To the Iranian People – Your Uprising against the Islamic Terror Regime of Occupation – Shades of Warsaw 1944

On December 28th, 2025, Bazaar merchants all around Iran, ignited strikes against the nation’s Islamic fundamentalist regime, following a year of economic freefall and spiraling devaluation of the rial, Iran’s currency, which had lost more than 40 percent of its value since Israel’s 12-day conflict with Iran in June. These economic crises were just the latest in a prolonged economic collapse that had erased nearly 90 percent of the rial’s value since the United States quit the nuclear deal and reimposed sanctions on Iran in 2018 during the first Trump administration.

The strikes by the Bazaar merchants are significant in that they bankrolled the Marxist-Islamic revolution of 1979 which overthrew the Monarchy of Mohammad Reza Shah Pahlavi, as well as infamously chartering the plane that flew the Shia-Islamic Fundamentalist cleric Ayatollah Khomeini back to Tehran from Paris. Now this merchant class, so tied to the hip of this despotic and murderous Islamic-Fundamentalist regime for over four-and-a-half decades, in the wake of chronic water-shortages, incessant power outages and the economic malaise of hyper-inflation reminiscent of post-World-War-I Weimar Germany, has had enough of them. A regime that prioritises funding of Islamic terror proxies such as the Sunni-Hamas in Gaza and Shia-Hezbollah in Lebanon, today rendering the latter, a Christian majority country prior to 1975, to virtual Islamic-Fundamentalist occupation by proxy.

While the Bazaar merchant strikes in response to the economic malaise were the initial catalyst for the now prolonged Heroic uprising, they have now faded into the background as the people’s rage against the despotic Islamic Fundamentalist regime, epitomised by burning mosques, which have served as command headquarters and centres for torture and arms caches, has now, well and truly taken front and centre stage. In August 2024, Iranian media quoted Brigadier General Heydar Baba-Ahmadi, head of the Mosques and Neighborhoods Affairs of Basij militia force, as saying that “79 percent of Basij resistance bases are located in mosques, with another 5 percent in other religious sites.” [The Basij are the Islamic Revolutionary Guard Core’s (IRGC) volunteer paramilitary arm.]

Analysts that only see the economic malaise, have no understanding of how intrinsically deep the people’s contempt for the Islamic regime and indeed for Islam itself is. For example, the regime’s hosting of their Hamas proxy which was of course behind October 7th, with unlimited funding,

while at the same time, that regime [cannot maintain basic infrastructure such as power and water](#). Hence moreover, the Iranian people's overwhelming disdain to put it mildly, of the synonymous cause for the overtly fake nation of Palestine. [More on FAKESTINE later.]

The Islamic-Terrorist-Occupation of Iran, was founded in February 1979 via a decades long fusion of seventh-century Islamic ideology, with Marxism, which had over the decades, gradually supplanted the Iranian national identity, and by subsequent natural ideological progression, the Islamist elimination of their useful idiot Marxist cohorts, of whom, their use to the Islamic revolution had become redundant upon the overthrow of their common enemy; the Monarchy of the Shah.

As [Xi Van Fleet, a Chinese-American who lived through Mao's Cultural Revolution, has attested to](#) [Video is behind a paywall, but the free [audio is HERE](#)], the Marxist subversion of America and the West in general over the last century, especially in more recent decades with its evolved WOKE variant dialectics of race and gender, has [created the entry point for Islamist infiltration](#) [From 37 minutes in] with its parallel long march through the institutions as extolled by the [Italian Marxist, Antonio Gramsci](#).

Moreover, Xi Van Fleet's brilliant and incisive postulate dovetails exquisitely with the chilling parallel concept of Ilich Ramírez Sánchez, a.k.a. Carlos the Jackal, who in 2003, from his prison cell, published a book titled in French [L'islam révolutionnaire](#) (Revolutionary Islam), that is saturated with calls for the fusion of Marxism and Islam, that defined the 1979 Islamic coup of Iran. For example, from the top of page 31, in the chapter titled: "QUI SUIS-JE?" – "WHO AM I?", Carlos the Jackal articulates how he transformed from strictly atheistic Marxist Revolutionary to an admiration of the what he perceived as the divine spiritual fervour of Islamic terrorists, strengthening and emboldening his old commitments to revolutionary causes:

"I now laugh at the anti-religious Manichaeism that once animated me and my comrades before my return to the divine. Before my conversion, I had had the opportunity on many occasions to observe the significant role of militant priests in nationalist or revolutionary struggles. In the context of the Palestinian resistance, the role of religion took on increased prominence. The faith of many fedayeen had struck me, and I identified with them. I laugh at this absurd struggle against God, against the very idea that there could be anything in this world that surpasses our understanding and imagination. A hostile prejudice devoid of reason, carried high like a banner in the name of the proletarian revolution, and which was very fashionable at that time. I had gone astray into a dead end, I know it now; Thank heavens, I got out of it and my new faith, renewed I should say, only strengthened my old commitments to the Revolution and to a new human order developing according to the divine plan." [I wonder Carlos, if this "divine" plan of Islam you envisage, includes "[Sahih Muslim 2922; Book 54, Hadith 103](#)" – This will be quoted very shortly!]

And from the top of page 64 in the Chapter titled: "ISLAM SOUMISSION A LA VOLONTÉ DIVINE" – ISLAM: SUBMISSION TO DIVINE WILL, Carlos writes in 2003, a chillingly prescient passage to a [Dhimmi](#) Western World, now in the middle of takeover by the [Civilization-Jihadist Process](#), as espoused on pages 4 and 16 (6 and 18) [From the Archives of the Muslim Brotherhood in America: An Explanatory Memorandum, published by the Muslim Brotherhood in 1991](#).

"In the United States as well, Islam is still in its infancy, but it constitutes an organised force with which the government must already reckon, especially if its influence continues to spread among Black populations, a large segment of which is increasingly reduced to the status of sub-proletariat or even lumpenproletariat, living on the margins of society. There,

Islam renews revolutionary hope, and the war that is ending will have contributed to strengthening the faith and internal bonds of the community of American believers, the leaven of revolutions to come...

Islam, which is the culmination of divine revelation, has been from the very beginning a “revolution” in itself, the Revolution of revolutions. This will, moreover, manifest itself immediately through geo-political and geo-cultural upheavals of unprecedented historical context. In less than two centuries, the area of Islam’s spread extended from Africa to Central Asia and from the Indian subcontinent to the Atlantic. The explosive expansion of the Islamic faith testifies to the power of the Message, its capacity to ignite the minds and hearts of men, to propel them into the battle for the truth and justice of divine order...”

