Dear ASIO

[27 minute read]

I hope you and your families had a Merry Christmas and a happy new year. My name is [Vince Barwinski](#) and I’m a part-time [author/researcher](#) and Traditional Latin Mass Catholic who [loves Israel](#) and is based in Brisbane. My father was born in Western Poland in December 1923, but from September 1924, was raised in Weimar and Hitler’s Germany, before being conscripted into the German Army in December 1941, and migrating to Australia in 1950. In 2004-2005, I taught English in Poland, during which time I visited the Belżec Death Camp and Auschwitz Concentration Camp Museums in 2005. In mid-February of that year, I visited the modern-day Polish city of Wrocław (pronounced “Vrotswav”), which pre-WWII was German Breslau and the birthplace of the German Lutheran anti-Nazi pastor Dietrich Bonhoeffer on February 4, 1906. It was there that I was [ultimately inspired](#) to [write my book](#). While in Auschwitz, I witnessed and photographed almost two metric tons of human hair, to which implies, I do not require the incessant lectures from mainstream media such as the ABC and their [SPlicing British cousins at the BBC](#), as to what is, and what is not far-right.

Anyway, at 03:29 pm Canberra time on Friday 2nd January, 2026, I called your [National Security Hotline](#) on 1800 123 400 from my mobile phone number XXXX XXX XXX. The call lasted six minutes, and as I stated at the outset, it was motivated in no small measure, by the recent statement of the current Australian Federal Police (AFP) commissioner; Krissy Barrett, in relation to the heinous Bondi Jewish Hanukkah Massacre on Sunday December 14, 2025, as follows:

“These are the alleged actions of those [who have aligned themselves with a terrorist organisation, not a religion](#).”

I then mentioned an exchange of emails and online communications, initiated on [Academia.edu](#), that I had back in early August 2025 with [William Gawthrop](#); Ph.D. Criminal Justice Masters of Science, Strategic Intelligence, National Intelligence University Graduate: US Army Command and General Staff College, US Marine Corps Command and Staff College, Combat Infantryman’s Badge, Co. H, 75th Inf, Vietnam 1969 AND Author of the “[Criminal Investigator - Intelligence Analyst’s Handbook of Islam](#)”.

[William Gawthrop](#) ended up giving me permission to download his [Criminal Investigator - Intelligence Analyst's Handbook of Islam](#) and share it publicly. It focuses on how Western Intelligence and law enforcement agencies neglect core textual sources of Islamic doctrine [*Such as the Quran and Hadith*] as key and vital areas of study in criminal justice research, thus resulting in a misunderstanding and [misstating of the nature of Islamic-based assaults in the United States](#). [Page 133 of doc or page 142 for PDF viewer.]

Moreover; as an example, he writes:

“... martyrdom operations are frequently called “suicide”, ignoring the consideration that suicide is a sin [*in Islam*], prohibited, punishable, and an unlikely act for an individual intent on Paradise. Acts of jihad are mistakenly referred to as “terrorism”, ignoring the consideration that terrorism is an act of defiance, **whereas jihad, as a subset of Islamic legal theory and religious stricture, is a rule-bound act of religious devotion and a legal obligation.** [*Which flies in the face of the [aforementioned statement](#) of the Australian Federal Police commissioner; Krissy Barrett.*] Our current descriptions and understanding of these acts are inconsistent with a fair reading and understanding of the underlying doctrine. This is a shortcoming in criminal justice scholarship, analytic tradecraft, and investigative procedure.”

To which, “**jihad, as a subset of Islamic legal theory and religious stricture, is a rule-bound act of religious devotion and a legal obligation**”, Gawthrop quotes Quranic evidence from Appendix C “Partial List of Quranic Suras [*Chapters*] Identifying Who May be Killed” and Appendix D “Partial List of Quranic Suras [*Chapters*] Relating to Rules of Engagement” [from pages 238 – 245](#) [*pages 247 – 254 in the PDF viewer*]. Moreover, Gawthrop schematically illustrates the [crucial missing investigative step in Figure 7](#) at the top of page 134 [*page 143 in the PDF viewer*].

