Rashida Tlaib introduces US Congress resolution to recognize Gaza genocide. What do you think of this?

Before I answer your question, let me give you a basic fundamental insight into the WOKE Cultural neo-Marxist and Islamist mindsets, which define the Red-Green (Marxist-Islamist) Axis agenda of Rashida Tlaib. That being for the former [Marxist-Red]:

“The issue is never the issue, but rather the Revolution.”

And for the latter [Islamic-Green]:

“The issue is never the issue, but rather the Jihad toward facilitating the Global Caliphate.”

While it may seem at first, that the atheistic Marxist political ideology and ostensibly spiritual faith, but in far greater degree, political ideology of Islam are strange bedfellows, one must realise they have a common enemy. Namely; Western Civilisation and its fundamental bedrock of Judeo-Christian values. An enemy, likewise common to the Globalist types of George Soros, Bill Gates, the World Economic Forum, Communist regimes such as the Chinese Communist Party, the United Nations and the like. The nefarious UN and pro-Hamas agency of UNRWA, being a most poignant case in point in regard to the Judeo element of Western Civilisation, given UNRWA's indoctrination of Palestinian school children to regard the murder and their “martyrdom” in the killing of Jews, as their ultimate attainment in life. Moreover, UNRWA's involvement in October 7<sup>th</sup>. When one looks at the Israeli-Palestinian issue, a naive West, believe that the Red-Green Axis propaganda of Rashida Tlaib and her ilk, is all about “freeing” Palestine, when in truth, it is a vector towards promoting Global Jihad toward implementing the Global Caliphate. Dhimmitude Britain of Keir Starmer, being a stark and alarming case in point.

To which, I reluctantly use the term “Palestinian”, as there has never been, in the entirety of human history, a Palestinian nation. The term Palestine was in fact, a construct of the ancient Roman Emperor Hadrian in the wake of the 130s AD Jewish Bar Cochba uprising. And the modern-day Palestinians do not descend from the Philistines of King David's time, as they disappeared from the historical record about 5 centuries before the time of Jesus. Moreover, Zuheir Mohsen; the Military Department head of the PLO – Palestinian Liberation Organisation from 1971 to 1979, in an interview with the Dutch newspaper Trouw, on March 31<sup>st</sup>, 1977, stated:

**“There are no differences between Jordanians, Palestinians, Syrians, and Lebanese. We are all part of one nation. It is only for political reasons that we carefully underline our Palestinian identity.... yes, the existence of a separate Palestinian identity serves only tactical purposes. The founding of a Palestinian state is a new tool in the continuing battle against Israel.”** [See page 15 at [https://vincebarwinski.com/wp-content/uploads/2023/11/hamas\\_attack\\_on\\_israel\\_october\\_7th\\_2023\\_and\\_its\\_aftermath\\_11th\\_november\\_2023.pdf](https://vincebarwinski.com/wp-content/uploads/2023/11/hamas_attack_on_israel_october_7th_2023_and_its_aftermath_11th_november_2023.pdf), sourcing <https://www.newspapers.com/article/daily-news-sum/134599859/> AND <https://www.newspapers.com/newspage/484042558/> from the New York Daily News Sunday 19th August 1979.]

Before the early 1960s, given Israel’s miraculous survival in 1948, when the Arab states ganged up to exterminate it in its crib, the West looked at the behemoth of the entirety of the Arab world, always ganging up on little Israel. Then, in the early 1960s, the Soviet KGB conceived the brilliant masterstroke of creating an enemy of Israel smaller than itself. Enter in 1964, the creation of the PLO – Palestinian Liberation Organisation headed by the Egyptian-born Yasser Arafat. Even though, until the Six-Day war in 1967, there was no Palestinian state, as Gaza was then under Egyptian control, and what is today known in the West and the Arab world by the misnomer of the West Bank, but in historical truth, Judea and Samaria, where over half of the Bible took place, was under the control of Jordan.