As was the case in the Iran of February 1979, the **Red-Green** Axis of Marxism (**RED**), albeit with its WOKE Cultural neo-Marxist Western flavour obsessed with identity politics, and Islam (**GREEN** for the global majority SUNNI Islam, albeit BLACK for minority SHIA which is Islam of the 1979 coup in Iran), is likewise playing out today in a self-flagellating West, as manifested in the rise of rampant anti-Semitism, cloaked in the euphemism of anti-Zionism embedded in obsequious and supine rhetoric of the fake nation or anti-nation of Palestine. Of which, Palestine’s only reason today for “existence” being as the prime vector towards the obliteration of Judeo-Christian Western Civilisation, in serving ultimately, the implementation of the Global Islamic Caliphate or Ummah. Of which, a crucial step towards that end being, the obliteration of Israel, as proclaimed in the Hamas Charter as it quotes “Sahih Muslim 2922; Book 54, Hadith 103” as follows with chilling poignancy to the Bondi December 2025 Hanukkah massacre:

“Abu Huraira reported Allah’s Messenger as saying:

‘The last hour would not come unless the Muslims will fight against the Jews and the Muslims would kill them until the Jews would hide themselves behind a stone or a tree and a stone or a tree would say: Muslim, or the servant of Allah, there is a Jew behind me; come and kill him; but the tree Gharqad would not say, for it is the tree of the Jews.’”

And, as I wrote to the George Soros funded NGO Actionaid Australia in May 2005; as it attempted to solicit a donation from me for their contrived Gazan famine: [As to how FAKE, see HERE, HERE and HERE (pages 39 – 40)]

“Hence, if in an Australia to fall under Islamic fundamentalist rule, I am lined up to be beheaded alongside one of the WOKE “progressives” of Queers for Fakestine, **I would in my final moments, have to spare a thought for the abject irony!**

Sounds far-fetched? Not really when you read the Islamic Constitution in two parts from the website of the Canadian Chapter of Hizb ut-Tahrir (Party of Liberation) at:

https://hizb-canada.org/wp-content/uploads/2022/02/15_Muqaddimat_V1_Eng_07.05.2013.pdf

AND

https://hizb-canada.org/wp-content/uploads/2022/02/16_Muqaddimat_V2_Eng_07.05.2013.pdf

OR ... the very similar [2014 Draft Islamic Constitution of Australia](#), since removed from the website of its [Australian Chapter](#), proclaiming “AUSTRALIA UNDER ISLAM in 25 years – which implies by 2039.”

Indeed, would this 2039 “Islamic Constitution” for Canada and Australia be like the Islamic Constitution planned for Iran in the 1960s and 1970s??

[And as the feisty Iranian-Canadian Goldie Ghamari put it:](#)

“Iranian here. A pro-tip for all those not from the Middle East. Do not allow Communism and Sharia Law to take over your country. They bring nothing but death, despair and destruction!”

[And again from Goldie](#), for all those [self-flagellating](#) pro-FAKESTINIAN Westerners:

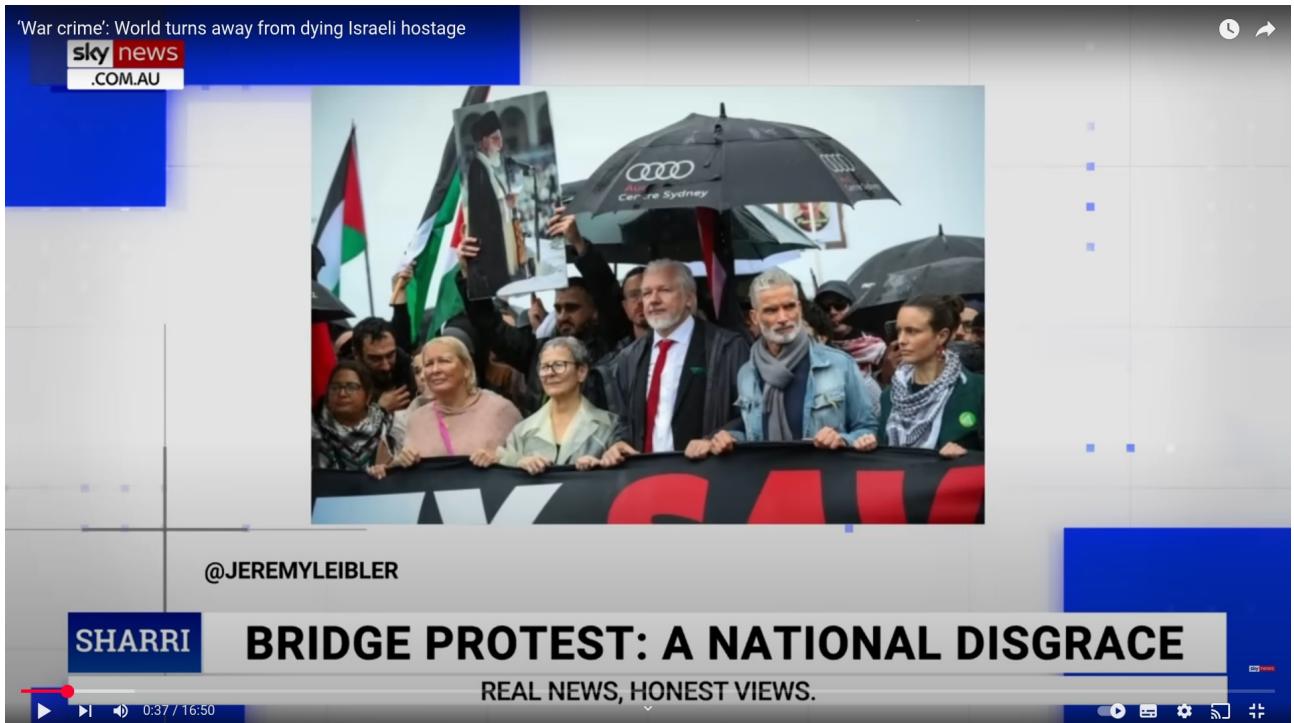

“Stop apologising [*to Islam*] for the [*Medieval Holy Land*] crusades!”

... because Islam and the WOKE Cultural neo-Marxist ideologies perpetuate the destructive self-flagellating mindset of Western colonial guilt via a distorted historical perspective of slavery, embodying the false notion that slavery was unique to Western Civilisation, when in fact, the exact opposite is true, in it being the civilisation that took the first historical steps in abolishing slavery. Indicative of which being the [Englishman William Wilberforce](#) and the bloody American Civil War. Which in turn triggers what the Canadian but Lebanese born and raised Jewish academic [Gad Saad](#) terms [“suicidal empathy”](#) [*The West is the Wood Cricket, Islam is the parasitic hairworm*] towards not so much a religious faith, but much more a demonic and parasitic political ideology that defines Islam.