As this relates to the tragedy of the Bondi Jewish Hanukkah Massacre on Sunday December 14, 2025, and indeed, October 7th, 2023, one could from Appendix C quote Chapter/Surah 8, verse 12:

“(Remember) when your Lord revealed to the angels, ‘Verily, I am with you, so keep firm those who have believed. **I will cast terror into the hearts of those who have disbelieved. So strike them over the necks, and smite over all their fingers and toes.**”

And the Hadith:

“The last hour would not come unless the Muslims will fight against the Jews and the Muslims would kill them until the Jews would hide themselves behind a stone or a tree and a stone or a tree would say: Muslim, or the servant of Allah, there is a Jew behind me; come and kill him; but the tree Gharqad would not say, for it is the tree of the Jews.” [[Sahih Muslim 2922; Book 54, Hadith 103](#)]

While it should be noted that Quran apologists quote the peaceful Meccan verses of the Quran in an attempt to abrogate the violent verses, they omit the fact that rather, the violent Medina verses/chapters, as given in the verse above, abrogate the Meccan chapters. Moreover, indicative of the Quran being an incoherent and disjointed piece of literature, the 114 chapters of the Quran are NOT published in chronological order. See <https://www.scribd.com/document/601841926/Correct-Order-of-Quran> AND https://wikiislam.net/wiki/Chronological_Order_of_the_Qur'an – and **ORDER BY “Traditional Order”** to see how the more violent Medina chapters abrogate the more peaceful Meccan chapters. See also the explanation by Robert Spencer on Jihad Watch at <https://jihadwatch.org/2006/10/the-islamic-doctrine-of-abrogation>

Moreover, subsequent to my reading of Adolf Hitler's [1925 published book *Mein Kampf*](#), I am now halfway through reading the Quran, and finding the Quran, with its [litany of Jew and Christian hatred to boot](#), to be more than a natural and logical follow-up read to *Mein Kampf*. There, Hitler documented his future intentions for the Jews and to boot, those deemed unworthy of life as prescient in [modern-day Canada's MAID \(Medical Assistance in Dying\) program](#). [Page 42]

And as at Bondi, and the [REAL ongoing Islamic perpetrated genocide of Nigerian Christians](#), of which global mainstream media such as the ABC and their [SPlicing British cousins at the BBC](#), are deafening in their silence, as opposed to their deafening in bellicosity [medieval blood-libellous](#) assertions of the FAKE Zionist perpetrated genocides and [famines](#) in Gaza, as I documented [HERE](#), [HERE](#) and [HERE](#) [pages 39 – 40], one should no less believe than the Nigerian genocide, the true intentions of Islam as transmitted in their texts, as much as the world should have believed Hitler when he likewise transmitted his intentions from 1925 upon publication of his very own *Mein Kampf*.

In short, given for one thing, when Israeli troops in November 2023, discovered an Arabic translation of Hitler's *Mein Kampf* on the body of a [terrorist in a children's living room in a private home in northern Gaza turned into a military base](#), Bondi is as much spawned from the Quran and Hadiths, as it is from *Mein Kampf*.

To which, it's worth noting [Muhammad Amin al-Husayni/al-Husseini \(189?-1974\) who was the Mufti \(chief Muslim Islamic legal religious authority\) of Jerusalem](#) under the political authority of the British Mandate in Palestine from 1921 to 1937. Then, during WWII, from radio studios in Berlin, al-Husayni collaborated with the German and Italian governments by broadcasting [pro-Axis, anti-British, and anti-Jewish propaganda](#) via radio to the Arab world; inciting violence against Jews and the British authorities in the Middle East; and recruiting young men of Islamic "faith" for service in the elite German military of the [Waffen-SS](#) and auxiliary units.

On Friday the 28th November 1941, Adolf Hitler receives the Grand Mufti of Jerusalem Mohammed Amin al-Husseini – [a distant cousin of Yasser Arafat](#).

Moreover, among al-Husayni's/al-Husseini disciples were his [distant cousin Yasser Arafat and Gamal Abdul Nasser](#) [*Egyptian army officer, prime minister (1954–56), and then president (1956–70) of Egypt*]. The ideas he inculcated in these men and others were successfully transmitted to the

current generation of terrorists, and perpetuated the indoctrination of Arabs toward uncompromising hatred and struggle against any Jewish presence in the Arab world. Hence, to reiterate, one could conclude little wonder that the Quran is a logical follow up read to Adolf Hitler's turgid 1925 book *Mein Kampf*. To which, when I completed reading *Mein Kampf* in March 2024, **I pondered the question as to who today is just as obsessed with race as Adolf Hitler?** My answer to which crystallised in rapid short order; **namely the WOKE Cultural neo-Marxists of the West, ever present at blood-libel propagating pro-Palestine-Hamas protests throughout a self-flagellating West, including here in Brisbane, on Sunday, August 24th, 2025.** To which the following screenshot from [YouTube](#) and my description of it, are more than poignant:

