine](#), that numerous world renowned doctors such as Doctors Robert Malone, Peter McCullough, Paul Merrick, Harvey Risch, Pierre Kory, Richard Urso, Christina Parks, Mary Boden, Harpal Mangat, Aaron Kheriaty, David Wiseman, Jayanta Bhattacharya, Martin Kulldorff, Peter Alexander, Geert Vanden Bossche, Dr. Ben Marvel and the late Dr. Vladimir Zelenko, of Ukrainian Jewish descent, attested to. Most of whom appeared at conferences convened by the US Wisconsin Republican Senator Ron Johnson – namely in the five hour [COVID A Second Opinion Conference](#) in Washington DC on Monday 24th January 2022 and eleven months later in the [COVID-19 Vaccines: What They Are, How They Work, Possible Causes Of Injuries](#) in Washington DC on December 7th, 2022.

To which I ask you, in the spirit of the above brave dissident medical professionals and those who signed [The Great Barrington Declaration](#):

“How is your opinion and the opinion of anyone of your Globalist-complying-ilk, more valid than those among the brave dissident doctors I just mentioned above???”

The self-evident answer being of course; **“They, and of yourself, are not!”**

Secondly, my justification in not referring to the COVID-19 jabs as so-called “vaccines,” is because the Big Pharma jabs, are only “vaccines” by virtue of the American CDC dramatically watering down the definition of “vaccine” still standing on September 1st 2021:

“A product that stimulates a person’s immune system to produce immunity to a specific disease, protecting the person from that disease.” [*Thank goodness for the good old WayBack Machine!*]

... to merely a cop-out narrative crumbling definition the following day of September 2nd 2021:

“A preparation that is used to stimulate the body’s immune response against diseases.”

And just nine days later, the irony of a local Detroit American Bolshevik Collective (ABC) network in a September 11, 2021 Facebook post requesting people to share their stories of beloved unjabbed that had died. Naturally, they wanted to make a big story of what they hoped would be a huge scoop for their pro-jab narrative. But what happened next was totally unexpected. In the following five days, over **200,000 (!) people** posted comments, **but not about unjabbed beloved ones** – rather about **jabbed loved ones** that died shortly after being injected, **or were permanently disabled!** The **200,000 comments** revealed a shocking death-wave among the population, and the heart wrenching suffering these jabs are causing.

Moreover just four months later, in early January 2022, U.S. District Judge Mark Pittman, ruled that the U.S. Food and Drug Administration (FDA) would not have 75 years [**yes I repeat; 75 years!**] to release thousands of pages of documents it relied on to license the Pfizer COVID-19 jabs. Instead, the federal agency was given just over eight months to do so. Of course, as to why in this universe the FDA claimed they required 75 years to release its documentation to license the Pfizer COVID-19 jabs, can only be reasonably seen as nefarious. To which, in stating the glaringly obvious, am I, in the spirit of the *Communications Legislation Amendment (Combating Mis-Dis-Mal information) Bill 2023*, guilty of promulgating mal-information? [*Information that is true but not compliant to the Globalist narrative you have sold your soul to serve.*] And is it also mal-information when I reveal to you that the documentation released by the FDA was damning for Pfizer and so by natural logical extension, the FDA?¹ [Naomi Wolf, whose grandmother lost nine siblings in the Holocaust](#), and has had her team read the reams of very reluctantly released reports, indeed, reports as such.

As a proud anti-DIE-jabber, I never took these tainted jabs, to which our mega-corrupt Globalist Institutionalised Fake News (GIFN) has dubbed such people as myself, simply for being aware of our inalienable and God-given rights, as **“Nazis” [National Socialists]**. The thing is, these pretentious and obsequiously compliant sycophants, have ZERO idea what Fascism or National Socialism is. Let me explain.

After years of studying Communism and National Socialism, and viewing with my own eyes, almost two metric tons of human hair at the Auschwitz Concentration Camp Museum in Poland in mid-2005, I do not require an agenda driven pack global media, masquerading as diverse free media, telling me what’s far-right. On the other hand, feigned incognisance of far-left accountability

by GIFFN reporters, [literally amidst the burning and devastation](#) [**must watch three minute video**] of the [American 2020 summer riots](#) [*Read especially from the bottom of page 7 to page 9 – this is straight from the radical Marxist horse's mouth!*], claiming that such “protesters” were mostly peaceful, is breathtaking.² As is their synonymous and inexorable hypocrisy!