But as the [American historian Raymond Ibrahim](#), born as the son of persecuted Egyptian Coptic Christian migrants has documented and stated; Islam since 622 AD has been spread by conquest when the Middle East was overwhelmingly Christian, and European Christianity was really the outlier. The Christians that remained in the Middle East, were only tolerated as second-to-third class [Dhimmis](#), and their languages usurped by Arabic – in the true spirit of colonisation – as was the case for Egypt, which had been Christian for 6 centuries, thanks to the missionary work of Jesus’ apostle Mark. Not to mention, the massive slave trade initiated by Islam, centuries before the European slave trade. Moreover, white Europeans had been targeted by [Muslim slave traders as far north as Iceland](#). Ultimately, one must compare how racist a society is and was via the prism of reality – NOT unattainable pristine utopia!

But here in Australia, the self-flagellating pro-FAKESTINIAN mobs were for one, typified in the early August 2025 Sydney Harbour Bridge protest, by the former SBS soccer commentator Peter Foster and Julian Assange as they stood under a poster of the current Islamic Republic’s murderous supreme leader Ali Khamenei, as a pillar of truth, freedom and liberation as fake as the anti-nation of Palestine and its illiterate, self-indulgent, warmongering, mass-murdering and narcissistic [paedophile of a prophet that was Allah’s messenger Muhammad](#). Hence, moreover to which, their complimentary deafening silence to the [REAL AND NOT FAKE](#) mass-murder and wounding of tens of thousands and hundreds of thousands of Iranians by Ali Khamenei’s Islamic Revolutionary Guard Core (IRGC), in accordance with Robert Spencer of Jihad Watch’s axiom for leftists: [“Hypocrisy is their middle name!”](#) Moreover, as the IRGC uses Jamming technology from their Chinese Communist Party (CCP) ally [to block the Iranian people’s Internet access via Elon Musk’s Starlink satellites](#), as they, and the Islamic world in general, and their useful WOKE idiots in the West, [say not a word about the CCP persecution and genocide of Muslim Uyghurs in China’s north-](#)

[western Xinjiang region](#), as they require China's money, its protection at the UN, and its surveillance technology.

Julian Assange, and former SBS Soccer commentator Craig "Fozzy" Foster to his left and former SBS "journalist" Mary Kostakidis to his right at the [pro-FAKESTINE Sydney Harbour Bridge March on Sunday August 3rd, 2025](#). As to how fake FAKESTINE is, go to page 15 [HERE](#) and search for "Mohsen". SBS, the Australian Public ethnic broadcaster, stands for "Special Broadcasting Service", but given their [blood-libellous coverage](#) of the Israel-Hamas war post October 7th, one could label them "SBl-S" – "Special Blood-libel Service".

Moreover again, to further highlight the moral bankruptcy of the Islamic regime, I quote the first Islamic [[Shia](#)] Republic of Iran Supreme Leader from 1979 until his death in 1989; Ayatollah Ruhollah Musavi Khomeini ([17 May 1900 – 3 June 1989](#)) in [Volume Three](#) of his "famous literary work" [Tahrir al-Vasilah](#) (Persian) – [Tahrir al-Wasilah](#) (Arabic) which I downloaded from the [Institute for Compilation and Publication of Imam Khomeini's Works](#) in Iran, translated by Dr. Sayyid Ali Reza Naqavi, from [Section Thirty-Eight – Marriage - NIKAH](#) from near the top of page 443 in the PDF viewer or page 229 on the page of the PDF itself:

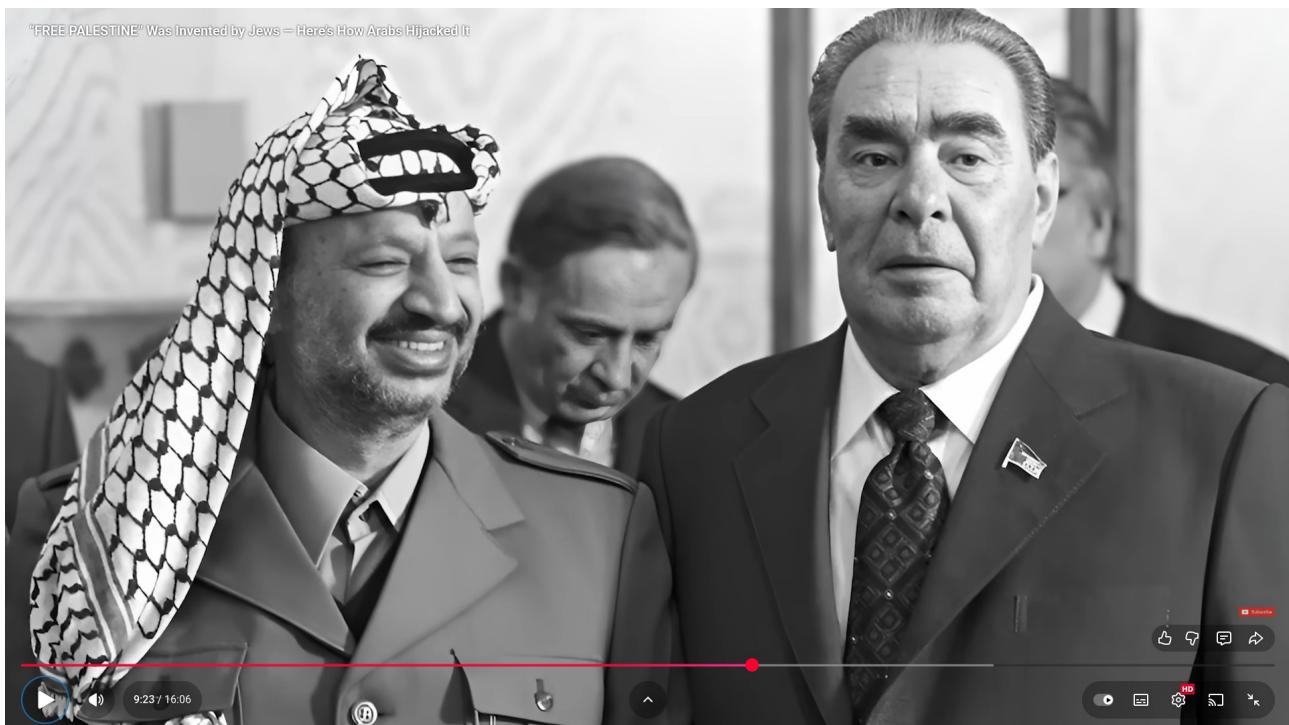

"Problem # 12. **Intercourse with a woman is not allowed unless she attains the age of nine years, regardless whether the marriage is permanent or temporary. There is, however, no objection in other enjoyments like touching lasciviously, hugging and rubbing the thighs, even with a suckling infant.** If a person has had intercourse with a girl before she has attained the age of **nine years**, but it has not resulted in *idfa* [[permanent injury or damage](#)], he shall not be subjected to any punishment, except that he shall be considered to have committed a sin. ... *[I have omitted several disturbing lines here]* ... If the **husband performs intercourse with his wife after she has completed nine years of age**, and it results in *idfa* [[permanent injury or damage](#)], she shall neither be rendered unlawful to him, nor shall he be required to pay her *Diyat* [[compensation](#)], but, according to the more cautious opinion, he shall be bound to maintain her as long as she is alive, though, according to the stronger opinion, he is not bound to do so."