Yasser Arafat with Soviet Leader from 1964 to 1982 Leonid Brezhnev. In the 1950s, the West would always say the Arabs were ganging up on poor little Israel. But the masterstroke of the Soviet-KGB, was to create the even tinier fake state of Palestine, transforming Israel in Western eyes from the hero of David, to the villain of Goliath. The truth however, in spite of [Soviet-KGB early 1960s machinations](#) [Search for “Arafat”], [Israel is still David](#), while [Islam, in concert with its most prominent and inseparable vector today of Palestinianism](#), is still Goliath. Which in turn, goes a long way in explaining the [Marxist Albanese government's recognition of the ruse of the “Palestinian” state at the United Nefarious \(UN\) in September 2025](#). Of which the Israeli Prime Minister Benjamin Netanyahu, warned, would serve to encourage and embolden the Jihadist types that perpetrated the Bondi massacre.

Of course, as the heroic Ahmed al-Ahmad had shown, not everyone identifying as a Muslim, is a violent Jihadist. Nevertheless, this one heroic man alone does not abrogate the litany of violent and amoral passages ubiquitous throughout the Quran and Hadith and [other Islamic texts as I will discuss later](#). Moreover, it appears that I have read much more of the Quran than the vast majority of self-declared Muslims. It is conservatively estimated that 10% of the world's two billion Muslims, amounting to 200 million are violent to-the-very-letter of the Quran and Hadith adherents, or if you even apply just 1%, that still amounts to 20 million – approaching the population of Australia. And as the countless Islamic texts attest to, **it is the so-called “violent extremists” that practice true Orthodox Islam, rather than radically distorting it.** Moreover, as Chapter 63 of the Quran “**The Hypocrites**” suggests, implies concerns for the safety of Ahmed al-Ahmad given that in the wake of Bondi, he faces accusations of treason to Islam from [Palestinians](#) after his [heroic actions saved Jewish lives at Bondi](#).

Moreover, according to a poll conducted from October 31st to November 7th 2023 by the [Arab World for Research and Development \(AWRAD\)](#), 59% percent of Palestinians joyously or fervently celebrated the October 7th Al-Aqsa flood of heinous atrocities perpetrated by Hamas upon mostly Jews, but also foreigners, including Thai farm workers.

As Bridgette Gabriel, the Lebanese born Christian who survived the 1970s civil war in Lebanon (*which was initiated by Palestinian refugees*) put it, [the majority of peaceful Muslims are irrelevant](#), as were the majority of peaceful Germans in Nazi Germany, and as were the majority of peaceful Japanese in Imperial 1930s and WWII Japan. To which, Gawthrop, in the Preface, invokes an instructive and prescient parallel of Imperial Japan to the clash of Western civilisation and Islam today: [[Page 8 of the PDF viewer.](#)]

“Imagine after Pearl Harbor, American intelligence agencies hired and placed Japanese operatives throughout the American Government so as to not offend the sensibilities of war-time Japanese in the United States and across the Pacific. One would expect a suppression or derailment of intelligence, education, training, analysis, discussion, and decision making in addressing the threat. That derailment has taken place. A concrete example of this derailment, twenty plus years after 9-11, is the continued emphasis on ‘terrorism’ while consciously avoiding the subject of ‘Jihad’ and its doctrinal roots. Here we look at the doctrine.”

Many, the vast majority of whom would never have read the Quran or Hadith, would label me as Islamophobic, but a phobia means an irrational fear, to which the objective analysis of Islamic texts, as cited by Gawthrop for example, coupled with more than [48,500 acts of Islamic terror committed globally since 9/11](#), now including October 7th and Bondi, hardly implies any such fear or concern of Islam is irrational. Moreover, as stated in [Article 21 of the Islamic Constitution of the Canadian Chapter of Hizb-ut Tahrir](#), [Party of Liberation] [[Banned in the UK since January 2024](#), but NOT in [Australia](#) and Canada.]