In other words, from 1948 until 1967, there was no talk of Arab occupation of “Palestinian” Land. In short, NJNN – No Jews, No News! Which one can apply to the fake genocide/famine in Gaza today – <https://vincebarwinski.com/2025/08/09/my-message-to-jewish-american-anti-zionist-propagandist-doctor-mark-perlmutter/> and the real Islamic perpetrated genocide of Nigerian Christians – <https://www.youtube.com/watch?v=SQG10XGxZAc>. And UNICEF in late October/early November 2025, UNICEF reported there was no famine in Gaza – <https://jihadwatch.org/2025/11/it-was-all-a-lie-unicef-data-proves-that-there-was-no-famine-in-gaza>. And in late September, UNICEF reported that armed men (note: they did not say Hamas) stole food meant for 2,700 Gazan children. <https://jihadwatch.org/2025/09/unicef-admits-that-armed-men-stole-food-meant-for-2700-children-in-gaza>. But of course, in the wake of the 1967 Six-Day war, the narrative of Israel ganging up on “poor little Palestine”, was ramped right up, and subsequently amplified no end post October 7<sup>th</sup>, even before Israel fired a shot. Moreover repeatedly, attempts by Israel and the West to facilitate a “two-state solution”, have been constantly rejected. [See pages 5 to 6 at [https://vincebarwinski.com/wp-content/uploads/2023/11/hamas\\_attack\\_on\\_israel\\_october\\_7th\\_2023\\_and\\_its\\_aftermath\\_11th\\_november\\_2023.pdf](https://vincebarwinski.com/wp-content/uploads/2023/11/hamas_attack_on_israel_october_7th_2023_and_its_aftermath_11th_november_2023.pdf)]

Why? Because the ideology of **Palestinianism**, mutually inclusive or synonymous to the Jihadist agenda, cannot permit the existence of even a tiny Jewish state, even if it were just the size of a postage stamp, to exist. Especially given the Arab **CONQUEST** of it in the seventh century.

To which, consistent with **Palestinianism and its progenitor of Islam** not being capable of even allowing a postage-stamp sized Jewish state to exist in the Middle East, in spite of voluminous

archaeological evidence pointing to its Biblical existence, the Quran is replete with verses that can be described only as virulently anti-Semitic. [The number of chapters is too numerous to cite, but a few will suffice](#): Surah 2:75 (Jews distorted the Torah); 2:91 (Jews are prophet-killers), 4:47 (Jews have distorted the Bible and have incurred condemnation from Allah for breaking the Sabbath), 5:60 (Jews are cursed, and turned into monkeys and pigs), and 5:82 (Jews and pagans are the strongest in enmity to the Muslims and Allah). And of course, there is the genocidal Hadith from Sahih Bukhari, 4:52:177, which would make Adolph Hitler proud.

**“The Day of Judgment will not have come until you fight with the Jews, and the stones and the trees behind which a Jew will be hiding will say: ‘O Muslim! There is a Jew hiding behind me, come and kill him!’”** [*I document this Hadith and other violent Quran verses in a five-minute blog-piece at <https://vincebarwinski.com/2025/11/15/islam-a-religion-of-peace-and-its-prophet-the-ultimate-paragon-of-moral-virtue/>*]

Thus, the Arab Muslims had their own “final solution” in store for the Jews already in the 7<sup>th</sup> century. [<https://www.islam-watch.org/authors/125-simpson/474-why-islam-will-never-accept-state-of-israel/>]

The fact that Muslims still point to these (and many other) hateful verses in the Quran and Hadith should give Jews – not just Israelis – pause to consider if there can ever be true peace between Muslims and Jews, let alone between Muslims and Israel. When the armies of Islam occupied the area of Byzantine “Palestine” in the 7<sup>th</sup> century, the land became part of “Dar al-Islam” [*House of Islam*]. Until that area is returned to Islam, [*i.e., Israel’s extermination – as alluded to in the above Hadith as quoted in the Hamas Charter – [https://avalon.law.yale.edu/20th\\_century/hamas.asp](https://avalon.law.yale.edu/20th_century/hamas.asp)*], she remains part of “Dar al harb” [*House of War*]. It now becomes clear that this is a conflict of religious ideology and not a conflict over a piece of “real estate.” [<https://www.islam-watch.org/authors/125-simpson/474-why-islam-will-never-accept-state-of-israel/>]