This apparently is the kind of stinking, mass-murdering and morally bankrupt sponsoring regime of HAMAS that the self-flagellating Western WOKE pro-FAKESTINE leftist and right-wing groyper

leaning hypocrites such as Nick Fuentes, Tucker Qatarlson and [Candace Ovens](#) glorify in the name of their FAKE famine and genocide for a fake prophet, for a fake religion, for a fake nation, as they deny the right for one of mankind's most ancient civilisations, to FREEDOM, dignity and self-determination. In short, the cause for Iranians against the despotic Islamic regime, is one of inexorable ideological inconvenience of truth for the leftist self-flagellating sycophants of the Sydney Harbour Bridge, compelling their deafening silence, justified by the dubious moral equivalence of the fake Gazan famine and genocide. And as their silence is deafening in condemning the mass-murder perpetrated by the IRCG on its own people, and [reportedly, by Iraqi militia hired by the regime](#), their no less deafening and shrieking screams of the fake Gazan genocide and famine, and calls for official recognition of the terrorist state of FAKESTINE, no doubt played their part in emboldening the Islamic terrorist attack on Bondi Beach. As indeed, did our [Marxist Albanese Federal government](#), with its [supine recognition of FAKESTINE at the United Nefarious \(UN\) in September 2025](#).

And to epitomise just how fake FAKESTINE is, prominent members of the Palestinian Liberation Organisation – PLO, **have admitted that the state of “Palestine” and its “Palestinian” people were indeed, a political construct specifically designed to undermine the modern-day state of Israel.** For one thing, [Zuheir Mohsen; the Military Department head of the PLO from 1971 to 1979 \[page 15\]](#), in an interview with the Dutch newspaper *Trouw*, on March 31st, 1977, stated:

“There are no differences between Jordanians, Palestinians, Syrians, and Lebanese. We are all part of one nation. It is only for political reasons that we carefully underline our Palestinian identity.... yes, the existence of a separate Palestinian identity serves only tactical purposes. The founding of a Palestinian state is a new tool in the continuing battle against Israel.”

[Yasser Arafat with Soviet Leader from 1964 to 1982 Leonid Brezhnev](#). In the 1950s, the West would always say the Arabs were ganging up on poor little Israel. But the masterstroke of the Soviet-KGB, was to create the even tinier fake state of Palestine, transforming Israel in Western eyes from the hero of David, to the villain of Goliath. The truth however, in spite of [Soviet-KGB early 1960s machinations](#) [Search for “Arafat”], [Israel is still David](#), while [Islam, in concert with its most prominent and inseparable vector today of Palestinianism](#), is still Goliath.

Moreover, Yasser Arafat, in the early 1960s, was tasked by the [Soviet KGB disinformation department to create and head a terrorist group named Fatah](#) [halfway down page 4]. Subsequent to which, in the aftermath of the 1967 Six Day Arab-Israeli War, the KGB manoeuvred to catapult him as chairman of the PLO. As a staunch American and Western ally in the Middle East, it was in the then Cold War interest of the KGB to undermine Israel. In other words, self-flagellating support of the terrorist FAKESTINIAN Islamic agenda, dedicated to the destruction of Judeo-Christian Western Civilisation, trumps support of a heroic cause of a brave people, dedicated to their liberation from such a regime and ideology, which in turn, sponsors the FAKESTINIAN cause of the likewise Islamic terrorist HAMAS – sponsored by the very despotic Islamic regime in Iran oppressing and mass-murdering its own people to a **rate of scale** it seems, **equivalent to the Holocaust**.

On Friday the 28th November 1941, [Adolf Hitler receives the Grand Mufti of Jerusalem Mohammed Amin al-Husseini \(189?-1974\) – a distant cousin of Yasser Arafat](#). Husseini served in that role under the political authority of the British Mandate in Palestine from 1921 to 1937. Then, during WWII, from radio studios in Berlin, al-Husseini collaborated with the German and Italian governments by broadcasting [pro-Axis, anti-British, and anti-Jewish propaganda](#) via radio to the Arab world; inciting violence against Jews and the British authorities in the Middle East; and recruiting young men of Islamic “faith” for service in the elite German military of the [Waffen-SS](#) and auxiliary units. **In March 2024, I finished reading Adolf Hitler’s 1925 book Mein Kampf. Now I am halfway through reading the Quran and finding it to be a most logical follow-up read!**

As Great Britain is Islamised under two-tiered Marxist-Globalist Kier “[Stasi](#)” Starmer to [Dhimmi](#) Britain, epitomising a WOKE self-flagellating West, we should be celebrating the Iranian Uprising and supporting it by all means, including the freezing of all international bank accounts linked to the Iranian Islamic regime, and withdrawal of all diplomatic recognition. These are simple measures

that could be taken, but surely as well, targeted airstrikes against critical infrastructure of the regime, as Israel executed during the June 2025 Twelve-day war.

If I was American, I would have voted for Donald Trump in the least three elections, including the obviously fraudulent 2020 election, whereupon the presidency of the Walking Corpse Obama-cardboard-cut-out Joe Creepy Sleepy Biden was manifested by voting machine algorithm among other nefarious shenanigans. Before the 2024 election, I had grave concerns with Donald Trump still not admitting he was wrong in regard to the stinking Nuremberg-Code violating COVID jabs, but virtually, no other problem with his policies, especially given the train-wreck hyper-WOKE alternative of Kamala Laughing Hyena Red Diaper Baby Harris and Tim Tampon Beijing Jihad Walz and their Cloward-Piven strategy platform of continuing the Biden era open-slather southern border.

However, as the 2024 election crept closer, I heard that Trump extensively courted Islamic clerics and leaders in the battleground state of Michigan, then just days before his inauguration on January 20th, 2025, much hoopla was made of the Steve “I have ZERO concept of Islam” Witkoff Israel-Hamas peace deal, which was an absolute shocker for Israel. In its wake, came Trump’s trip to the Middle East without visiting Israel, whereupon a trillion dollar plus deal was reached with Saudi Arabia and the nefarious Hamas terrorist sponsoring and duplicitous Qatar, as it funds American Academia with unlimited funds to push Islamist and anti-Semitic talking points, including of course, hatred for Israel and Jewish people in general. Not to mention the “free” new AirForce One, and how Steve Witkoff and Trump’s son-in-law Jared Kushner have been bailed out in the past by Qatar. Moreover, early in his first term in February 2017, President Trump stated unequivocally that Qatar was a funder of terrorism. Now that position of his turned 180 degrees.