“The Muslims have the right to establish political parties in order to account the rulers or to reach the rule through the Ummah/Nation on the condition that their basis is the Islamic ‘Aqeedah and that the rules they adopt are Shari’ah rules. The formation of a party does not require any permission. **Any group formed on an un-Islamic basis is prohibited.**”

Moreover, the closure in the Fundamentalist Islamic and [terror sponsoring state](#) of [Iran of 50,000 out of 75,000 mosques nationally in 2023](#), affirms the questioning of Islam as hardly anything warranting the contrived term of “Islamophobia/Islamophobe” to promote appeasement of an ideology bent on conquest, as verified in its texts. Rather, indicative of an Iranian populace that has had the veritable and proverbial gutful of Islam, [corresponding to an incredible and synonymous growth in Christianity](#) – albeit, not in grand cathedrals, nor in public squares, [but underground, spreading quietly and carefully.](#)

Curiously, the Muslim Brotherhood, in [an official statement published in 2013](#):

“Questioning Islam or Muslims is not Islamophobia. It is not appropriate to label all, or even the majority of those, who question Islam and Muslims as Islamophobes. Equally, it is not Islamophobic to denounce crimes committed by individual Muslims or those claiming Islam as a motivation for their actions.”

However, the document “(from Shariah: the threat to America) -- [Government exhibit 003-0085 3:04-CR-240-G in U.S. v Holy Land Foundation, et al.](#) -- ‘An explanatory memorandum on the

general strategic goal for the group in North America: 5/22/1991.” better known as “[*From the Archives of the Muslim Brotherhood in America: An Explanatory Memorandum*](#)” published in 2013 in the United States by the Center for Security Policy Press, a division of the Center for Security Policy, the Muslim Brotherhood declared as early as 1991:

“The process of settlement is a ‘**Civilization-Jihadist Process**’ [as exemplified today throughout Western Europe and the UK and indeed, almost the entirety of the Western World] with all the word means. The Ikhwan [Muslim Brotherhood] must understand that their work in America is a kind of **grand jihad in eliminating and destroying the Western civilization** from within and ‘sabotaging’ its miserable house by their hands and the hands of the believers so that it is eliminated and God’s religion is made victorious over all other religions.”

To which compels one to ask; how can these two documented statements from respectively 2013 and 1991 by the Muslim Brotherhood, in turn, the parent entity to both [Hamas, founded in 1988](#), and [CAIR \(Council of American Islamic Relations\), founded in 1994](#), be reconciled? It appears to me that one would be compelled in attempting verbal acrobatics equivalent in magnitude to asserting the ideology of Islam as a religion of peace, or Muhammad as the ultimate paragon of virtue and morality when presented with the following Hadith: [[Sahih al-Bukhari 5133; Book 67, Hadith 69](#)]

“Narrated `Aisha:

‘that the Prophet married her when she was six years old and he consummated his marriage when she was nine years old, and then she remained with him for nine years (i.e., till his death).’”

[Shia Islam makes up about 15% of Muslims today, as opposed to the majority 85% of Sunni Islam](#). To which a line of thought among [modern-day Shia scholars](#) has attempted to distance itself from Muhammad [marrying and then later consummating the marriage to a prepubescent Aisha](#). However, the first Islamic [Shia] Republic of Iran Supreme Leader from 1979 until his death in 1989, Ayatollah Ruhollah Musavi Khomeini (17 May 1900 – 3 June 1989) in [Volume Three](#) of his “famous literary work” [Tahrir al-Vasilah \(Persian\) – Tahrir al-Wasilah \(Arabic\)](#) which I downloaded from the [Institute for Compilation and Publication of Imam Khomeini’s Works](#) in Iran, translated by Dr. Sayyid Ali Reza Naqavi, I quote the following from **Section Thirty-Eight – Marriage - NIKAH** from near the top of page 443 in the PDF viewer or page 229 on the page of the PDF itself:

“Problem # 12. Intercourse with a woman is not allowed unless she attains the age of nine years, regardless whether the marriage is permanent or temporary. There is, however, no objection in other enjoyments like touching lasciviously, hugging and rubbing the thighs, even with a suckling infant. If a person has had intercourse with a girl before she has attained the age of nine years, but it has not resulted in *idfa* [[permanent injury or damage](#)], he shall not be subjected to any punishment, except that he shall be considered to have committed a sin. ... *[I have omitted several disturbing lines here]* ... If the husband performs intercourse with his wife after she has completed nine years of age, and it results in *idfa* [[permanent injury or damage](#)], she shall neither be rendered unlawful to him, nor shall he be required to pay her *Diyat* [[compensation](#)], but, according to the more cautious opinion, he shall be bound to maintain her as long as she is alive, though, according to the stronger opinion, he is not bound to do so.”