Moreover, when one references Benito Mussolini's definition of Fascism as follows:

[“Fascism should more appropriately be called Corporatism because it is a merger of state and corporate power.”](#)

... implies that your COVID-jabs are nothing less than the embodiment of **Medical Fascism** – as practised by the [Auschwitz Angel of Death; Josef Mengele](#),³ of whom [twin children were his favourite subjects](#).⁴ To which by natural logical extension, implies the sycophantic mainstream media and your ilk amidst **the Global Medical Industrial Complex, in promoting the elimination of “vaccine hesitancy”, as the Fascists rather than unjabbed people such as myself**, more than aware of our immutable birth rights bestowed upon us by Almighty God himself.

Rights, I am certain that the the Father-in-law of the [brilliant Epoch Times Investigative journalist Joshua Philipp](#), would likewise see as sacrosanct. He being **Dr. Nal Oum, a survivor of the 1970s Killing Fields of the Khmer Rouge despot Pol Pot**, who was interviewed by The Epoch Times Senior editor Jan Jekielek in May 2022 [[Jan's father-in-law survived the Holocaust](#)]. [To which, I highly recommend you listen to its final thirteen minutes!](#)

One thing I love about The Epoch Times; is that they know Communism! And its modern-day evolved variant of **Global Socialism => Globalism => The Dystopian Trinity of Marxism, Fascism and Crony Capitalism** – of which you have sold your soul to! To which Klaus Schwab, the founder of the [UN strategic partner the World Economic Forum, since June 2019, just months before the outbreak of the COVID pLandemic](#),⁵ sanitises the “Crony Capitalist” aspect with his euphemistic catch-cri; “Stakeholder Capitalism.” Paradoxically at first, Klaus Schwab, whose [father Eugen was a member of Hitler's National Socialist Party, and used slave labour and Allied prisoners of war](#), as well as producing key technologies for the production of atomic bombs for Adolf Hitler,⁶ has a bust of the [Bolshevik leader of the 1917 Russian Revolution; Vladimir Lenin in his private library](#).⁷ However, when viewed through the revealing lens of the Dystopian Globalist Trinity of Marxism, Fascism and Crony Capitalism, this is hardly surprising!

To which, the Fascist-Crony-Capitalist-Stakeholder-Capitalist aspect of the Globalism you have acquiesced to, is poignantly epitomised when Senator Ron Johnson, at his [COVID A Second Opinion Conference](#) in Washington DC Monday 24th January 2022, stated the following:

“From the CDC [**Yes, even the MEGA-corrupt American CDC admit this!!**]:

Ages 0 to 17 years: 20 per million died.

Ages 65 and over: 90,000 per million died.

From John G. Niedus:

Ages 0 to 19 years: 13 per million died.

Ages 70 and over: 40,000 per million died.”⁸

These figures make the vaccinating of children with dangerous and still chronically under-tested jabs, a reckless disregard for children's safety upon the pillar of Big Pharma profit.

To which Senator Johnson then alluded to a report he just received that day, of the tragic and senseless story of a Vietnamese female 9th grader from the northern province of Phu Tho, who got her first Pfizer dose on December 3rd 2021.⁹ After which she experienced dizziness and difficulty in breathing. She was taken to a medical centre where she later recovered. **Nevertheless, in accordance with the global vaccine mass formation psychosis**, on Monday January 17, 2022, just one week before this conference, she had her second jab – despite being in the age group where **about only 20 per million die of COVID!!** Twenty minutes later she experienced tightness in her chest, dizziness, difficulty in breathing and seizures. She received emergency medical treatment on the spot, before being transferred to a district medical centre. On arrival she started to vomit blood, fell into a coma and her heart stopped. She died the following morning of Tuesday January 18, 2022.¹⁰

All this for a 20 in a million chance of dying from COVID-19 and the profits of Pfizer!! Yet, Big Pharma shills will maintain this is pure coincidence and not evidence of death by pseudo-vaccine! In the wake of Senator Johnson's talk, Dr. Merrick alluded to the fact that since kids are 1,000 times more likely to die from riding bicycles than from COVID, we should ban kids from riding bicycles!¹¹ Such is the mass formation psychosis inanity of the jab narrative.

To which, like the late Dr. Vladimir Zelenko, I ask you:

“Are you into child sacrifice to the Canaanite God of Child Sacrifice; Molech?”