On January 2nd, 2026, Trump told the Iranian people “we were locked and loaded”, as Trump indeed was when he took out Qasem Soleimani, the commander of Iran’s elite Quds Force, in early January 2020, if the Islamic regime resorted to killing its people as is their typical wont. However, at the time of writing on the 30th, tens of thousands and hundreds of thousands of Iranians have been respectively murdered and wounded, as Trump has further “reassured” the courageous Iranian people “that help is on its way!”. Still, no action for whatever reason has materialised, but at the same time the duplicitous Saudis and Qataris have declared that no US bases on their territories can be used for strikes on Iran. To which if they were ever to be attacked, America should declare they are now on their own, and withdraw their base in Qatar.

And to President Trump, as has the Iranian-American Pastor Shahram Hadian, I quote Matthew Chapter 5:37:

“But let your ‘Yes’ be ‘Yes,’ and your ‘No,’ ‘No.’ For whatever is more than these is from the evil one.”

Pastor Shahram, born and raised in Iran, and finding the Lord Jesus in 1999, says he was fine with Trump doing nothing, but to say you will do something, when weeks later nothing has happened, is abominable, as the dead brave Iranian patriot bodies pile up! Moreover, given the incessant cry of brave Iranian patriots as they chant “Javeed Shah, Javeed Shah” – “Long Live the King”, NOT the nefarious Marxist-Islamist-cult of MEK, which participated the 1979 coup, and killed Americans on multiple occasions, and has enchanted much of the American Republican party, including former New York Mayor Rudy Giuliani, why has President Trump not met the son of the former Shah Reza Pahlavi and declared the Islamic regime of occupation, illegitimate? Indeed, why won’t the entire world declare this stinking regime illegitimate?

[Trump is building up a fleet in the Middle East](#), but speculation has been raised, that action has been stalled to allow the MEK to fill the power vacuum when and if the Islamic regime collapses. [On the 3rd of May, 1791, Poland declared its Constitution Day](#) – the First Polish Republic – a constitution much in the spirit of the 1789 American Constitution. However, this was alarming for the autocratic monarchies of Prussia, Austria and Russia, [who could not allow the existence of a free and constitutional republic](#). To which, how Poland would have loved a newly born Constitutional American Republic as one of its neighbours! In 1795, Poland was partitioned between these powers, and ceased to officially exist until the 11th November, 1918, when the collapse of all three of these monarchies at the conclusion of the First World War, enabled a democratic Poland to be reborn in the ensuing power vacuum, in spite of Lenin's Bolsheviks attempt in the [1919-20 Polish-Soviet War](#) to kill it in the cradle, which indeed seemed almost certain in August 1920 when the Battle of Warsaw took place, before its ensuing *Cud na Wisła [Tsood na veeswaj]* – Miracle on the Vistula, ensured the Second Polish Republic's inter-war existence. Poland today, being the Third Republic, post the Cold War Polish "People's" Republic of virtual Soviet Occupation.

Today for a brave Iran, seemingly so close to freedom with a despotic Islamic regime on the brink, likewise, numerous authoritarian Arab states are hostile to a free and constitutional and prosperous Iran of 90 million courageous, benevolent, smart and resourceful people, decoupled from Islamic terrorist proxies with access to almost unlimited gas and oil, provided they do not constrain themselves to the [Globalist scam \[Download my mobile/cell phone Ringtone!\]](#) of [Catastrophic Climate Change](#). What ideas could spread from such an Iran? The world's first former Islamic country! **Perhaps, from a nation that has now had the proverbial gutful of it, the collapse of demonic Islam itself??** And indeed, for a self-flagellating [Dhimmi](#) West, to regain pride in its history and accomplishments? Such as a [Dhimmi](#) two-tiered [Stasi](#)-Starmer Britain, to again become Great Britain!"

But the most disturbing story of all that I have heard of Trump seemingly being compromised by Jihadists, as reported on Thursday the 22nd January 2025 on the YouTube channel of the ethnic [Druze and former Israeli Special Operations officer Mansur Ashkar](#), is what seems to be an abominable betrayal of the anti-ISIS Kurds, of whom have been traditional allies of America in the Middle East. As Mansur explains, he has never been anti-Trump or suffered from the notorious TDS – Trump Derangement Syndrome.

Nevertheless, it appears that in a Kurdish held region of northern Syria, of the [secular and pluralist Syrian Democratic Forces \(SDF\)](#) comprised mostly of Kurds, but also Assyrians, Arabs and other ethnic groups, they were attacked by soldiers of the Hayat Tahrir Al-Sham (HTS) of the regime of Ahmed al-Sharaa, also known as Abu Mohammad al-Jolani, which of course, took over Syria from Bashar al-Assad in early December 2024.

Unlike the SDF, HTS is a militant Sunni Islamist group of the Salafi-Jihadist ideology, which emerged from Al-Qaeda, and had been branded a terrorist organisation until December 2024 by the US, UN and the EU. Unlike SDF, which is governed by a legal system of Civil and Customary law, HTS is ruled by the demonic Sharia Law. Unlike freedom of religion under SDF, HTS practices non-Sunni repression. Unlike non-criminalised Islamic apostasy under SDF, punishment up to death is possible under the Sharia legal system of HTS.

Mansur Ashkar contrasts the Kurdish multi-ethnic coalition of Syrian Democratic Forces (SDF) with the Islamic Al-Qaeda derived terrorist entity of Hayat Tahrir Al-Sham (HTS) that overthrew Bashar al-Assad in December 2024. This 16 minute video posted on [YouTube](#) on January 23rd 2026.

To quote the description by Mansur Ashkar of [his 90 minute podcast streamed live on the 22nd January 2026](#):

“When SDF were attacked by HTS, their U.S.-supplied systems and communications were reportedly disabled or became inoperable as fighting intensified, leaving Kurdish units isolated while Syrian forces aligned with Abu Mohammad al-Jolani advanced into their areas. At the same time, thousands of detainees linked to ISIS were reportedly released from Syrian prisons, further destabilising the region. Civilians—including women and children—have paid the heaviest price as fighting spread rapidly across Kurdish towns. Adding to the controversy, [U.S. envoy Tom Barrack](#) has urged Kurdish forces to surrender and integrate into the Syrian army—the same force accused of attacking Kurdish areas and overseeing these prison releases. [WTF ALERT!!!!!!] This has raised serious questions about U.S. policy, decision-making, and accountability. [It seems that trimming the beard and dressing a Jihadist in an expensive Western suit, while making him look “handsome”, does not abrogate him from what the Medina chapters of his Quran and Hadith demand!]

Why is this situation receiving so little attention in the United States? Why does it appear that America may be distancing itself from long-time allies while extremist actors benefit from the chaos?

Is Donald Trump aware of these developments, and could this situation evolve into a broader political scandal if left unchecked? [Is envoy [Tom Barrack, a Los Angeles native and the grandson of Catholic Lebanese immigrants](#), as Mansur titled this podcast, trying to: “Betray the Kurds for ISIS — Dragging Trump Into a Scandal?”]