Near the end of my call on Friday the 2nd January 2026, I mentioned that I had downloaded some deeply disturbing literature written by the first Supreme Leader of the despotic Iranian Islamic

Republic, to which, I must express my full support to the [Iranian People's current Uprising](#) to topple this hideous regime, as attested to for one thing, from the obvious references to normalising prepubescent sex as indeed written by Ayatollah Ruhollah Musavi Khomeini. Moreover of which, as likewise normalised in the [Sharia Law Manual of The Reliance of the Traveller](#), [Search for “prepubescent”] of which [dozens of such courts are now allowed to operate in the UK](#), where [David Betz, a Professor of War in the Modern World at King's College London](#), had stated in a [96 minute interview on the YouTube podcast of Triggernometry](#), that the [UK was headed for Civil War](#), as the leftist Starmer government, like the ideological clones of our Federal government of the [lifetime Marxist Anthony Albanese](#), continue to **bury their respective heads in the sand**, as they desperately attempt to pin the threat on the **ideologically much more palatable far-right**, as was indeed the case for such ideological leftist ilk of the U.S. mainstream media and Democrat Party during the 2020 American Summer riots. [[Must see 3 minute video AND read pages 8 to 10 of Chapter 29 of my book](#)] This I indeed mentioned during my brief phone call on Friday 2nd January, 2026.

Further to which, what additional disturbing conclusions can one draw from Khomeini's reference to temporary marriage of prepubescent girls? And as such, how can anyone, from a standpoint of Judeo-Christian based Western morality, which has built our free society, be accused of Islamophobia for expressing abject horror at the writings of the Shia Islamic cleric Ayatollah Ruhollah Musavi Khomeini, Sharia fundamentalist Islamic law, the Quran and Hadith? How are they compatible with Western Judeo-Christian society? And why do I say Judeo-Christian? Because, without Judaism, we would not have had the Jewish Jesus Christ and his apostles ... of which every book in the Bible, with the exception of the [Gospel of Luke](#), was written by Jews.

In a crumbling Western World, Islam and WOKE Cultural neo-Marxist ideology, [[Must see 3 minute video AND read pages 8 to 10 of Chapter 29 of my book](#)] embodied in a RED-Green [Marxist-Islamic] Axis of common hatred for Western freedoms, perpetuate a destructive self-flagellating and obsequious supine mindset of Western colonial guilt, manifesting in part as rampant Jew-Hatred masked in so-called “[self-righteous indignation](#)” of “[Zionist occupation](#)” [[And search for “Mohsen”](#)], but the WOKE hypocrisy of deafening silence to the [Islamic perpetrated genocide of Nigerian Christians](#), and a distorted historical perspective of slavery, embodying the false notion that slavery was unique to Western Civilisation, when in fact, the exact opposite is true, in it being the civilisation that took the first historical steps in abolishing slavery. Indicative of which being the [Englishman William Wilberforce](#) and the bloody American Civil War. Which in turn triggers what the Canadian but Lebanese born and raised Jewish academic [Gad Saad terms “suicidal empathy”](#) [*The West is the Wood Cricket, Islam is the hairworm*] towards not so much a religious faith, but much more a demonic and parasitic political ideology that defines Islam, as epitomised in the aforementioned duplicity and deceit of the Muslim Brotherhood, and the deceitful translations present in the [Sharia Law Manual of The Reliance of the Traveller](#) as discussed by [William Gawthrop](#) [[Page 78/87](#)] and [myself](#).

But as the [American historian Raymond Ibrahim](#), born as the son of persecuted Egyptian Coptic Christian migrants has documented and stated; Islam since 622 AD has been spread by conquest when the Middle East was overwhelmingly Christian, and European Christianity was really the outlier. The Christians that remained in the Middle East, were only tolerated as second-to-third class [dhimmis](#), and their languages usurped by Arabic – in the true spirit of colonisation – as was the case for Egypt, which had been Christian for 6 centuries, thanks to the missionary work of Jesus' apostle Mark. Not to mention, the massive slave trade initiated by Islam, centuries before the European slave trade. Moreover, white Europeans had been targeted by [Muslim slave traders as far north as Iceland](#). In short, it's time for the West to cease its [gratuitous self-flagellation](#) and reclaim its pride in its history and Judeo-Christian foundation, embodying in no small measure, abject rejection of any notion that it owes anything to the ideology as embodied in its texts, [hellbent on Global](#)

conquest, that is and was for the past 1400 years; Islam. As the Iranian-Canadian politician Goldie Ghamari powerfully put it to all the white people out there: “**Stop apologising for the Crusades!**”
To which: As one Aussie white boy of proud Polish paternal descent, I will most certainly take heed Goldie!

Yours Faithfully