Moreover, footage from pro-Hamas protests in the West, including my own taken at the Brisbane Australia pro-Hamas rally on August 24<sup>th</sup>, 2025, [[https://vincebarwinski.com/bwg\\_gallery/fakestine\\_rally\\_brisbane\\_sunday\\_august\\_24th\\_2025/#bwg1/48](https://vincebarwinski.com/bwg_gallery/fakestine_rally_brisbane_sunday_august_24th_2025/#bwg1/48)] constantly illustrate how prevalent banners and chants of “From the River to the Sea, Palestine will be free”, with maps on T-shirts [[https://vincebarwinski.com/bwg\\_gallery/fakestine\\_rally\\_brisbane\\_sunday\\_august\\_24th\\_2025/#bwg1/386](https://vincebarwinski.com/bwg_gallery/fakestine_rally_brisbane_sunday_august_24th_2025/#bwg1/386)] of what they perceive of as the historical misnomer of Palestine, clearly excluding any Jewish presence – hardly constitute what one could perceive of as a “two-state” solution. Furthermore, I have found compelling evidence, that in the original Arabic, the ethnic cleansing of Jews from the land is even more explicit as follows:

“Long live free, **ARAB** Palestine from its river to its sea!” [*See page 19 at [https://vincebarwinski.com/wp-content/uploads/2023/11/hamas\\_attack\\_on\\_israel\\_october\\_7th\\_2023\\_and\\_its\\_aftermath\\_11th\\_november\\_2023.pdf](https://vincebarwinski.com/wp-content/uploads/2023/11/hamas_attack_on_israel_october_7th_2023_and_its_aftermath_11th_november_2023.pdf)*]

Whereas in Israel proper, Arabs are disproportionately represented in the medical profession. Arabs comprise 20% of Israel’s population but 30% of Israel’s physicians, and 35% of its pharmacists. [*See <https://youtu.be/a2NNX3Xy57g?t=1140>*] Moreover, the appointed chairman of the largest bank in Israel in 2019, Dr. Samer Haj-Yehia, was Arab. **So in answer to your question;**

**“Rashida Tlaib introduces US Congress resolution to recognize Gaza genocide. What do you think of this?”**

**My answer, given the above, is that Rashida Tlaib’s US Congress resolution is hardly one of genuine concern, but rather another perfect embodiment of the Red-Green (Marxist-Isamist) Axis agenda as follows:**

**“The issue is never the issue, but rather, the Revolution and Global Jihad toward the implementation of the Global Caliphate.”**

To which, the incident of Hamas claiming that Israel in an airstrike deliberately levelled the Al-Ahli Arab hospital in mid-October 2023, just days following October 7<sup>th</sup>, **further vindicates my assessment**, as reported in a New York Post article titled *Media suckered by Hamas’ hospital lie must stop trusting terrorists*, dated October 18<sup>th</sup>, 2023: [<https://nypost.com/2023/10/18/media-suckered-by-hamas-hospital-lie-must-stop-trusting-terrorists/>]

**[QUOTE:]**

“The terror group [Hamas] claimed Israel had levelled Al-Ahli Arab hospital with an airstrike, eliciting outrage from around the world as its allies screamed war crime and the media rushed to prop up Hamas’ story.

Now, after a frenzied stretch of Israel-blaming, hard evidence shows that

- 1) the hospital was not leveled but just had its parking lot hit by a rocket and
- 2) the rocket was fired by Palestinian Islamic Jihad, not Israel.

But don’t take our word for it! The IDF has released audio of two Hamas operatives saying, quite literally, that the rocket is “from us” (i.e. Islamist combatants trying to destroy Israel).

We’re not sure why any reputable journo ever believed Hamas in the first place.

This is a paramilitary terror group that beheads babies, rapes women and massacres peaceful ravers.

It also regularly sees its own rockets and missiles fall short and kill Gazans.”

**[UNQUOTE]**

Yet, in an October 18<sup>th</sup> 2023 tweet, the same day as the New York Post article debunking the Hamas claim, radical-left-pro-Hamas Democrat House Representative for Michigan Rashida Tlaib stated:

*“Israel just bombed the Baptist Hospital killing 500 Palestinians (doctors, children, patients) just like that.*

*@POTUS*

*this is what happens when you refuse to facilitate a ceasefire & help de-escalate.*

*Your war and destruction only approach has opened my eyes and many Palestinian Americans and Muslims Americans like me. We will remember where you stood.”*  
[<https://x.com/RashidaTlaib/status/1714342122185191596>]

And to Rashida, all should remember where she stands! Namely, on the side of her leftist ilk’s “Revolutionary Red-Green (Marxist-Islamist) Axis of truth.” Like any good Marxist/Islamist, including Rashida, the “truth” is whatever version serves the revolution/Global Caliphate.