We also examine the wider regional picture:

What role is [the nefarious] Turkey [of Islamist Erdogan] playing?

Where do Qatar [*in effect: HAMAS*] and other regional powers fit in?

Are intelligence agencies involved—and if so, how?

And where do Israel, Christian communities, and the Druze stand as the region shifts once again?

Join me live as we break down the facts, the allegations, and the unanswered questions surrounding one of the most alarming developments in Syria today.”

As Daniel Greenfield put it at Jihad Watch:

“There is a consistent throughline here and it isn’t America First, it isn’t ‘isolationism’, it isn’t Israel and it isn’t MAGA, but it very much is Qatar along with its Islamist allies: Turkey and Iran. And this throughline has an ominous similarity to Obama’s New Middle East policy and the way that it consistently empowered Islamist takeovers and protected Iran’s Islamist terror regime.

If we’re not intervening in Iran because we’re non-interventionists, why are we intervening then on behalf of Islamists everywhere from Syria to Gaza? Much as under Obama, who chose to intervene in Libya and Egypt, but not in Iran, the consistent pattern here is one of propping up Islamists, whether through intervention or non-intervention, with inconsistent rationalizations.

Iranian protesters are being massacred, Hamas and Al Qaeda are being propped up, not because it serves our national interests, but because it serves Qatar’s Jihadist agenda.”

And in August 2016, the Obama administration confirmed it paid \$1.3 billion in interest to Iran in January 2016 to resolve a decades-old dispute over an undelivered military sale, two days after allowing \$400 million in cash to fly to Tehran. But then, in the following month, the Obama administration acknowledged its transfer of \$1.7 billion [\$1.3 billion plus \$0.4 billion] to Iran earlier that year of 2016, was made entirely in cash, using non-U.S. currency. Hmm... makes me think of Paul Kengor’s 2012 book that I have indeed read: The Communist – Frank Marshall Davis: The Untold Story of Barack Obama’s Mentor. A mentor with Communist Party USA (CPUSA) Membership Number: 47544.

Then in November 2023, still virtually in the wake of October 7th, the fraudulently elected administration of the Walking Corpse Obama-cardboard-cut-out Joe Creepy Sleepy Biden, granted Iraq a new 4-month waiver, enabling the release of billions of dollars to Iran, blocked by US sanctions. This decision, came amid the Gaza war and Iran’s backing for Hamas, which effectively unfroze an estimated \$10 billion that Iraq owed Iran but could not pay due to US sanctions. The Biden Walking Corpse administration claimed a thorough vetting process was put in place to ensure that any money released was used exclusively for Iran’s humanitarian and “non-sanctionable” needs such as food and medicine.

OK Creepy Sleepy ... I believe and take your “word” on the “honour” of the regime of Islamic Occupation of Iran! No Taqiyyah here!

Tragically, it seems that the Iranian Uprising is surrounded by numerous entities and nations terrified and hostile to its aspirations of a free and Constitutional Republic of Iran – as indeed was Poland in the early and mid 1790s, and indeed during the 63-day heroic Warsaw General Uprising

from August 01st to October 02nd 1944, to which I devoted the final and longest chapter of my book titled:

Polish WWII Supplement IV: AK and 1944 Warsaw General Uprising — Stalin's mass murder by German proxy

The term AK refers to the Armia Krajowa or Home Army – the non-Communist Polish Underground, which formed the vast majority of the Polish Underground, and was the largest underground movement in all of Nazi occupied Europe. This supplementary chapter narrates how the AK came into being in early 1942, and explains the iconic and famous anchor or “kotwica” [*kotveetsa*] that came to symbolise a free and independent Poland. The sixty-three-day 1944 Warsaw General Uprising (August 1 – October 2) against the occupying Germans was ruthlessly suppressed by the Germans, while the Soviet Army, under Stalin’s orders, after occupying the east bank of the Vistula since mid-August 1944 [*map on page 59 of PDF itself or page 64 in viewer and onwards*], stood back and tacitly allowed the mass murder by German proxy, and only finally entered Warsaw in mid-January 1945! On July 29 and 30, the Moscow radio station “Kosciuszko” broadcast an appeal to Varsovians [*People of Warsaw*] to “Fight against the Germans,” which suggests, that if Tadeusz Bór Komorowski, Commander-in-Chief of the Home Army, decided not to launch the Rising, Stalinist propaganda would have portrayed the Home Army as fascist collaborators and ineffective cowards. Either way, Stalin was on a winner. In the end, Komorowski’s fateful decision would lead to the Stalinist mass murder of Warsaw by German proxy, aided and abetted by Red Army inaction on the Vistula’s east bank, because, as far as Stalin was concerned, he could use the Germans as a proxy to wipe out the dominant Home Army anti-Communist underground, **and thereby greatly simplify his objective to Sovietise Poland post war.**

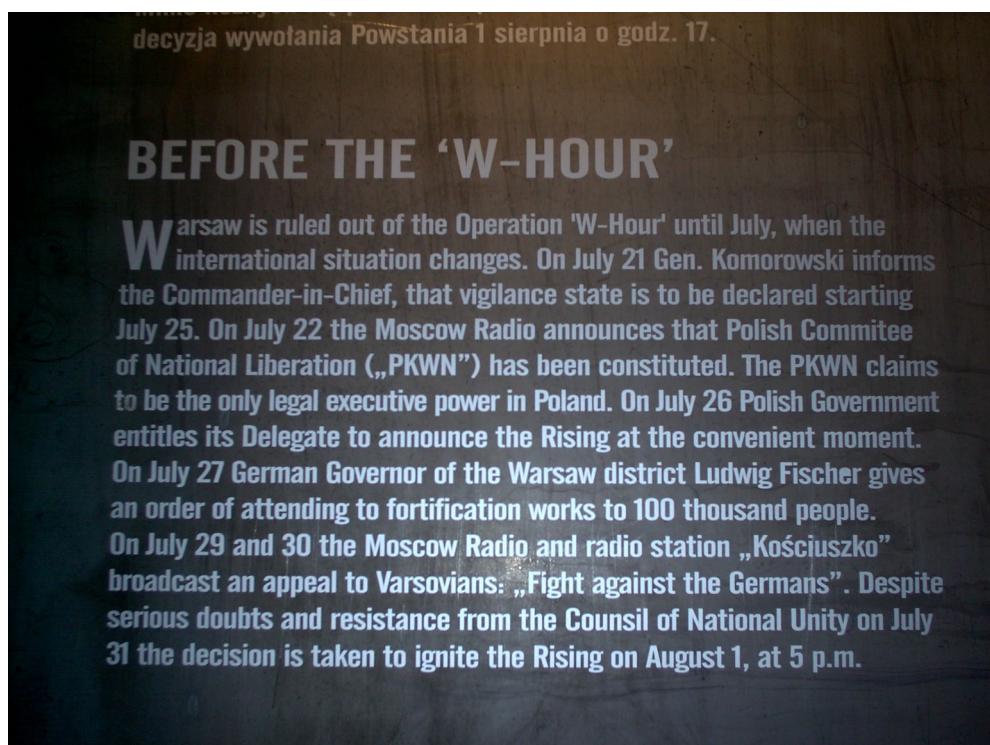

Photo taken by me on Saturday 09th October 2004 at the Warsaw Rising Museum of the tablet documenting Moscow radio station “Kosciuszko” broadcasting an appeal to Varsovians to “Fight against the Germans”, virtually compelling the decision by Tadeusz Bór Komorowski, Commander-in-Chief of the Home Army, to invoke the Rising on August 1st 1944 at 17:00 hours.

Personal stories include those of Tadeusz Bór Komorowski, who issued the order to invoke the Rising, and his remarkable wife, Irena, and her two little boys Adam and Jerzy, who, through her bravery and ingenuity, survived well into this century. I conclude with a description of my visit to the Warsaw Rising Museum on October 9, 2004, utilising digital photos I took of tablets documenting the Rising. Moreover, this museum had only been opened just over two months before my visit on July 31 2004, one day before the 60th Anniversary of the invocation of the Uprising. Heaven forbid, such a museum be tolerated by the illegitimate pro-Soviet-puppet regime that was the “People’s” Republic of Poland!

Moreover, Oxford Professor Norman Davies, fluent in Russian and Polish, and author of many books on Polish history, including [White Eagle Red Star](#) on the 1919-20 Polish-Soviet War, in his excellent book [Rising '44](#), documents how the Warsaw General Uprising was conflated with the no less heroic Jewish Ghetto Uprising of 1943, as follows in CHAPTER VII – STALINIST REPRESSION, 1945–56:

“There had been two risings in wartime Warsaw, one in 1943 and a much larger one in 1944, yet only one of the two could be publicly commemorated. Right from the beginning, therefore, the world was systematically schooled in the false belief that the Ghetto Rising and the Warsaw Rising were one and the same thing. Misinformation [by the Soviet and Communist Polish regimes, embodied in this nefarious historical conflation] was officially promoted.” [I have read [this book](#), as well as [White Eagle Red Star](#) on the 1919-20 Polish Soviet War.]

Further moreover in regard to Stalinist treachery towards the Rising, while airdrops were being attempted by the Western Allies from the air base at Brindisi in southern Italy, over one thousand

kilometres distant, the Soviets, on Warsaw's doorstep, only made the most token and virtually useless airdrops. Moreover, as recalled by Australian aircrewman Alan McIntosh of the RAF and South African Air Force squadrons of No. 205 Group, the Germans were not the only enemy they had to contend with while in transit to and from Warsaw. “

“On my crew's last sortie to Warsaw (night of 10/11 September 1944) we were engaged by Russian AA [Anti-aircraft] fire and Russian night fighters along much of the two-and-a-half hour route. Disenchanted by this, our South African pilots and Australian navigator, at about 12,000 feet [3,660 metres] and outside gun-range from Lublin, rapidly decided that if we survived the drop on Warsaw and were fated to be shot down on the way home, it would be by the enemy and not by our Russian ‘friends.’ On climbing away from Warsaw, therefore we followed the direct route through enemy territory, rather than putting our Russian blood chits to the test. Some crews of our force were not so lucky. With the benefit of hindsight, one wonders what our masters knew (and how much they chose to tell) about our Russian ‘Allies.’” [Pages 308-309 of *Rising '44: The Battle for Warsaw Reprint Edition*, by Professor Norman Davies, published by Penguin Books; Reprint edition (October 4, 2005), ISBN-10: 0143035401, ISBN-13: 9780143035404. Davies states that this was from a personal recollection written in 2002 by Mr Alan McIntosh, Australia: to Norman Davies on 23 June 2003.]

At the time of writing on the 31st, I have finished watching [Goldie Ghamari's four hour critique](#) posted on YouTube in late October 2025, of a dubious leftist-leaning documentary on [Mohammad Reza Shah Pahlavi](#), titled “*The Last Persian Shah*” and his overthrow in the Marxist-Islamist Red-Black [for Shia-Islam rather than [Green](#) for Sunni-Islam] 1979 coup. To which Goldie's critique, further affirms the Marxist-leftist penchant to distort history, even convincing me over the last forty-seven years, to erroneously view the Shah as somewhat of a tyrant, in spite of at least my acknowledgement, that under his reign, the world had a far more stable Middle East. And of course, the undeniable look and aura of pure evil that Ruhollah Musavi Khomeini exuded, as I have found to be further vindicated by [David Wood's podcast partner Apostate Prophet](#) on his Apologetics Roadshow of Section 38 “Marriage” of Ruhollah Musavi Khomeini's [translated Volume III](#) of his [Tahrir al-Wasilah](#). Particularly instructive, is how Goldie alludes to leftist commentator's in the documentary, routinely eulogising this monster, simply for him being a devout and incessant reader of the demonic Quran, who even more incessantly, insulated himself from the outside world. Not to mention, Goldie pointing out their obvious lie that the Shah had banned the wearing of the hijab for women, when even the video evidence from their documentary, glaringly exposes that lie.

While the brave Iranians in their Uprising, are unarmed against the despotic and mass-murdering Mullah regime, the Polish Home Army and insurgents did have arms, but not what you would call unlimited by any means, and of course, they were chronically mismatched in firepower, being up against what was still at that time, albeit in chronic decline, the fourth most powerful military in the world after the big-three of America, Great Britain and the Soviet Union. Their 63-day Rising was one of inexorable courage and ingenuity, including the [incredibly hazardous use of Warsaw's sewers](#) when their forces were split in two by Germans in the early weeks of August 1944, that for weeks after, had the Germans dumbfounded.

Photo I took in Krasiński Square on Saturday 9th October 2004 of the 1944 Warsaw Rising monument depicting insurgents entering the Sewers.

Earlier during WWII, there was a significant presence of eastern Poles in Iran. In August 1939, just days preceding Hitler's invasion of Poland on September 1st 1939, Hitler's foreign minister Joachim von Ribbentrop in Moscow signed what became known as the [Molotov-Ribbentrop pact](#) or

German-Soviet non-aggression pact, that was supposed to last 10 years. In its secret clauses, were agreements on how to divide up Poland and the Baltic states. On the 17th September 1939, just 16 days after Hitler invaded Poland, the Soviet Red Army invaded Poland from the east, which ultimately lead to 1.7 million eastern Poles being deported to the Soviet Gulags.

The exaggerated Stalinist notion was that all eastern Poles were landed bourgeois elite, which supposedly legitimised the deportation of 1.7 million to the Siberian gulags from September 1939 until June 1941 — the month of the launch of Hitler’s invasion of the Soviet Union. The truth was that by 1939, the majority of the six million Borders Poles were peasants, and that deportations proceeded regardless of class, profession, age, health or gender. Even cripples were not spared.

Following the launch of Operation Barbarossa – Hitler’s invasion of the Soviet Union in June 1941, Stalin was desperate for allies, which led to some protracted and limited extent, the liberation of eastern Poles from the Siberian Gulags – BUT NOT ALL! [*Many were not released until April 1946!*] Starved and “Auschwitz like” emaciated, they arrived by Soviet tanker across the Caspian Sea in August 1942 to Bandar-e Pahlavi – a port city in Gilan Province. Many spoke of cleansing themselves in the Caspian sea of the miasma of Russia, and had nothing but glowing reports on the hospitality availed them by British, American and Indian troops – not to mention, of the Iranian people themselves. Many of these Poles, ended up forming the Polish 2nd Corps under Władysław Anders, which became famous in the Battle of Monte Cassino in Italy in the first half of 1944. Yet, in London’s Grand Victory Parade on Saturday June 8th 1946, it was upon Stalin’s petulant insistence that Polish soldiers were not allowed to march!¹

Tragically, some Poles were so badly starved, that they perished upon eating decent sized meals, due to their “Auschwitz like” emaciated bodies not being able to so quickly adapt to digesting normally healthy amounts of food. In all, 2,806 refugees died within a few months of arriving and were buried in cemeteries around Iran. Their alien names and the dates on their tombstones chronicle a calamity, even to a visitor without knowledge of their history. **Etched on row after row of identical tombstones is a single year of death: 1942.** One Iranian city; Isfahan, became known as the “City of Polish Children”.

Anni Aynaz Cyrus, an Iranian-American born in Iran in 1983 and sold into an abusive marriage by her equally abusive father at age 15, escaped that year of 1998 from Iran, thanks in no small part to her grandmother. At age nine, Aynaz rejected Islam completely in her heart and mind, when on her 9th birthday, the Islamic state, in a public ceremony, declared the absurdity that she would be, from that day forward by law, an adult woman! The Islamic normalised and documented insanity of which, one can cite not only the aforementioned Section 38 “Marriage” of Ruhollah Musavi Khomeini’s translated Volume III of his Tahrir al-Wasilah, but as well, the Hadith of Sahih al-Bukhari 5133; Book 67, Hadith 69:

“Narrated ‘Aisha:

‘that the Prophet married her when she was six years old and he consummated his marriage when she was nine years old, and then she remained with him for nine years (i.e., till his death).’”

When she first renounced Islam, she also had no time for Christianity, as she erroneously perceived the true Jesus of Christianity as identical to the fake Islamic “mere prophet” of “Isa”. When she was later made aware of the true divinity of the Jesus of Christianity, and that the Islamic demonic deity of Allah was and is NOT the same God as the Judeo-Christian **God of Abraham, Isaac AND Jacob**, she renounced atheism and embraced the true Messiah of Jesus Christ, of whom the true Arabic translation is indeed; “يسوع المسيح – Yasū Al-Masīh”. For one thing, Allah would never suffer

the inexorable pain and death of crucifixion for our wicked sins that God's son Jesus Christ willingly suffered. To which Anni brilliantly articulated in her June 1st 2025 Substack article titled: "[Jesus of Nazareth vs. Jesus of Islam – One saves the world. The other serves a warlord](#)".

As the Uprising and mass-murder perpetrated by the IRGC and Trump's double-speak unfolded in Iran in January 2026, Anni has on multiple occasions, made the compelling case that no other Uprising for freedom in human history has been as betrayed as that of her own people in January 2026. As a proud Aussie of proud Polish paternal descent, who has visited the Bełżec Death Camp and Auschwitz Concentration Camp Museums in 2005, witnessing almost two metric tons of human hair at the latter, and visited the Warsaw Rising Museum in October 2004, just over two months following its opening, and witnessed memorials to the deportation of 1.7 million eastern Poles to Siberian gulags and to the [Stalinist murder of 20,000 Polish prisoners in the Katyń Forest near Smolensk in western Russia in April 1940 and elsewhere in the Soviet Union](#), the death of 200,000 Varsovians in the 1944 Warsaw General Uprising, I most respectfully put to her, that perhaps the Poles of World War II, could at least, to some extent, be compared to the Iranians today being abandoned it seems by a feckless duplicitous and [Dhimmī](#) West, as were indeed the Poles at the WWII conferences of [Teheran from November 28th to December 1st 1943](#), and most of all, at the Black Sea Crimean resort city of [Yalta in early February 1945](#).

In September 1683, the legendary Polish King Jan Sobieski answered the call of the besieged city of Austrian Vienna, when he led the spectacularly successful joint Polish-German-Austrian relief force against the besieging Muslim Ottoman Turks. Support today from say America or Israel does not need to be boots on the ground, but strategic airstrikes and other non-military measures could be taken to support the Iranian people, including international banks debanking members of the Islamic regime, and a global declaration of illegitimacy for this stinking Islamic-Fundamentalist regime.

[But today, in the rabidly feckless Dhimmitude of Western Europe of today](#), in November 2024, Vienna decided [NOT](#) to honour Jan III Sobieski, the Polish King who broke the Turkish siege of the Austrian capital in 1683, with a statue over concerns to do with **WAIT FOR IT** yes you guessed it, in the purest embodiment of [WTF: “Islamophobia!!!”](#) [Search for “50,000” and/or “75,000”]

In 1944, as displayed on an austere iron plaque in Polish and English at the entrance to the Warsaw Rising Museum, Varsovians defined there Uprising as:

„*Chcieliśmy być wolni i wolność sobie zawszeczać*”

“We wanted to be free and owe this freedom to nobody”

... it seems, given how a rabidly feckless and [Dhimmī](#) Vienna is symptomatic of a Western civilisation in chronic decline, as epitomised by its canary in the coalmine of skyrocketing Jew Hatred, now compelling the inexorably brave and desperate “[Islamophobic](#)” people of Iran today, to embrace the “**owe this freedom to nobody**” that defined the Warsaw in the summer and autumn/fall of 1944, to ultimately wake up a Feckless, Rudderless and [Dhimmitude](#) West! **You are indeed, more than worthy of Warsaw 1944!**

Admittedly, the British insisted on Polish Airmen — heroes from the 1940 Battle of Britain, be allowed to march, but no ground forces were allowed to do so. As Ed Bucko put it: *At that parade all those God-damned shit countries [eg Mexico and Argentina] who didn't even barely participate, didn't even shoot at the Germans, they were a big deal...big heroes. [We] were nobody.* As such, the Polish Air Force in protest over the exclusion of the ground forces, rightly refused their invitation to march.
